Minister signs airstrip road closing bylaw

Word has been received from the office of the Minister of Highways, the Honourable Gordon Taylor that he has signed the Town bylaw closing the road crossing the airstrip at Glenwood.

There has been a matter of great concern for the residents of Edson, Glenwood and Grande Prairie for some time.

The safety for occupants of vehicles and aircraft alike has been the problem, and as fortune has been good thus far, no tragedy has occurred.

New Year's baby girl to Mr. & Mrs. H. Raw

The first New Year's baby for Edson and District to be born in the St. John's Hospital is the baby daughter of Mr. and Mrs. Herbert Raw of Carleton Place.

The baby was born at 8:30 a.m. on January 2, tipping the scales at 7 lbs. 8 oz. Congratulations going and from the local merchants of Edson, in a great variety of gifts which include a \$100.00 merchandise voucher from Edson's Fine Store.

A case of milk from Bud's Milk. The first pair of shoes for the young lady will be coming from Tom and Jerry's Shoe Store.

Her father and that will also be a great variety of gifts from Edson's leading merchants.

Donald Rawley will be meeting the baby up with his first born from Jasper, B.C. Edson, January 3rd, are of the little girl with a son.

Mr. Jack Hook of the H and H Store is supplying one dozen Christmas trees.

Something is really wrong for the occasion will be an unusual 12-12-12 day from 12:00 a.m. to 12:00 a.m.

Two-12-12 will be the day of the day problem for people with a case of the ever popular 12-12-12.

To give them and that something for their efforts Edson Merchants have donated \$50.00 worth of gas to help cover travelling expenses.

Mr. Bert Sherring of Ken

Snow, snow and more snow cars in row

With the ever abundance of snow on the streets, it has caused some problem with the removal of snow.

One of the truck drivers are reported to have parked where it will interfere with the street cleaning.

In several instances the trucks have had to be moved the vehicles at their own blocking the essential

THE NUMBER ONE BABY TO BE BORN IN THE ST. JOHN'S HOSPITAL, in 1962, is the daughter of Mr. and Mrs. Herbert Raw, of Carleton Place, Ontario. Seen in the picture are Mrs. Raw and baby, and St.

for Roberts. The lovely flowers are the compliments of Edson's Flowers. The baby and parents are also being honored by numerous merchants of Edson, with gifts to celebrate the occasion.

Edson Chamber plans ladies night Wednesday

The Edson Chamber of Commerce plans to start the year off on the right foot by planning a night for the ladies.

This is to be held in the new Edson Motor Hotel, Room 200 on Wednesday, Jan. 17th.

Each member is requested to bring his wife or girl friend and one more couple if possible.

The evening is scheduled to start at the usual time year off on the right foot by planning a night for the ladies.

A social evening will follow and your tickets may be obtained from your social ticket distributor.

Last year was the Town of Edson's 50th Anniversary, but this year it is the Chamber of Commerce's 50th, so it is hoped that this can be one of the greatest for the Chamber as well.

On looking through the store this Christmas we noticed a surprise plate show by some lovely pictures of Edson's Civic Buildings, main street, roads and business areas.

This makes a lovely Christmas gift and can be seen at Jackson's Jewellery.

Mr. A. Abram, 55 of Bonaville, Alberta was killed when the truck in which he was a passenger over turned in the ditch.

The accident happened on Saturday, Dec. 30, at Trout Creek Hill just west of the Bonaville ferry.

Mr. Abram was the driver of the vehicle.

THE HOME OF MR. AND MRS. LEO BROWN that was gutted with fire on Dec. 29th. As the Browns were having dinner they heard a crackling noise coming from the bathroom. On examination of the bathroom the flames rapidly spread to the rest of

the house, before the fire department could be summoned. This was one of the older houses in Edson, being built prior to the First World War, and serving as a landmark to many older residents. It was owned for many years by Mr. Drury Layton.

EDITORIAL PAGE

'61 the Anniversary year

After going through the house for the year just past one is struck with the number of things that our community did during our Fifteenth Year in the spirit of observing the anniversary suitably.

As we sat listening to the superbly edited recordings of the Pastoral taken by the CBC crew and the commentary by Mrs. Peggy McFarland in particular, which came over our local repeater station last Friday, we were struck by the appropriateness of this tremendous effort to catch the spirit of Edson abiding.

The Pastoral sung as they are modified seem destined for further times with their premisses in particular years. We're a town of 1000 people, and the spirit of the anniversary should have a line changed from the original. In our opinion the production is on a par with such regional musicals as "Oklahoma".

While the theme of the past year was one of reminiscence, there was a spirit of abiding in the town that has been growing since the war. Residential house events got their start along with the first residential paving. Building permits for commercial and residential construction maintained an impressive momentum. Employment was high in the area, although there may not have been so much "time and staff" money around as in previous years. In fact the supervisor of Western Canada for the year was Mr. Robert Service, who was here just before Christmas. I told this newspaper that Edson was one of the brightest in all of Canada.

Edson and District has looked to the future with the clear eyes of thirty people who came originally and make their homes and land their lives. The spirit of "We're a Town" is still very much with us.

The Voice of Edson Constituency

Vol. 10 Edson, Alberta, Thursday, January 11, 1942 No. 2

Area employment picture bright during past year

"The Edson Local Office Area continued to show a bright picture employment-wise in 1941," said Mr. H. J. Thompson, Prairie Regional Employment Officer with the National Employment Service.

During 1941 the Edson Office assisted 1,480 persons in finding jobs. This was an increase of 402 over 1940.

"I am amazed at the activity in the district and with the enthusiasm of the citizens I have met," said Mr. Thompson.

He stated that during the past year a large number of construction jobs were secured in the area, directly employed in many ways.

Minor Hockey Week starts Jan. 20

Minor Hockey Week commences will be starting on Saturday, January 20. This being Canada's National day, it is hoped to have as many fathers and mothers, brothers and sisters taking part as possible.

Many skaters have been brought to light but it is hoped that new "juniors" and "seniors" will follow the line of the "juniors" and "seniors" in the future.

Remember the date and you will keep him out of hot water and not overheat the boiler.

most insurance benefits of Edson office further indicating the bright employment picture that existed at that time.

He predicted that opportunities for employment in the area during the coming year should again reach a high peak.

Mr. Thompson was in Edson recently for three days to confer with NEDS Office Manager W. H. Dore. While in the area, he took the opportunity to visit engineers in both Hinton and Jasper.

Search for Talent dates are set

There have been several official searches for Talent about Hinton and this would likely continue with the district during the next few weeks.

At the present time there are a number of students in the area who are taking part in the search for Talent. All contestants are required to be in good standing in their school, and practicing their musical instrument.

Local family struck with tragic blow

The community of Edson and district were shocked to hear of the passing of Mr. Clifford Dufford, 44, of Edson, on Saturday, January 10.

Mr. Dufford and his three children, a son and two daughters, were living in a home west of Edson when Mr. Dufford suffered a heart attack.

The truck came into the ditch and Dufford ran to the window to attempt help.

Billets needed for city chorus

Residents of Edson are asked to help in raising the sum of \$100 for the City Chorus. The date for their arrival and performance is on February 2, and so be held in the High School Auditorium.

These young students will be spending their night and some who have come to Edson for the first time.

If you have a room available, please call one of the following committees, who are: Mrs. L. J. Dufford, Phone 243-243, or Mrs. Walter Smith, Phone 243-243.

EDSON HAS SOME WONDERFUL PEOPLE AND WE HAVE to remove our hats to Mr. J. W. Jarrell, who on Thursday, Jan. 11th, will be celebrating his 100th birthday. Mr. Jarrell lives with his daughter, Mrs. J. Smith on 7th Ave., and is very alert and takes great interest in things that are happening in this world of 1942.

Local C of C celebrate 50th Anniversary

Plans for the Chamber of Commerce Ladies Night being held in the Edson Hotel next Wednesday, January 12 are falling into line very well.

It is hoped there will be a check with a number being sent to members and around in keeping with the spirit of the 50th anniversary. A short business meeting of the Edson Boarding will be followed by a of Trade's founding in 1911. Social evening, marked with a The banquet starts at 7 o'clock.

Stratford players in Hinton two night stand

Hinton's energetic Kiwanis Club have taken on a project that will have two-fold benefits for Hinton and outside districts. On Monday and Tuesday, March 19 and 20 they will sponsor the famous Canadian Players, Canada's National Touring Theatre Company, in a two night stand in Hinton. Residents of Hinton, Edson and Jasper will, at that time, be able to see this distinguished company perform in "The Great Game" by Bernard Shaw and "John's Secret" by William Shakespeare.

A great many people have followed the development of the Canadian Players and will be happy to have this opportunity of seeing them in action. Many in the area from which the audience will be drawn, will have had no opportunity to see live theatre for many years. It will be a treat that they have not enjoyed for some time; to all it is a chance to enjoy a rare treat, for although live theatre is more and more cultivated, the smaller end on are few and far between, who can boast of an organization with enough foresight and enthusiasm to sponsor such an event.

In making this drama group to Hinton, the Kiwanis Club is not only giving local people a chance to see live drama at its best, but are raising funds for their youth camp at Jarvis Lake, north of Hinton which will be available for use by young people in all three centres.

Tickets for the two performances will be available early in February.

MRS. MABEL MORRISON, newly elected President of the St. John's Hospital Auxiliary, presents Sister Superior Secretary with a radio for use in the hospital on behalf of the Auxiliary.

Edson Bantams stars continue to burn brightly

Edson's Bantams stars continued to burn brightly last night as they won their 10th straight victory over the "Crest" team. The Bantams, coached by Coach Bantam, defeated the "Crest" team 10-0 in a game played at the Edson Arena. The Bantams' victory was a testament to their skill and teamwork, as they dominated the game from start to finish. The "Crest" team, on the other hand, struggled throughout the game, unable to score a single point. The Bantams' performance was praised by the crowd, who were in high spirits to see their favorite team win.

Young People's group enjoy successful dance

The Young People's group enjoyed a very successful dance last night at the Edson Arena. The dance was attended by a large number of young people, who had a great time dancing and socializing. The Young People's group, which is a part of the Edson Community Centre, has been very active in organizing social events for the young people of the community. This dance was no exception, as it was a well-attended and successful event. The group is looking forward to organizing more dances in the future.

Canadian C of C 1962 "Operation Freedom"

The Canadian Council of Churches (C of C) is launching a new campaign called "Operation Freedom" in 1962. The campaign is aimed at promoting freedom and human rights around the world. The C of C is calling on all Canadians to support the campaign and to take action to promote freedom and human rights. The campaign will involve a series of events, including rallies, demonstrations, and public hearings. The C of C is also calling on all Canadians to write their Members of Parliament and to urge them to support the campaign. The C of C believes that freedom and human rights are essential for a just and peaceful world, and it is committed to promoting them in all its activities.

Coming Events

At the Edson Community Centre, there are several events planned for the coming weeks. These include a dance for the Young People's group, a meeting of the Edson Bantams, and a public hearing on the "Operation Freedom" campaign. The community centre is a great place to get involved in the community and to support the events and activities that are taking place. If you are interested in any of these events, please contact the community centre for more information.

Legion curlers holding Zone finals

The Edson Branch of the Legion is holding the Zone finals for curling. The finals are being held at the Edson Arena and are open to all curlers in the Zone. The Legion is proud to host the finals and is looking forward to a successful event. The curling season has been a busy one for the Legion, and the finals are a highlight of the season. The Legion is also looking for volunteers to help with the event, so if you are interested, please contact the Legion for more information.

Dr. M. Mahabach

Dr. M. Mahabach is a physician who practices in Edson. He is a member of the Canadian Medical Association and is committed to providing high-quality medical care to his patients. Dr. Mahabach has many years of experience in his field and is well-respected by his colleagues and patients. He is also involved in the community and is a member of several local organizations. If you are looking for a doctor in Edson, Dr. Mahabach is a great choice.

NOVA Theatre

The NOVA Theatre is a community theatre that is dedicated to producing high-quality theatrical productions. The theatre is located in Edson and is open to all members of the community. The NOVA Theatre has a long history of producing successful productions and is looking for more volunteers to help with its activities. If you are interested in joining the NOVA Theatre, please contact the theatre for more information.

Edson Motor Co. Ltd.

Edson Motor Co. Ltd. is a car dealership located in Edson. The dealership has a large inventory of cars and trucks for sale, including new and used vehicles. The dealership is committed to providing excellent customer service and is looking for more customers. If you are looking for a car or truck, Edson Motor Co. Ltd. is the place to go.

Training for the Unemployed. This topic came in for discussion at a recent meeting, held at the National Employment Office, attended by Federal and Provincial representatives and members of the Edson School Division.

Mr. D. Campbell, Assistant Regional Director, Canadian Vocational Training for the Province of Alberta, outlined the terms under which training for the unemployed may be established.

Such programs are sponsored jointly by the Federal and Provincial Governments and have been highly successful in larger cities. It was now hoped to establish classes in the smaller centres, Mr Campbell said.

Mr. A. Jarline, Superintendent of Schools, stated that classes could be held for three days. There would include carpentry, plumbing, electrical, print reading, Commercial, and Vocational Preparatory. He stated classes would probably be conducted in the late afternoon, starting at 1:30 p.m., and three or four days a week.

Local news centre helps

This very tragic accident which took the lives of eight pipeline workers with four others being rushed to the Edson Hospital, necessitated continued wide interest.

RECEIVED BY TELETYPE UNIT 10/24/68 10/24/68

The accident had occurred about ten o'clock Tuesday morning to the Figgott Pipeline Limited crew who had been working on the joining up of lateral lines to the main gas pipeline which gathers gas for the big pipeline that runs to the Jordan gas area.

The following is a list of the accident victims.

Edward KEZAMA, Regina.
Lloyd MILLER, Calgary.
Lou TOLLIVER, Regina.

The accident occurred when the men who were testing the line, prior to tying it into the main line that carries the natural gas to Southern Alberta, had been standing behind a tractor that the first blast removed some of their clothing, with the terrific suction, and the second blast catapulted

presently under way. Senior gas industry officials were on the scene within hours. It is estimated that about

Interesting plans up for Flying Club meet

The Edson Flying Club should have a lot of interesting plans to make when they hold their annual meeting next Wednesday, January 31. The meeting will take place in the Optimist Boys Centre and is scheduled to start at 8:30 in the evening.

The Flying Club boasts about thirty members at present. Like most organizations, the membership is comprised of a working core and a large percentage of paid up members.

This working core is made up of a group of very avid flying enthusiasts who don't mind a lot of hard work as long as they can see an active club in the future. An active club is just on the horizon for the Edson fliers.

As for the hard work, no one says that the approach was easy as it is. The fliers have been busy making plans for the meeting and expect to get the club's affairs in order by the time the meeting is held.

Some breaking had already been done at the end of the year to make the longer approach they were told to make necessary. A general meeting will give them a shot in the arm with the good news.

A short QUIZ about your AUTO INSURANCE

1. Does it provide all the coverage you need?
2. Is it backed by a reputable agency and company?
3. Will it provide enough service even when you're a thousand miles from home?

If you can't answer "yes" to all three questions, better call us today!

performance starting at 8:00. Professor Eaton of the University Musical Department is the musical director in charge of the chorus.

The Edson Leader

The Voice of Edson Community

Vol. 10 Edson, Alberta, Thursday, February 1, 1962 No. 5

Rail link Whitecourt to Windfall is proposed

A two million 500 thousand dollar rail link from Whitecourt to Windfall is on the order paper for passage in the House of Commons this morning according to an announcement from Dr. Hugh Hunter, MP for Jasper-Edson, this week from Ottawa.

The proposed line would be built for a distance of approximately 23.5 miles from Whitecourt to the property of Pan American Petroleum Corporation at Windfall. The expenditure would be about \$2,500,000.

The Government would authorize money to the Canadian National Railway of securities that will finance the construction of the line so that the railway may get started as soon as possible.

Purpose of the rail link to the Edmonton-Whitecourt branch line would be to transport sulphur for the Texas Sulphur Company who will take the by-product from the Windfall plant which has just started into limited production.

Inquest held baby's death
The inquest into the death of Karen Grant, 18 month old daughter of Mr. and Mrs. Howard Grant, was held in the courtroom of the Provincial Building in Edson on Wednesday, Jan. 31.

The accident occurred on the corner of 2nd Avenue and 1st Street in Edson on Wednesday, Jan. 31, when a young child was struck by a car.

The jury pronounced a verdict of accidental death.

Edson man gets city promotion

Karnival queen candidates in running for '62

Queen, queen and beauty girls are on the program for this year once again by the Kiwanis Club of Edson. The contest is known as the Carnival Queen of Edson and is held annually.

This year we find four lovely young ladies entering the race, each one sponsored by local district group.

The Edson Branch of the Civil Service Association have chosen Barbara Egan as their representative.

True falls killing man
Mr. Walter Vitkowski, 37, was killed on Wednesday morning while falling from the roof of the new building at 10th and 1st Avenue.

Mr. Vitkowski was born in Poland and his body will be returned to his home for burial.

"Fun on Ice" planned for the whole family

Fun for the whole family are the plans of the Edson Kiwanis Club to have a skating party on Friday, February 3.

It is hoped that the whole family will come as there is a special program for the children to take part in, with various races, events, entertainment and a spectacular house ball game.

The house ball game will be made up with a team from the Kiwanis and another one from the community.

Heat wave sets record
The weather this week has been something to write home about with Sunday temperatures reaching a Canadian high of 84.

For the month of January, this has been a real record of temperatures with the last week as follows:

	High	Low
Jan. 26	2	-14
Jan. 27	4	-14
Jan. 28	2	-9
Jan. 29	47	31
Jan. 30	41	15
Jan. 31	53	25

The Carnival Queen for this year will be for March 3 and 4, and if the Queen's coronation is very successful, the type of show, it should really go over the top.

CALGARY POWER LIMITED
Serving the province of Alberta

OUNCE-HEAVY ELEPHANT—need fish at the Calgary Aquarium received a visit recently from the Gyvettas — wives of members of the Calgary Gyro Club — who noted the stay, rose African fish to the permanent display several months ago, thereby matching the man's club's gift of a live elephant to the Calgary Gyro and Gyvettas made their second special event of the Calgary Brevling member of the Aquarium staff, David interesting facts about the more than 100 different fish and marine animals in the display.

BROOD
Grain containing more than one embryo (two or three) is called a brood. It is a result of the amount of ergot in grain can be reduced by pulling it through a cleaning mill or by mixing it with non-ergot grain.

MOLDY, HEATED AND FIRE-DAMAGED GRAIN

These are less palatable and of lower feeding value than normal grain. Grain of this nature should be discarded.

[illegible][illegible]

Under the conditions that may exist, even high school levels are drought, frost, lack of sunlight, poor and rounded growing conditions combined with a high nitrate content in the soil. The picture, landscapes and goldfish, special conditions of temperature and humidity during curing at storage and high nitrate levels in the soil. These conditions may occur whether or not nitrogen fertilizer has been used. The Alberta Advisory Fort

BE READY WHEN YOUR CHICKS ARRIVE

Temperature 95 degrees below canopy. Cover floor with coarse dry litter: Cut straw, shavings, peat moss, to depth of 2-3 inches. Provide enough water fountains and feeders. Have them filled. Have chick guard of wire covered with canvas around stove two feet out from canopy. Have a good supply of "Miracle" CHICK STARTER MASH or CRUMBLIES.

AGE	Space, Ventilation and Temperature	Feeding and Watering	Sanitation and Management
START	MOVER - not more than "SEE chicks" FLOOR SPACE - 8 sq. ft. per chick in most VENTILATION - under the ventilation, heavy air fresh-avoid drafts TEMPERATURE - 90 to 95 degrees F. from floor and 87 to 89 from top of brooder house keep 10 to 12 degrees WATTI THERMIST-if they form a circle, note rotate chick as the temperature is right and they are comfortable DO NOT OVERHEAT ROOM	Give first feed of "Milklets" first hour Vulture can pump or paper plate After two days chicks will use feeders. After 10 to 12 days, they can eat and use that all chicks eat. With warm water (approx. 60 degrees) for first five days Use at 10 to 12 in 12 to 14 days (or equivalent) per 1,000 chicks and see that no chick is more than 10 ft. from water.	Cover litter for first three days using a rough paper liner. After three days change if dirty or dirty. Use equipment each day using balling water for feeding.

[illegible]

ALL-MASH SYSTEM

Keep "Miracle" All-Mash Growing Crumbles in front of the birds at all times. Supply granite grit (Growing Size) and plenty of fresh water. Again, they should be closely watched to see that they do not become too fat so that feed intake can be limited, if necessary.

When pullets begin to lay, switch to "Miracle" Laying Mash. See "Miracle Feeding Program for High Egg Production" for information on changing over for Layers or Breeders.

"Active participation in the winter work drive across the Prairies by business, industry and membership is doing much to take us over a difficult period."

This was the statement here this week of C.W. Stewart of Winnipeg, assistant director of the National Employment Office in Winnipeg, the Prairie Provinces, who visited the National Employment Office in Illinois.

"Many good applicants are coming in winter, and it's noticeable that they still be available by spring," he said. Mr. Stewart "happens to be" available at this time of year. The U.I.C. drew attention to the fact that in Canada, of \$200 million in production losses, purchasing power recovered from the winter slowdown.

Winnipeg, he noted is a city of reconstruction, repair and redecoration projects, and at some's place of work, anyone who can find relief for someone else, job or facing unemployment.

Rain makes vehicles into slippery slides

Weather conditions on the roads very dry and slick, making it necessary to put up a road block for a period of time. With the traffic moving at a snail's pace, when the rain started, the roads became very slippery. As reported by Howard Hutchinson of the County Sheriff's Office, who had his four tour as full service as well as the other two trucks in Edson, reporting cars and trucks that had slipped off the road. On the one stretch of road about thirty vehicles had come to rest in the ditch. One large oil tanker, apparently empty, was stuck in a ditch and a Ford in the ditch at the same time. The Highway Patrol were on the scene.

CARD OF THANKS

Trustee Lawton re-elected for fourth term

School Trustee J. H. Lawton, of Edson, was re-elected to a fourth term on the Edson School Board at a meeting held at the Edson Hotel, Tuesday, Jan. 31, 1962. Mr. Lawton represents Sub-District No. 2 in Edson School Division No. 12.

An election for Trustee for Sub-District No. 3 in the east end of the district is necessary and three citizens have been nominated to contest the seat.

The election has been set for Saturday, Feb. 17. Ballots will take place from 9 a.m. to 5 p.m. in the Edson School Board office, 100 Main St. East. Mr. Lawton is the incumbent.

Edson Locals

Mrs. V. Asher left for Vancouver, B.C., to visit her mother, Mrs. Laura Stenhouse, who is ill.

Coming Events

THE SUN IS SHINING BUT THE AIR WAS RATHER FRIGID, as the Town Undermen, George O'Neil, phoned out the road at the cemetery. It was a busy weekend for the sun who removed the snow cover as Edson had a ten inch fall over the weekend. The snow and frost also created a lovely

scene in the background as caught by Lander Cameraman, John Parrino. Very favorable comments have been passed around for the fine snow clearing job done by the Department of Highways on the main highways and side roads in town.

The Edson Leader

The Voice of Edson Constituency

Vol. 10 Edson, Alberta, Thursday, February 8, 1963 No. 6

Everyone cooperates when U of A chorus sings here

Over 60 householders in Edson opened their doors to tender hospitality to 120 members of the University of Alberta Mixed Chorus on Friday night, and the guests quickly gained their hosts' hearts.

The three buses transporting the chorus, arrived right on time and within less than half an hour, the singers had reached their stage.

300 school children, many of whom had come with the greatest reluctance, sat enthralled listening to Professor Richard S. Eaton's explanations and chorus singing of different selections.

The evening performance was an exceptional one. After the introduction was completed, the chorus proceeded to sing several selections. The first song, "The Edson Home and School", was most interesting to hear. Mrs. M. McLaughlin, president of the Edson Home and School, both welcomed the members of the chorus and also thanked them for their magnificent performance. She gave a small memento of the visit to Mrs. B. Eaton in the form of a dish made of Edson city clay.

Fly by jet to West Berlin

Mrs. S. H. Manthey and son Peter, age two, and a half left last Saturday for jet to a visit to her former home in West Berlin, Germany.

They flew direct from London to Berlin by T.C.A. jet and then changed planes for the flight through the famed "Cold Rider" to West Berlin.

The Manthey's are one of the several families that men of in Edson, last year with the Alberta Gas Truck Line Co. arrangement for the city was handled by J. McManis.

Council approves 42 unit apartment in principle

Following a presentation Tuesday night by Mr. Clarence Hempel, representing a group of investors, Council approved in principle a project which would involve the construction of a 42 unit apartment in the block north of the A. H. Dicks School.

Designed as a low rental project with apartments ranging from \$55 for a two bedroom suite to \$65 for three bedroom accommodations, the project would fill a need long felt in the town, especially with recent population growth.

Total cost of the development will range between \$430,000 to \$470,000. It was estimated in the presentation to the Council. It is hoped construction will start in early spring.

Also discussed was the possibility of a purchase of additional lots to 15 lots for a housing development.

Yellowhead Assn. director reports optimistic meeting

According to M. D. Meade who attended the Annual Meeting of the Yellowhead Route Association in Saskatoon on Saturday last, the reports submitted by the officers of the organization held out every hope that by 1967 Canada will have a second Trans Canada Highway from Portage La Prairie in the Pacific Coast to the Atlantic.

President Wm. Havelock reported that the idea of opening such a highway as a part of Canada's Centennial celebration had found the largest of all the Centennial Committee, but the idea was not only of the Centennial Committee, but also of the Yellowhead Route.

All members of the Executive who accompanied Prime Minister Diefenbaker on November 28 confirmed his report of the very cordial reception that they had received. Each in turn recalled the Prime Minister's specific statement, "You do not have to sell me on the merits of the Yellowhead Route."

Correspondence between a strictly provincial post office and the Minister of Highways, Mr. Meade, is a strictly provincial post office.

Mr. Meade is a member of the Public Works Committee of the House of Commons. He was elected to the House of Commons in 1957. He is a member of the House of Commons. He is a member of the House of Commons.

[A pioneer of the "Edson Trail" — as the Grande Prairie Trail is known in the Peace River Country — was the subject of an interview printed in the Grande Prairie Herald Tribune recently. We feel it may be of interest, especially to

Vocational Schools

The article below is representative from the Alberta Times and Express which has been brought into this newspaper for alert members of the local organization who feel that vocational schools are something that should be considered in this province.

There is a revolutionary change taking place in our public high school system in Alberta — indeed in all of Canada. The growing realization that Canada is lagging behind in training manpower for this technological age, combined with the preferential of Federal funds for capital expenditures on vocational schools, has led to a great deal of planning and activity on the part of the Provincial Government and local school boards.

ON WHAT TERMS ARE THE FEDERAL FUNDS PROVIDED?

Effective April 1, 1961, an agreement between the Provincial and Federal Governments provided for the Federal Government to furnish 70% of the Provincial contribution to the capital cost of vocational schools. Since, in Alberta, our government is contributing 80% of the cost, the eventual division of costs will be Federal Government 67%, Provincial Government 23%.

Local Authorities 19%

After March 31, 1962, the Federal Government will supply only 60% of the Provincial contribution. The Federal Government will pay for operating costs.

To provincially owned schools — 50%.

To locally owned schools — 50% of the Provincial grants up to a total limit for Alberta of \$214,000,000.

The Federal Government will contribute 50% of provincial costs of approved programs in teacher training for the vocational schools. The provincial governments have full occupational competencies in the field in which they are to give grants. The federal government apply to the receipt of funds from the Federal Government.

1. The school authority must be of sufficient size to administer such a program, i.e., a high school should enroll 1000 students in all programs.

2. At least 50% of the students must be spent in instruction preparing for an occupation.

The plan of several vocational schools in the Province of Alberta have been approved. To date, two provincial projects are going ahead: a new building as a part of the Institute of Technology and Art in Calgary and the \$10,000,000 Northern Alberta Institute project.

In addition to these, the Lethbridge Junior College Board is adding a vocational school wing, and the following schools are being prepared by local school boards. In Calgary (three), in Edmonton a vocational high school and the separate vocational high school, also in Red Deer, Jasper Place, Calgary and Medicine Hat. There are others being planned, but there is no announcement on them at this writing.

This vast program requires strong support from parents. It is at last a determined attempt to do something about the student dropout which has been of such great concern. It is a plan to truly offer equality of opportunity in the full development of its student potential.

However, parents and taxpayers should be alert to some of the problems which have a 1962 deadline. They are posed now for consideration, not to suggest any meeting of effort, but rather to point out that intense and urgent effort is necessary to answer the following questions.

1. What provisions are being taken to prevent an imbalance between manpower trained, and jobs available in the field? Is planning for manpower needs being carried over from the past? Is it not, we risk a serious overcapacity or undercapacity in certain areas. At what level should manpower planning be done — Federal? Provincial? Local?

2. If twelve or fourteen new vocational schools be built in Alberta, what assurance is there that the province will be able to absorb them? Is it not a waste of money to build schools which will not be used? What provisions are being taken to distribute occupational demand across the schools — especially among the provinces?

3. Can articulation problems between high school and vocational schools be solved? Is it not a waste of money to build schools which will not be used? What provisions are being taken to distribute occupational demand across the schools — especially among the provinces?

4. What provisions are being taken to prevent a waste of money in building schools which will not be used? What provisions are being taken to prevent a waste of money in building schools which will not be used? What provisions are being taken to prevent a waste of money in building schools which will not be used?

Letters to the Editor

Dear Sir:

I am sure that you will be interested in the article in the Alberta Times and Express which has been brought into this newspaper for alert members of the local organization who feel that vocational schools are something that should be considered in this province.

Mrs. L. Stevens Homesteaded at Wolf Creek buried Thursday

Funeral services were held for Mrs. L. Stevens, 68, of Edmonton, who died on Wednesday January 23, in a local hospital.

Mrs. Stevens was born in 1893 in the town of Wolf Creek, Alberta. She was the daughter of Mr. and Mrs. J. H. Stevens.

She was married to Mr. L. Stevens in 1915. They had three children: Mr. J. H. Stevens, Mr. L. Stevens, and Mrs. L. Stevens.

Mrs. Stevens was a member of the Wolf Creek United Church. She was also a member of the Wolf Creek Women's Institute.

She was a devoted mother and a loving wife. She was also a very kind and generous person.

She was a very active person and was always ready to help others. She was a very kind and generous person.

6,600,00 RPM LESS ARE TURNED BY A SOLO CHAIN SAW

THAN THE SLOWEST OF THE OTHER THREE MOST POPULAR SAWS

THIS IS ONLY ONE OF THE 24 REASONS THAT 38 SOLO SAWS WERE SOLD IN THE EDSON DISTRICT SINCE OCT. 15, 1961. A DEMONSTRATION AND A PROOF SHOWING OF THIS SAW WILL CONVINCE YOU TOO.

ONLY \$229.50

\$15.00 tool kit included

ONE YEAR GUARANTEE ON ALL VITAL ENGINE PARTS

Read what some of the buyers of Solo Saws say.

ALEX MAUGHAN OF WILDWOOD:

I bought a Solo Saw because I know several experienced bush men who own a Solo and they strongly recommend this make over all others for Power, freedom of trouble, and for economy.

PETER PITTSKUL OF EDSON:

I like my Solo Saw for it gives much more per dollar invested and is easy to look after.

ERICK NEILSON OF E. B. JOHNSON'S CAMP:

You have my permission to say that this is the best chain saw I have ever used. It has more power than enough yet is light and strong.

ALBERT NOVOTNY OF CARROT CREEK:

This is a real man's saw. I have sent you in one customer who also bought a Solo and still send you more. I am more than satisfied.

H. B. THOMAS OF EDSON:

I thought they couldn't improve chain saws much more, but this one has most of the good points of the top saws and has several of its own that top them all.

READ WHAT OTHER BUYERS SAY NEXT WEEK

OTHER REASONS ARE

- Fuel Consumption cut by 50% due to low oil rate.
- Cost running under full load due to long stroke and large cooling fan.
- New oil type lifetime air filter. Easy to clean. Like new on the spot.
- Made in West Germany by the World's most famous engineers. (one of the first companies in the world to produce a 2 cycle engine). Therefore provides long life parts.
- 8 Full horsepower at only 4500 R.P.M. Cylinder has 125 cc. displacement.
- Long Stroke High Compression.
- Chain speed 2500 ft. per minute at only 4500 R.P.M.
- World famous Bosch magnets. Starts easy at 50 degrees below.
- Gas mix ONLY 25 to 1. Cuts all and sparkplug costs.
- Weight 14 lbs. with 17" bar. Lowest Weight per H.P.
- Tillotson Carburetor Standard.
- Oregon bar — chain optional. Standard.
- Ten volt ball bearing on crank shaft to run rod.
- Crank Case splits in two halves, cuts overhead.
- Holds one full quart of fuel.
- Full proof sealed starter assembly. Lifetime.
- Overhaul time cut in half by simplified engineering.
- Parts system simple enough for a child.
- Parts prices at least 25 per cent less.
- Service and overhaul are easy with tools and service manual supplied.
- 30 seconds to remove starter unit, 4 minutes to remove carburetor.

DO IT NOW

WITH A SMALL BUSINESS LOAN

Small Business Loans are available from your bank up to \$50,000 at six per cent interest and up to ten years to repay.

"MIRACLE" CHICK RAISING POINTERS

BE READY WHEN YOUR CHICKS ARRIVE

Have a good brooder house or brooding room. Put it into shape. Wash and clean well with boiling lye water (1/2 lb. lye in 25 gallons water). When dry, disinfect walls and ceiling. Move brooder house to clean ground. Use dependable brooder stove. Check and run it for two days before chicks arrive.

Temperature 85 degrees below canopy. Cover floor with coarse dry litter. Cut straw, shavings, peat moss, to depth of 3-5 inches. Provide enough water fountains and feeders. Have them filled. Have chick guard of wire covered with canvas around stove two feet out from canopy. Have a good supply of "Miracle" CHICK STARTER MASH or CRUMBLES.

AFTER YOUR CHICKS ARRIVE

ADD	Room, Ventilation and Temperature	Feeding and Watering	Sanitation and Management
START	MOVES — not more than 100 chicks. FLOOR SPACE — 3 sq. ft. per chick or more. VENTILATION — under roof, remove damp air from brooder house. TEMPERATURE — 85 to 90 degrees. WATCH THE CHICKS — if they seem a little hot, reduce canopy; if the temperature is right and they are comfortable, DO NOT OVERHEAT ROOM.	Give first feed of "Miracle" Chick Starter Crumbles on paper or paper plates. At two days chicks will eat feeders. Allow 1" of feeder space per chick and see that all chicks eat. Waterers filled with warm water (approx. 85 degrees) for first few days. Use at least 10 to 15 gal. waterers (for 1,000 chicks) and see that all chicks have water.	Cover litter for first three days using a rough paper. But litter every day and change if damp or dirty. Keep equipment clean using boiling water for scrubbing.

1 to 3 weeks inclusive	MOVES — Floor Space — same as above. VENTILATION — Increase ventilation starting 3rd week to keep 85-90 degrees. TEMPERATURE — Reduce temperature at least 5 degrees per week after first week—Lower room temperature slightly.	Keep the feeders well filled at all times with "Miracle" Chick Starter Crumbles. Provide chick-size grates for 100 chicks. After 1st week provide larger waterers. Use water with salt off it.	Keep feeders and waterers clean. Keep litter stirred. Change when damp or dirty.
4 to 8 weeks inclusive	FLOOR SPACE — Increase to 1 sq. ft. per bird by 4th week. VENTILATION & TEMPERATURE — Fast moving, damper air, remove damp air from brooder house. Ventilation should be gradually reduced if possible to 80-85 degrees by 8th week in brooder house.	At six weeks chicks should have 1" of hopper space per chick. Start feeding grain at seven weeks and 1 1/2 gal. waterers (for 1,000 chicks) and see that all chicks have water. Start feeding grain at seven weeks and 1 1/2 gal. waterers (for 1,000 chicks) and see that all chicks have water.	Keep feeders and waterers clean. Supply fresh water daily. Keep chicks clean using boiling water for scrubbing. Separate outside from inside at six weeks. At 8 weeks, move pullets to outside (in weather conditions).

THE "MIRACLE" GROWING PROGRAM:

MASH AND GRAIN SYSTEM

Keep "Miracle" Growing Mash or Pullets (10%) in front of the birds at all times and feed scratch grains in separate hoppers. At twelve weeks of age, if on good range, they should be getting 70% scratch grains and 30% Growing Pullets. If on poor range or in confinement, should be getting 40% Growing Mash or Pullets. Watch pullets, especially if they are of a heavy breed, to see that they do not become too fat. If they do, reduce grain and substitute oats for other grains and, if necessary, limit total feed intake. Supply granite grit (Growing Size) and plenty of fresh water.

ALL-MASH SYSTEM

Keep "Miracle" All-Mash Growing Crumbles in front of the birds at all times. Supply granite grit (Growing Size) and plenty of fresh water. Again, they should be closely watched to see that they do not become too fat so that feed intake can be limited, if necessary. When pullets begin to lay, switch to "Miracle" Laying Mash. See "Miracle" Feeding Program for High Egg Production for information on changing over for Layers or Broilers.

Edson

degree of gratitude for their outstanding effort composing the music and lyrics, for the very successful musical comedy, "Look Behind You Neighbor" that was so ably presented last fall.

**City speaker
here for C. of C.
anniversary**

City speaker
here for C of C
anniversary

Edmonton's Chamber of Commerce is observing the 30th anniversary of its first meeting in February, 1912. At that time, the Board of Trade was first constituted with a special meeting on Wednesday Feb. 14 at 4:30.

Guest speaker for the occasion will be Mr. Clark, Minister of the Alberta Chamber of Commerce, of Edmonton.

The musical show staged by the Elks' Klansmen under the direction of the Elks' Klansmen is shaping up to be an entertaining three hour presentation. It is scheduled to be presented the end of March at the Elks' Club.

The plot centers around a mythical castle ruled by a tyrant, the ruler of the world. The plot is a comedy and a special written for the occasion.

It is expected that 30 guests will be invited to the occasion. The Elks' Klansmen are making arrangements for anyone who likes to appear on the program.

Week's Weather

As reported by the Indian weather office:			
Date	High	Low	
Feb. 9	43		
Feb. 10	31		
Feb. 11	34		
Feb. 12	34		
Feb. 13	30		
Feb. 14	18		

Snowfall in January and February, 22.2 inches. Rain fall in same two months, .01 inch.

Lion Paul Gorette of Edmonton was the guest speaker for the evening, centering his talk around Londonism.

Lion Paul based his talk on the principles, advantages, fellowship and leadership that go along with being a member of the great Lion organization.

He went on to praise the work of our representatives in the senior government mentioned that he had no political ties and felt that he would not be running in the Mayway race when it comes up again this fall!

A dance followed the supper with the music of one of Britain's leading bands.

THE QUICK ACTION OF CN employees saved the destruction of this van, when the cargo heaters became overheated and fire broke out. Consider-

On query from Mayor Brunelle the engineer promised to bring in a report on the matter of water contamination reported at least once in the water system last year.

A report was also submitted to the meeting on the proposed extension of the sewage system to cover the area in the north of town:

Councillor Wells was Deputy Mayor until the first regular meeting in May.

The Mayor and Secretary were reported to be in attendance at the first transfer of west half of Lot 16 and all Lot 16, Block 549, to

Mr. L. and Mrs. Esther P. Kishelby, for delivery to a lending institution.

The matter of application of 12 Quins of Cambria for waterworks was taken up by C. L. Black and

Cons.

Darlene Iwanczewski
leading Queen race

The interesting race for the 1942 Karnival Queen, who will be decided on the Saturday evening of March 7 at the Kiwaniss sponsored Kincyrles of '42, is gaining considerable rush day.

Carlotta (unmarried)	191,000
Edith Schuler	188,000
Elsie Klamm	180,000
Barth Fuchsmann	100,000

ly by all supporters of these
queens favorite and the totals
can change over night from
the first tally.

Over the little girls are
precisely their figure skaters
acts for what promises to be
an ice extravaganza in keep-
ing with the spirit of the
previous years.

Tumbling the little figure
skaters is again in the capable

hands of Mrs. Len Herber, as
part of an arrangement with
the Kinnison Club to provide
this cultural grab for the dis-
cerning young people.

According to a report by
Committee on the Len Herber
Committee are working on
the sets, the lighting arrange-
ments and other organiza-
tion of details to make sure this
year's ice show is on a par
with what local people have
come to expect from their
carnival.

Week's Worth

N.E.S. and you

The following article is contributed by W. H. Brown, Manager of the National Employment Office in Edson, and is presented to the public interest by this newspaper.

Planning your own employment for persons who are unable to derive a full work day or week in their jobs through personal responsibilities or physical limitations, is a special phase of the National Employment Service activities. Many employers and job seekers are unaware of our services with this type of placement.

N.E.S. recognizes a tendency in our society to require more part time help. An increased number of employers are finding themselves in the position where they need additional assistance but the amount of work involved does not warrant hiring a full time employee.

Other employers seeking specialized help find there is a shortage of trained and experienced employees available in a particular occupation, and can only obtain part time employees.

The employment needs of many employers are met by the majority of part time employees, with the largest number in the last category. By utilizing these help in the employment, even a small business can obtain the services of a number of qualified workers which might otherwise be out of reach.

The woods are nice in winter too.

Edson Midgets start Well in Series Play

The Edson Midgets were the winners of a very successful series of games on Sunday night at the Edson Legion, when they defeated the local team by a score of 10-0.

The Midgets were led by their captain, who scored the first goal in the first period. They then went on to score the remaining nine goals in the first and second periods.

The Midgets were praised for their excellent teamwork and fast play. They were also praised for their excellent defense, which kept the local team from scoring.

The Midgets will be looking to continue their winning streak in their next game. They will be playing against a strong team, but they are confident they can win.

The Midgets were praised for their excellent teamwork and fast play. They were also praised for their excellent defense, which kept the local team from scoring.

A short QUIZ

about your AUTO INSURANCE

1. Does it provide all the coverage you need?
2. Is it backed by a dependable agency and company?
3. Will it provide prompt service when you need it?
4. Will it provide a check and miles from home?

If you can't answer "Yes" to all these questions, better ask us today!

6,600,000 RPM LESS

ARE TURNED BY A SOLO CHAIN SAW

THAN THE SLOWEST OF THE OTHER THREE MOST POPULAR SAWS

THIS IS ONLY ONE OF THE 24 REASONS THAT 38 SOLO SAWS WERE SOLD IN THE EDSON DISTRICT SINCE OCT. 15, 1961. A DEMONSTRATION AND A PROOF SHOWING OF THIS SAW WILL CONVINCE YOU TOO.

ONLY \$229.50

\$15.00 tool kit included

ONE YEAR GUARANTEE ON ALL VITAL ENGINE PARTS

Last Week 5 Solo Saw owners expressed why they bought this product.

Here are 5 more:

JOHN LOTNICK OF CARLSON'S CAMP

I have had continuous service from my Solo since I bought it "Ang. Tib. 1961" and have not spent a dime on anything but a chain for this unit. After six months use, I can only say it is the greatest.

LEN SINGHIEL OF EDSON - now in Donald, B.C.

I bought one Solo in Aug. 1961 and bought a second one 1 1/2 months later for my partner - we use 36" bars and don't need a gear drive saw, this machine has what it takes and saves us a lot of money. Our production is up at least 25%.

JIM JOHNSON OF H. KENNEDY'S CAMP.

The Solo Saw I used never failed to start in the worst condition. It has more than enough power. I like power and dependability.

CASEY KULBORG OF EDSON

We have used all makes of saws but never saw one that would produce like our Solo. A man has a real chance to make it. With this machine production is up.

Will you become one of the many satisfied customers?

OTHER REASONS ARE

Fast Consumption cut by available due to low oil rate.

Cool running under full load due to long stroke and large cooling fan.

New oil type Mottson air filter. Easy to clean. Like new on the spot.

Made in West Germany by the World's most famous engineers. (one of the first companies in the world to produce a 2 cycle engine). Therefore production long life parts.

8 Full horsepower at only 4500 R.P.M. Cylinder has 125 c.c. displacement. Long Stroke High Compression.

Chain speed 3500 ft. per minute at only 4500 R.P.M.

World famous Bush magnets. Starts easy at -30 degrees below.

Gas mix ONLY 25 to 1. Cuts oil and sparking costs.

Weight 24 lbs. with 17" bar. Lowest Weight per H.P.

Tiltson Carburetor Standard.

Oregon bar - chain optional. Standard.

Two sets half bearings on crank shaft to cut wear.

Crank Case splits in two halves, cuts overhaul.

Holds one full quart of fuel.

Full proof sealed starter assembly. Lifetime.

Overhaul time cut in half by simplified engineering.

Parts system simple enough for a child.

Parts prices at least 25 per cent less.

Service and overhaul are easy with tools and service manual supplied.

20 seconds to remove starter unit. 4 minutes to remove carburetor.

Band class postponed This Friday

The regular band held every Friday at the Boson school will be postponed this week due to the search for a new band leader.

The Town Band will take the honors of starting the show off with O Canada and a band selection.

The band is conducting in due with the latest addition Mr. Bob Brown, a drummer with a number of years in the music business.

The band is having lessons in all directions as well as in the music business.

The band is having lessons in all directions as well as in the music business.

The interest is growing as several new instruments have been purchased by individuals and the bandmaster, Christine, is giving lists of instruments to those who wish to purchase a little more of their own.

Don't miss the band's show this Friday when the Town Band will be the first to announce their first appearance since the purchase of their new instruments.

EDITORIAL PAGE

This is your chance

The annual chance for taxpayers to tell the Council face to face how the town should be run has rolled around again. The meeting is set for Monday evening, Feb. 26, in the Edison Legion Hall.

The meeting is to get underway at 8 p.m. and as usual reports will be given by chairman of the various committees of Council, the Secretary-Treasurer, individual Councillors and the Mayor.

This year the Town has a surplus according to the financial statement. Those who have read their statements as mailed out to them will know how much. If a statement is just a bunch of figures to you, as it is to most of us, then the best way to get it explained is to show up at the meeting.

Preliminary budget planning by the Council indicates a heavy program of public works may be possible this year. More residential street paving, curbing and gutters are being mulled over. What to do about lower Main Street and if this is the year to get Second Avenue opened up or not are also being discussed.

Heavy expenditures for a water system and possible construction of a reservoir are needs for the growing town too. Anyone interested in taking development planning for the area will get an insight into what has been proposed on this as well.

If taxpayers have any ideas for the improvement of the town, the annual meeting is the place to bring it into the realm of public discussion.

PREJUDGED OPINION

A lot of newspaper copy has been made recently with the assertion that Sweden now has the world's second highest standard of living and Canada is now in third place. This claim featuring pre-election campaigning being carried on by the New Democratic Party. It is intended to convince Canadians that the country could afford the advanced welfare state that the party espouse and still advance economically. However, there seems to be no argument about Sweden's extensive social welfare services, when the cost to the public is taken into account it cannot be said that Canada has lost second rank in living standards to the Scandinavian country.

The case being made by the New Democratic Party is based on reports prepared by Britain's Institute of Economic and Social Research and by the International Labour Office, organizations that are more partial than impartial when weighing the costs of the welfare state. The magazine Canada Month has looked at both reports and finds that it is hardly an unexpected interpretation of the surveys that ranks Canada behind Sweden in living standards.

For 1957, most recent year dealt with in the two research projects, the per capita income in Canada was 1 per cent higher than in Sweden, \$1,041 as compared with \$1,040. Then there was the significant fact of per capita income: from 1950 to 1957 the rise in the consumer price index in Sweden was more than double what it was in Canada. Apparently ignored in the New Democratic Party's interpretation of the reports was the factor of income tax. A man and wife in Sweden, with combined earnings of \$7,000, paid tax of \$1,000, compared with \$1,000 in Canada. The \$2,000 for their Canadian counterpart. The Swedish couple not only earned less but also paid a greater or burden of price increases and taxation.

Supporters of Socialism may be convinced that Sweden's very extensive state welfare program is proof that the country's high standard of living, but it seems like arguing that an increased level of unemployment insurance payments proves an improved standard of living in this country.

Letters to the Editor

Dear Sir:
I read this month's "Penny-A-Load" and in the first column I noticed some Canada, and in the last column I noticed some penny. I am enclosing material for this purpose.

It is probably quite unnecessary to remind you of the importance of the Board of Public Accounts in terms of the financing of the town, but it is the first of the Board of Public Accounts that I have found. I have found that the Board of Public Accounts has been very busy in the last year, much more so than in the past.

Every day brings us new stories of money (the word through our ever increasing understanding of the nature of the Board of Public Accounts, their members and their work. It is through the cooperation of people like yourself that we hope to finance the town's very diverse.

Heavy expenditures for a water system and possible construction of a reservoir are needs for the growing town too. Anyone interested in taking development planning for the area will get an insight into what has been proposed on this as well.

If taxpayers have any ideas for the improvement of the town, the annual meeting is the place to bring it into the realm of public discussion.

CAPITAL REPORT

Legislature opening event of week

by KEN MASON
EDMONTON. — The provincial day held at the Legislature in Edmonton today was a day of many firsts. It was the first time that the Legislature has opened its doors to the public since the opening of the new building in 1957.

The opening of the session was presided over by the Speaker of the House, Mr. J. A. McLeod. He welcomed the public to the Legislature and announced that the session would be held in the new building.

The first business of the session was the reading of the address in reply to the speech made by the Governor General, Mr. Vincent Massey.

The second business of the session was the presentation of the report of the Committee on the Status of Women.

The third business of the session was the presentation of the report of the Committee on the Status of the Indian.

Reg Clark guest speaker at C of C

The Edson Chapter of the Chamber of Commerce held their regular meeting in the Commodore Hotel banquet room, on February 21, with Past President Paul D. Clark in the chair.

The guest speaker for the evening was Mr. Reg. Clark, Manager of the Alberta Chamber of Commerce.

A very small turnout of members were present, and it

was explained how this was the Chamber's 50th Anniversary and how important it should mean to its members.

Mr. Clark spoke on Chamber organization from the speaker's point of view.

He spoke on the six requisites of a Chamber to keep it active and progressive and to credit to the town or city it represents.

Edson girl wins Academy clarinet

The Edson girl who won the first prize in the clarinet contest at the recent "Academy of Music" was Miss Mary.

The response to the recent festival of music was very favorable and a number of the winners took the trouble to come forward and congratulate the winners.

The band also attended to the clarinet game on Sunday, Feb. 17, and the winner of the clarinet game was Miss Mary.

Miss Mary played on the clarinet in the band that won the first prize in the clarinet game.

Miss Mary played on the clarinet in the band that won the first prize in the clarinet game.

FINAL WELD on the main line of the Alberta-California gas pipeline were completed by Pacific Gas and Electric Company near San Francisco last December. The 36-inch pipe from Canada was joined to twin 36-inch lines borrowing under the San Joaquin River.

— at 47 feet below sea level the line and the 1,400-mile line. The 3,000 million project now is delivering Alberta gas to California and the Pacific Northwest. The line starts 35 miles north of Edson.

A man wearing a hearing aid extended a hand.

"Must be tough to be deaf."

WITH TEMPERATURES BELOW ZERO and cold winds, the Leader Commission mapped the remains of the former service station and garage, belonging to the Dale Maynard Construction Ltd. It is located five miles west of Edson on Highway 16 at the turn-off to the East Branch. Loss was very high as the garage housed considerable equipment, tools, vehicles and fixtures. The building burned the night of Feb. 22.

The Edson Leader

The Voice of Edson Community

Vol. 10 Edson, Alberta, Thursday, March 1, 1962 No. 9

Postponed due to cold weather

Unfortunately it was announced by the Klusman committee that, with no hope the weather would warm up in time for Friday and Saturday performances, the two carnivals would have to be postponed a week.

New dates for Edson's big winter show are Friday and Saturday, March 9 and 10. It's a sad news that would not have been as spectacular in freezing temperatures.

No Young People's Sunday

Edson Young People's is closed down for the next seven weeks. This is because Lent begins on Wednesday and Lent is a solemn season calling for a renunciation of such merriment as possible.

Young People's will resume on May 6th. Further notice of this will be given later.

A new program will be drawn up which will continue until conditions towards the end of the season towards the end of the year.

A skip and how at 83

Mr. George Hewitt, 83 years young and still going strong, is a member of the Edson Senior Citizens' Club. He is a member of the club and is a member of the club.

Mr. Hewitt, who celebrated his 83rd birthday on February 28, is a member of the club and is a member of the club.

He is a member of the club and is a member of the club.

PLEASED WITH THE RESPONSE to the first training courses for unemployed in the Edson area are Instructor Miss Jean Macgregor, Principal M. D. Macdonald, Instructor Miss Jean Macgregor, and Miss A. J. Macdonald and National Employment Service Manager H. Macdonald.

Stops. Classes commence at 4.30 in the afternoon and run until 7.30 and will run for about eight weeks. In the country course 18 are taking the program while 18 with more joining are taking the typing course.

1961 good year Town annual meeting reveals

If progress in many directions, as reports of Council committees at the Town annual meeting Monday night, showed, means a good year then the residents of Edson did indeed have a good one.

The past year will probably go down as one in which a considerable program of public works began to make itself visible with the initiation of a residential curbing and landscaping program and the paving of the monumental top of Main Street.

1961 was a year when building neared the million dollar mark in permits issued. Probably the most significant works project was an overall sewer plan which will be capable of supplying a city of 16,000 people.

The reports as printed below by the Mayor and Councilors and Town officials indeed made Edson's 100th Anniversary Year a milestone of progress.

Mayor Bransell addressed the Town should be proud of the progress it has made in the past year. He pointed out that the Town has made a great deal of progress in the past year, particularly in the area of public works.

Mayor Bransell said the Town has made a great deal of progress in the past year, particularly in the area of public works. He pointed out that the Town has made a great deal of progress in the past year, particularly in the area of public works.

TOWN MANAGER'S REPORT

The Town Manager's report of the past year was a good one. He pointed out that the Town has made a great deal of progress in the past year, particularly in the area of public works.

The Edmonton Leader

The Voice of Edmonton Community

Vol. 10 Edmonton, Alberta, Thursday, March 8, 1962 No. 10

SYMBOLIC OF A CHANGED ROLE by the Canadian National Railways in Edmonton is this shot of Miss Margaret Kinkaid writing the last cup of coffee to coffee locomotive engineer Mark Albert as the CNR "Bonsky" closed its doors last Tuesday evening. Mr.

A Ski Tow Aim of Edson Skiers

Sliding in Edson will get a real boost next Fall, as members of the Edson Ski Club, when their new ski tow goes into operation. They expect many new fans to take to the thrilling sport when that thrumming up hill climb is done away with.

It has been available since the late winter of 1958, but the new tow will be a real reality, and are well on their way to the top of the mountain. The ski tow started on the last of a rope tow, but the new tow is a real reality, and are well on their way to the top of the mountain.

GOING UP — THE EASY WAY! Pictured here are young skiers at Jasper, using the rope tow running to the top of the Pyramid Ridge on Whistler Mountain. Members of the Edson Ski Club anticipate they will expect to have a ski tow operating next summer on their slopes in Williams Park. Edson's ski tow is expected to be in operation by the end of the season. The Edson Ski Club is sponsoring a showing of ski movies Friday night in the A. N. D. Club. Refreshments to help finance their new installation. Movies start at 8:00 p.m. — Photo by Bruce

Pedley Kids avert derailment

Few Edson students were notified of the danger of a derailment when they averted a crash. The kids, who were playing in the snow, saw the train coming and ran to the tracks, where they found a car that was about to derail. They pulled it back, averting a disaster.

North Road residents finally getting sewer

Through the years it had almost become a tradition. More or less regular attenders at Town Council meetings had come to expect the annual petition from the residents on the North Road — north of 12th Avenue — to make their annual plea for sewer service to their homes as a matter of routine.

The sewer had always been "the town's secret" or "the town's dirty little secret." But the residents had always been the same — year after year, petitioning the town for sewer service.

Cost of the project will be \$12,000, according to the town's estimate. The town is now in the process of securing a preliminary estimate for the sewer system, which would provide for a half million gallons of water supply for the town's residents.

At the same meeting preliminary discussion took place on the proposed extension to the water works reservoir storage tank in the north west part of Town.

Engineers' reports indicate the project would cost about \$12,000. A full report on this proposed project will appear in the Leader in an early issue.

Services held for late Frank B. Manuel

Services were held for the late Frank B. Manuel, who died March 5. The services were held at the First World War Memorial, where Mr. Manuel served for many years as an operator before becoming dispatcher chief of Edson.

A trustee and chairman of the local school board for many years, Mr. Manuel died of a heart attack at the district head office in the Edson district office.

He was survived by his wife, Mrs. Manuel, and two children, Frank and Harold. He was a member of the local school board and the local school board.

Funeral services were held on Tuesday, March 6 at 2 p.m. at the First World War Memorial, where Mr. Manuel served for many years as an operator before becoming dispatcher chief of Edson.

He was survived by his wife, Mrs. Manuel, and two children, Frank and Harold. He was a member of the local school board and the local school board.

Federal Liberals name J. Shiptski candidate

Stony Plain — Jack Shiptski, 40, received the nomination to contest the federal election in the Stony Plain constituency. He was nominated by the federal Liberals.

Mr. Shiptski, a grain buyer, has been in Stony Plain for many years. He was a member of the local school board and the local school board.

He was survived by his wife, Mrs. Shiptski, and two children, Frank and Harold. He was a member of the local school board and the local school board.

Funeral services were held on Tuesday, March 6 at 2 p.m. at the First World War Memorial, where Mr. Manuel served for many years as an operator before becoming dispatcher chief of Edson.

East District Doin's

Conspicuously in last evening's Prime Minister and Mrs. Rogers on their forthcoming marriage. The wedding will take place Saturday April 14, followed by a reception and dance in the Grand Ball Room of the Hotel Vancouver.

A second wedding of note in the district will take place the following Saturday April 21, when Connie Stewart, daughter of Mr. and Mrs. Ed Stewart, will marry the son of George Dickson, son of Mr. and Mrs. A. Dickson of Pelly. The bride and groom will be married at the home of the bride's parents, Mr. and Mrs. A. Dickson, 1000 West 10th Avenue.

Orville Armstrong is expected to be a guest of honor at a party given for a group of students at the University of Alberta. The party will be held at the home of Mr. and Mrs. A. Dickson, 1000 West 10th Avenue.

Plenty of flowers will be sent to the home of Mr. and Mrs. A. Dickson, 1000 West 10th Avenue, for the wedding of their daughter, Connie Stewart, to the son of George Dickson, son of Mr. and Mrs. A. Dickson of Pelly.

Must go left or right says Liberal leader

STONY PLAIN — "You cannot drive down the middle of the road, you must go left or right of the centre line," said Provincial Liberal Leader Dave Hunter as he addressed the nominating convention of the Jasper-Edson Liberal Association held here on Mar. 6. Mr. Hunter clarified his statement by explaining the Liberal party must stay a short distance left of the centre line if it is going to represent the individual man; the party has not however moved to left field with the New Democratic Party, he said.

The convention, opened by a welcome and most wishes from Mayor J. H. Kink, opened with Jack Biddell, North Fort Bridgman, giving the invocation. He said the Liberal party is the only party in the province that is not a party of the people. He said the Liberal party is the only party in the province that is not a party of the people.

THESE FOUR YOUNGSTERS gained public recognition when they spotted and reported a broken rail on the C.N.R. about twelve miles east of Hinton a week ago. Their detection and reporting of the rail probably averted a costly derailment and possible loss of life. Left to right are Douglas Hump-

son, Lillian Chadak, holding a telegram from C.N.R. officials, Larne Chadak and Sandra Humpston. At right is Mrs. J. Aiken, their school bus driver, who relayed the message from the youngsters to the Canadian National station at Hinton. —Press by John Bish

Council accept land sale planner recommendation

The Voice of Edson Community

Vol. 10 Edson, Alberta, Thursday, March 13, 1963 No. 11

Cold weather plagues Kincycles second week

Kincycles of '63 postponed from the week before by extremely cold weather was held this weekend in weather that was none too warm either. Sponsored annually by the Kiwanis Club of Edson, the color extravaganza by young figure skaters has traditionally made parents proud of their young performers.

The young skaters put on a fine show in spite of the cold and should be commended on their fine performance.

Chorus of the Priory and Saturday evening show was the crowning of Queen Darlene (sponsored by last year's Queen, Thelma Radcliffe), attended by Princesses Karen Kortman, Bertha Parham and Faye Schulin.

Edmonton guest performer, Walter Kasse with Director of the show, Mrs. Herring put on a fine display of figure skating that showed years of practice and precision.

The Kiwanis band were in at once again, and grew many favorable comments for their musical selections.

Kiwanis Trust Grant was overall chairman of the ice show, with Kiwanis, Kincycle and mothers of the kiddies sticking in with money, food, costumes and all the hard work of things that go to make up a community effort of this kind.

Former Edson-Branch hockey stars to meet

Former Coal Branch hockey players will be seen in action at the Edson arena on Sunday, March 14, at 2 p.m. The majority of these players are now living in Edmonton and other points.

They will pit their skill against a team of Edson players, some of whom made here and others who will be coming to Edson for this game.

It should be a good, interesting game and well worth watching if the weather permits.

C of C meet

A regular meeting of the Edson Chapter of Commerce will be held in the Commerce Hotel, banquet room at 8:30 p.m. Wednesday, March 20.

A speaker is being arranged and visitors will be cordially from extensive members as usual.

To become effective April 1st, the price will be based on a \$10 per foot cost, plus the cost of local improvements for the standard rectangular parcel.

Lots of a different size or shape will be fixed by a fair and equitable translation of the square footage contained in such parcel in proportion to the area of a rectangular parcel. It was felt that this revaluation was more in line with current National Housing Act financing of new dwellings.

Present were Mayor W. J. Grant, P. W. Wells and five council members, M. A. Schulin, M. D. Meade, F. Brock.

Continued on page 12

1961 QUEEN THELMA RADCLIFFE places the crown on Kincycles of '63 Queen Darlene (sponsored on the final night of the two evening ice show Saturday. In attendance were Princesses Edith Schulin, Bertha Parham and Karen Kortman. —Leader Photo

Public Business

Essential feature of our way of living is that, finally, the decisions of governments whether they be on the high level of the federal parliament, or on the grass-roots level of the local council, come from John Q. Citizen.

There are many who criticize this form of government, and there is no doubt that much of their criticism is well founded. They claim, and with some foundation for their conclusion, that the democratic process is slow and cumbersome. They assert that under a more dictatorial form of government things could be accomplished more efficiently, with less loss of time, and perhaps with more effectiveness.

We choose differently. We choose differently because we believe that the most precious freedom man has is that of thinking as he pleases, and finally having his thinking become a part of the conduct of his affairs at every level. If we are going to realize this basic individual right and duty, we are going to remove the foundation stone of democracy, and it will naturally follow that the citizen will in time come tumbling down.

But if there is danger that dictators — and we have them working right now at all levels — can remove our liberties — it is naturally inferred that their preservation can only be maintained if we as individuals, as solitary citizens, live up to our own obligations.

Basically this obligation is to think. There are many who think that in order to think and to make our own choices, we must first make ourselves informed. A good place to start is on the municipal level. Looking down there to improve the government of a community that has intelligent citizens working for its welfare. Citizens who understand the problems of the community, and who know the needs in the community, may be expected to co-operate with these people, and if necessary to criticize those people they have in charge of their affairs.

The selection of candidates for office simply because they have served before, or because they are easy to get, is a prostitution of democratic privilege. The only person who should be chosen as candidates for office are people who can do the particular job at hand and do it well.

While the election of candidates for office is important, it is not sufficient that the public look after their hands. Every detail of public business should be studied. The citizen's responsibility on every level should get careful scrutiny by citizens.

This alert interest need not be expanded to cover not only the problems of the local community, but the affairs of government on all levels. The citizen's alert interest takes the most effective steps we can in preserving the democracy which we prize.

Not too soon

The current in old age pensions from \$150 to \$400 old age pension is a big step. Old age pensioners are faced with the same problem of rising prices as everyone else and are not generally in a position to do anything about it.

While we recognize the fact that increased prices at a time when our government is fighting to keep the country on even keel, it is not fair to be somewhat of a burden — the need to live on one of the lowest incomes in the country — the government still does not measure up to the average citizen's wish in wages that has taken place since the \$55.00 rate was set.

One of the last paper we should try to practice economy is where it will take away any of the social comfort that can be provided from the pension for our senior citizens.

Mica development being watched with interest

What is thought to be one of the world's largest and richest sources of talc has been discovered in the northwestern B.C. town of Valemount. One reserve of 20,000 tons of 80 to 90 percent mica has been proven on the basis of a trial test taken from an area of the mine group. The test drilling was carried out by a team of two companies, Magnet Cove Surface Corporation Ltd., a producer of industrial minerals in British Columbia, and the Valemount Mica Development Co. According to Magnet Cove, the reserve of 20,000 tons of recoverable talc mica is estimated as the top twelve feet of the deposit, where it lies under a layer of approximately 100 feet of waste rock. The mica is found in a zone of 40 feet and the bulk of this mica will not be mined.

Trombone Club launched by Bond
Once again the Edson Bells have a self-supporting musical group, in order to raise a few necessary dollars for the purchase of new instruments. The Trombone Club is being formed and is just now accepting members. The club is being formed by a local musician, Mr. Bond, who is a member of the Edson Bells. The club is being formed by a local musician, Mr. Bond, who is a member of the Edson Bells.

N.E.S. — and you

(The following article is contributed by W. H. Sherr, Manager of the National Employment Office in Edson, and is presented in the public interest by this newspaper.)

In order for the National Employment Service to operate efficiently, a great deal of information must be available to those whom we employ. It is in the public interest that we should make this information available to all employees. We are currently conducting a training course for all employees. This course is designed to help employees understand their rights and responsibilities. It is a free course and is open to all employees. It is a free course and is open to all employees.

PRINTING
By your local newspaper publisher, that quality and speed all your printing should have.

Competitive
Our prices are competitive with those charged by the most efficient city shops. Quality often better than you can find elsewhere.

Fast Service
When you need business cards, we prefer to put your work through in our own shop. We can have your cards ready in a hurry when you need them.

the bigger the need for a Chevy Heavy!

The tougher the job, the harder the load, the more reason to turn to a Chevy Heavy. In Chevy Heavy truck power is tailored to the job. There's new meaning to High-Torque power in the bulky 360 V8 and the mighty 480 V8 engines.

Durability is another reason for owning a Chevy Heavy. It's evident in the massive ladder-type frame... the extra-strong Independent Front Suspension that combines with Variable-Rate Rear Springs to lessen shock... and in the unitized construction of the

upright, good-looking cab. It pays to team up with a Chevy Heavy on tough loads. See your Chevrolet Truck Dealer now.

A NEW WORLD OF WORTH...NEW EFFICIENCY...NEW EARNING POWER FOR YOU

Jubilee Junior High to hold open house

The Jubilee Junior High School will be open to the public on Monday, March 26 and Tuesday, March 27, from 7:00 AM to 8:00 PM. The school, which opened in December, consists of eight rooms and has many modern facilities, among which are an up-to-date science laboratory and a complete modern library.

Heroine born on Coal Branch

Mrs. John McEvoy of whom District people are proud this week is a healthy, happy and successful daughter. She is the former Miss Heather of Coal Branch and is the daughter of the late Mr. John and Mrs. McEvoy of the Branch. The late husband, George, who is an Edson man, has two children of his own. A son, Mr. John, and a daughter, Mrs. (Mrs. McEvoy) who is also an Edson woman.

Lucky winner at city bingo

An Edson District resident, George Brown, was the lucky winner in Wednesday's bingo game at the Edson District. The game was held at the Edson District and was won by George Brown.

MRS. GORDON McEVY who figured prominently in the drama that took place in Hinton Friday evening when her quick thinking saved the life of

his year old Brian Killbreath as he was being chewed by a starving young cougar.

—Hinton Herald Photo.

Community proud of Hinton mother

A feeling of pride in a district woman who saved the life of six year old Brian Killbreath at Hinton last Friday evening, has been mixed with the shock of realization that a starving animal would venture into the fringes of a fair sized residential area.

AS I SEE IT

By PASTOR HENRI
I have just been reading
the account of the trial of
the man who was charged
with the murder of a woman
and her child. The man was
found guilty and sentenced
to the gallows. The woman
was found guilty and
sentenced to the same fate.
The child was found guilty
and sentenced to the same
fate. The man was found
guilty and sentenced to the
same fate. The woman was
found guilty and sentenced
to the same fate. The child
was found guilty and
sentenced to the same fate.

THROUGH THE Study Window

By Rev. C. C. Armstrong
Someone once observed
that the only undesirable
thing in life is to grow older
and stay in the same place.
The only undesirable thing
in life is to grow older and
stay in the same place.
The only undesirable thing
in life is to grow older and
stay in the same place.

YES! FERTILIZERS CAN HELP DRY WEATHER

The experience of many farmers proves the use
of fertilizer to be profitable even under
adverse, dry conditions. These farmers are
convinced it is in their planning the seed, it
is worth using fertilizer.
Research on the Prairies shows crops grown
on fertilized soils give bigger yields per inch
of moisture than on similar soils not receiving
fertilizer. For example, it has been shown a
bushel of grain grown on fertilized soil requires
less moisture (about 5% as much) than a
bushel grown on unfertilized land.
Plan to make the most of every inch of available
moisture in 1951. Apply the right rate and type
of high analysis, readily soluble Elephant Brand
fertilizer.

Honor guest prior to trip

A crowd of friends gathered at the home of Mrs. Allan Brown to bid him farewell to Miss Anne Carlson on Wednesday March 14.

Miss Carlson has left on a trip to Germany and other parts of Europe.

A delicious lunch was served by the hostess and several other visitors were a pleasant trip.

After her work was finished, Mrs. Brown was working at her sewing machine.

Oneway Elks newspaper binge to start

Bingo To Start
Newspaper bingo plays are being offered another chance to win a car for \$25 cash. This bingo is sponsored by the Onway Film Lady 400 and will commence around April 1.

MISS BERTHA FAIRHOLM HAS THE HONOR of placing the crown on the Teen Queen candidate Miss Carol Strubberg who was crowned Queen last Friday evening at the Edison High School. Bruce Mahon was chosen most popular teenager.

The option on block 68 for the 100-acre surrounding property is to expire on July 31 this year while the option for the residential lots expires Sept. 30 this fall.

P. event were Mayor W. B. Brumley, Commissioners J. E. Kesterson, J. C. Kesterson, J. C. Meade, F. Reese, and J. Scott.

With due notice having been given as provided by Section 10-1-1 of the Iowa Code, the Village Act of special tract assessor under City laws No. 918, 920, 940, 941 and 942 was held for a public hearing appeals. No appeals were entered.

Council granted the approval of the ordinance proposed by Patkinson Insurance Agency Ltd. as premiums in Commerce Hotel on filing proper and satisfactory evidence.

The Clerk, Gordon Coe, presented Auditors for the Town of Edison for the year 1919.

As provided by Section 71 of the Town and Village Act, the Board of Commissioners was requested to appoint an auditor and to carry on

[illegible]

Four other prizes will also be given for St. George's Cross, St. Andrew's Cross, Outside Square and Hammer (no numbers marked after the first sixteen called).

Numbers will be called every Saturday at One-way for a chance of a winner call R207 or 381 One-way.

Cards may be obtained from the Edmon Leader office in Edison, Alex Laffeur, Room 12 One-way or A Wood, Carrol Numbers will be posted in the Leader every week.

MISS BERTHA FAIRHOLM HAS THE HONOR of placing the crown on the Teen Queen candidate Miss Carol Strubberg who was crowned Queen last Friday evening at the Edison High School. Bruce Mahon was chosen most popular teenager.

Sees Progress for Edson

W. H. Brunelle, owner of Bud's Supermarket, arrived in Edson in July of 1954 and purchased Guffy's Food Store located in the building later known as the Candy Store.

One year later Bud's Supermarket moved to their present location at the intersection of the 11 & 12 Street. At the time, the new Edson Shopping Centre was a small, shabby affair with a small, shabby store for the use of the supermarket.

As well as progressing with the business enterprise, Mr. Brunelle has made time available to assist in community affairs in a constructive way.

In 1958 when the Lions Club of Edson was formed, Bud was elected Charter President, a position he held for a second term.

Taking an active part in City Affairs as well as serving on the Town Council prior to being elected to the office of Mayor, Mr. Brunelle is now in his second year as Mayor and has witnessed great strides of progress for the Town during this time.

One of the highlights of his career has been the development of the Edson Shopping Centre, of which he was President for two years and the attention it has brought to Edson in the form of favorable public relations and the new Canadian dignitaries who have visited Edson and normally would have never heard of our fair town.

The 50th Anniversary Year of Edson, 1963, proved to be a year full of activities for our member our citizens, with the numerous functions that required his presence. You grew still marches on and the parade for Edson and District through the eyes of our Map or look very representative for the people of Edson.

Building Program Proposed for 1963

During the last few weeks we have taken steps to secure desirable property directly West of the Ordener building extending to the far end of the block on the proposed site for a new large modern Super Market. The present buildings will be removed as soon as conveniently possible and the area will be used for parking until we build.

The success that we have enjoyed in Edson points up this necessity for greatly expanded facilities to accommodate the large sales volume potential that this area contains.

The proposed site covers some 42,000 square feet and will easily handle a Super Market of approximately double our present size, leaving room for extra stores if required plus parking for 125 cars.

The entire program will be in the planning stages for the next 12 months, so that all details can be worked out and co-ordinated to fit a proper long range development.

This new store expansion will use the bringing to Edson of a completely new and modern Super Market with a sales potential of approximately 2 million dollars per year.

We are basing our expansion upon the consumer acceptance of the policies that are now in force. Our policy is one of consumer satisfaction based upon quality, cleanliness, courtesy

and correct every day low prices in direct competition with city Super Markets, plus our continued display of weekly extra specials. The day is long gone since the consumer felt that it was profitable to go to the city to shop; this is no longer a fact. City prices are in effect now.

The new store will feature expanded facilities for double our fresh fruit and vegetable display; greatly increased frozen food capacity; a large increase in our meat department, fresh and frozen meat display areas. We shall be carrying at least double our present stock of regular grocery items properly displayed on new steel shelving.

A special feature of the store will be a section set up to display fresh pastries and bulk confectionery items. We shall also feature "Discount Row" where you can buy some goods of any item we handle at a rock bottom Discount price — for cash only.

It is my firm intention contrary to the modern trend that this store shall stay mainly with the business of supplying Groceries, Meat and Produce and have the handling of hardware, dry goods, garage items and specialized drug store commodities.

This shall truly be an independent operation by one of the last really independent store operators left in this extremely competitive field.

Expanding With The Growth of Edson

This picture was taken when snow was on the ground but will be the site for Edson's future food shopping centre, catering to home and industrial needs.

Kim Kapers packs 'em into school auditorium

Those taking part were obviously enjoying themselves, and had obviously enjoyed practicing for it as the audience who filled the High School Auditorium for the three night run last week of Kim Kapers of '62 enjoyed the locally written and produced skits too.

Written and directed and acted in by Klemm, that singing, dancing, clown and actor, skits, slapstick satire and improvisation proved this type of act evening is appreciated.

The musical side of the show was directed by Dr. Peter Cohen of Edson's choral group with Mrs. G. MacLean, Miss Frances Ciderelli and Mrs. R. R. Cohen as the pianists backed by the semi-professional companies of members of the Edson Band.

A total of over twenty acts present day TV shows with last two acts before intermission a hearing 'warming' man with Doreen Murray and Cheryl Worthing doing a dance routine, and the final act being a hearing scene with Mrs. Elaine Griffin acting as an audience member. The scene involved some singing and ended the TV portion of the show.

The children who had been very anxious to see the "Edson show" had their hearts not only for long as the audience of about 100 and that ended that series of the children.

The Edson Band, a very planning act and talented band again last year.

Edson's laughter, Frodo, the Great Fred Elmer gave his usual fine performance, especially enjoyed by the many newcomers to Edson.

Dr. Brown and Dr. Elmer, who was very well acted out by Mrs. M. Kucharski and Marshall Worthing, who is her old John and Harb.

Dr. Brown and Dr. Elmer, who was very well acted out by Mrs. M. Kucharski and Marshall Worthing, who is her old John and Harb.

One of the highlights of the evening was the Edson show and number that didn't come back. A real crowd pleaser.

Week's Weather
As reported by the Edson weekly office:

Day	High	Low
April 5	55	24
6	54	22
7	54	28
8	54	27
9	54	27
10	54	28
11	54	27

Not over his two weeks very much talent in the form of Horner and J. Horner, who really got everyone into the swing of things and added much to the enjoyment of the evening.

Mrs. Thomas Lambeth who played the part of Lane Frost, and Larne Keweenaw, the Edson school's representative to the request and covered the leading roles very well.

The Edson school group and their thanks to all the Edson who helped make the show such fun for all.

At intermission the Edson school group, which was very well acted out by Mrs. M. Kucharski and Marshall Worthing, who is her old John and Harb.

THE BEST VALUES IN TOWN ARE HERE

Sisters New Presidents of UCW organizations

When Mrs. James Campbell of Edmonton, picked up a recent copy of the Edmonton Journal, she discovered that Mrs. Jack Pattinson is president of her daughters, one in Calgary and the other in 300-00, Alberta, had been elected presidents of United Church Women's groups.

Her mother sister was a member of the other's new position before their mother told them. Their naturally their own organizations all 3 these women.

The sisters were not able to get together to discuss their common interest until this week when Mrs. Jack Pattinson arrived from Edmonton to exchange ideas with her Calgary sister, Mrs. Douglas Pannham.

"I've met a number who've got it," they agreed, "but although their own organizations are not down in the constitution, they must be accepted by the church before they can be official."

For example, church work is not a part of the church's official work, but it is a part of the church's life. The church is not a social club, but a place where people can find a home and a place to belong.

At breakfast the men of the house were on the defensive. "We can't be in the office," they said, "we can't be in the office, we can't be in the office."

"We can't be in the office," they said, "we can't be in the office, we can't be in the office."

"We can't be in the office," they said, "we can't be in the office, we can't be in the office."

The Homemaker Rec Board to survey town's ball diamonds

The recent trend of many playing fields in town was discussed by the recreation and cultural activities board at their April meeting and it was decided to survey local diamonds.

Members, Mrs. James Campbell, Mrs. Douglas Pannham, Mrs. Howard Walker, and Mrs. Howard Walker, were present at the meeting.

The purpose of the survey was to determine the condition of the diamonds and to see if any improvements could be made.

Recommendations of the committee of two have been submitted to the town council for consideration. Detailed recommendations of the committee of two have been submitted to the town council for consideration.

Robb News

Mr. and Mrs. C. Colner have sold their home and moved to Edmonton.

Congratulations to Mr. and Mrs. Martin Haglin on the birth of a baby boy 8 lbs. 10 oz. a grand brother for Debbie.

Mr. and Mrs. E. Carle and son have very kind visitors recently.

Mr. Ray Trumble is in the hospital with a serious injury. Speedy recovery.

Several people (strangers) looking for jobs to move houses on to, Linda the Robb called. "Come over" for the public food Community Club are having a special meeting.

April 24 at 8 p.m. The program of the meeting for the selection of a president is Mr. Charles Tomblin.

Recent donor was fairly well attended (mostly from other parts). The Commune is right in definitely and here can be seen.

The Price Show for the kids is on April 24. "Owlman" is the name of the show.

The Ottawa Orchestra from Ottawa is to supply music for the April 27 dance in Robb Community Hall.

Mr. and Mrs. V. Rattan and Rita Rattan returned to Edmonton on Sunday night.

Mr. Rattan who is "Tyrion" to organize a "Cine City" for the young people of Robb is also a lack of interest in some who started drama.

Some sort of a shame when someone does it to help our young people that there is such a lack of cooperation.

We have been told Mrs. Frank Hill is on the diet list and all wish her a speedy recovery.

Mr. Ken Deane is well.

Baron and Baron of the Oak Branch spent Saturday afternoon in Robb at the home of Mr. and Mrs. L. Charleston.

Mrs. Colner (Carle) paid telephone and telephone bills for her late son who is still in a hospital. Destination unknown.

Mrs. V. Rattan has also been on the diet list but seems much improved and should soon be able to carry out her plans for a Beauty Parlor.

The people of W. G. Wade were Lumber Co. seem completed for another season.

Mrs. Marjorie of Oakley was visiting on Mrs. E. Haglin and week. Longtime to see.

Miss Shirley Varnish is home for a well deserved holiday. She also is to see Mrs. Shirley.

Visiting at the E. Haglin home last week were Mr. and Mrs. V. Davidson of Regina, Sask. and Mr. J. Brown of Regina, Alberta.

Mrs. Peter Paulson is in the hospital since Mrs. Paulson was to go to the hospital.

Mr. and Mrs. V. Rattan and Rita Rattan returned to Edmonton on Sunday night.

Agricultural Society enthusiasts meet again

A meeting of the E. D. L. is a day in the Capital City of the United Kingdom's Capital Thursday, April 19th with a fair crowd of interested persons.

Walter (Ott) Martin chaired the meeting and spoke of the advantages of an Agricultural Society and Light House Club.

Slips spoke of the advantages of the youth of Robb and District in forming a club along with Senior Agriculture Club.

It was the opinion that it would give the youth an added responsibility and stimulate interest and enthusiasm.

He referred to the difference of having a youth club and having a youth club.

It was moved that letters be addressed to the Department of Agriculture asking for assistance in the youth of Robb and District.

The advantages of strength, vigor and rural life.

A meeting will be held at the Robb Hotel, Robb, on Monday, May 7 at 8 p.m. when it is expected that representatives of the various municipalities will address the meeting.

All persons interested in the future of the district and the youth of the district are requested to attend the meeting.

Beauf-Jasper road open during day

The Beauf-Jasper Highway is now open to the public from 8 a.m. to 4 p.m. daily. It was announced last week.

Control gates are located at Mile 65 north of Lethbridge and Mile 65 south of Lethbridge.

Historians travelling north or south must pass the first gate by 4:00 p.m. and the second gate by 5:30 p.m. Mr. Campbell said.

He requested motorists to use more time to carry their own and warned that there are no rest stations in the 140-kilometer stretch between Jasper and Lake Louise.

The possibility of having an Agricultural Society in Robb and District is being considered by the Robb and District Agricultural Society.

A meeting will be held at the Robb Hotel, Robb, on Monday, May 7 at 8 p.m. when it is expected that representatives of the various municipalities will address the meeting.

All persons interested in the future of the district and the youth of the district are requested to attend the meeting.

Shouldn't go by default

A spirit of apathy threatens to allow Edmonton's traditional sports day — July First — to go by default to one of our neighboring towns.

The day has always been a popular one for the whole district and has in the past drawn hundreds of people. Since the demise of the Cool Bruch and the loss of sports minded people who used to live there, the attendance has dropped, but even last year, the second day of the baseball journey drew well in spite of being rained out the first day.

There is only one reason that July First has been on the decline and that is lack of public spirited help from the community and its leaders. Leaving the promotion of the day to a mere handful of baseball players is not good enough.

We suggest a public meeting of the people who are prominent in their affairs to see what can be done to salvage the day for Edmonton and District.

Get them off

It is about eleven months ago the district was shocked by the terrible news of an accident that took the lives of three young Edmonton people. The accident involved a car and a horse that happened to be crossing the highway at night. No one claimed responsibility for the horse which was wandering on the highway at the time and while the horse may not have been altogether to blame, nonetheless the accident would not likely have happened had it not been for the horse and driver to return over a busy highway at night.

We hope the incident won't be repeated, but there is every likelihood that it will.

We wonder if the people who own these horses would admit they were liable if someone was killed or if he would feel remorse or pay for the people involved in the accident. In letting the horse run on the road is he putting potential killers in the path of every motorist who travels Highway 16.

It is about time that the Alberta Government did something about a hard law for Motor Highway at least, so that horse and cattle owners would be compelled to keep their animals within a fence instead of being allowed to run loose on one of Alberta's busiest highways.

Curiously strong

By R. E. Hawthorne

It is curious that in 1952 all of parliament in 1952 I did not know, without realizing that you might have been in the House of Commons, whether the House was ready to go on as the day after tomorrow.

There is a kind of curious strength, and a subtle strength, in the words of a man who has been in the House of Commons for a long time. He is a man who has been in the House of Commons for a long time. He is a man who has been in the House of Commons for a long time.

Edmonton's P.O. Office Department will honour their 25th anniversary on May 1, 1962, with a new green cover. The cover is being designed by the P.O. Office Department.

HUMOR COLUMN

Shouldn't go by default

The incident was due to a number of factors. It was a tragedy, but it was also a warning. We must learn from it and make sure it never happens again.

Foundation program changes

By JOHN WARREN

EDMONTON — After just more than one year the Foundation Program for education financing appears to have taken its final shape. Cabinet approval was given a new formula for distributing foundation funds to the province's school boards last week.

Principal change in the method of allocating money from the central pool for transportation costs. In very general terms it should mean slightly more help to severely handicapped areas with high school bus costs.

The overall formula of school financing for a "base standard" of education on a full-time basis per pupil (including to grade 12) of \$100.00 per year, plus a number of add-ons for special programs, school bus operation and school construction. At the same time the annual operating of the school building board, a body established during the recent legislative session to give special money to school construction.

The board's report must be given plus for any new school for which construction costs of \$10 per square foot and school building of \$100 per sq. ft. will be approved. School boards must be raised locally. School Minister A. O. Ashby explained a similar matter may lead to a more level-headed idea that approved, but it must obtain approval for any portion of a building that will be provincial funds in its construction.

The new board can act as much as it pleases and even come to school construction and the minister when the bill was introduced.

Province government minister in school board for the first time. The board will be made up of representatives of the school boards and the province government. The board will be made up of representatives of the school boards and the province government.

Events for Little Britches Rodeo

The rodeo of 25 and District are once a year showing the same rodeo scene towards the Little Britches Rodeo for last year's show.

The rodeo committee have set up the event to be a contest to start practice riding, either it be a start for the star riding event or on a horse for the barrel race.

A total of twelve events for the children are on the program with other sets added to ensure more participation in that spectators will get their money's worth.

Triumph and prize are being put up for each event and a contest will have to be held for the star riding event. The rodeo will be held at the rodeo grounds of the Little Britches Rodeo, Box 119, Edmonton, on May 12, 1962, at 8 p.m.

Entry is \$1.00 per event and the rodeo committee are in charge.

The Edson Leader
The Voice of Edson Constituency

Vol. 10 Edson, Alberta, Thursday, May 3, 1962 No.

The late James William Jacobi

Funeral services held for Edson's oldest resident

Funeral services were held on Saturday, April 21, for 105-year-old James William Earl Ray, the alleged assassin of Dr. Martin Luther King, who died on April 18.

Mr. Jarrell was born on January 11, 1897, in Virginia. After coming to Canada, he and his wife lived for several years ago with his daughter, Mrs. Laura Nease.

In an interview a few years back, Mr. Jarrell related how he watched soldiers drilling in the American Civil War. He was just a boy at the time.

The service was held from the Edison Funeral Home Chapel with Rev. I. B. Halliwell officiating with interment being made in the Glenwood Cemetery.

Mr. Darrell was predeceased by his wife in 1929 and survived by his loving family: two sons, Lee and Guy of Denver, Colorado, one daughter, Mrs. Laura Smith, of Edson; 12 grandchildren, 20 great grandchildren and 17 great great grandchildren.

Funeral Services were received from John and Dora; Mary Ann and Family; Betty Lem and Family; James and Family, Baby and Family; Marlene Gustafson, Robin Adams and Family; Daughter Laura and Granddaughter Mary and Family. The Pentecostal Assembly, Rev. I. B. Halliwell.

Hatch or despatch who wins out?

Census Taker John Maddison of the Town of Edison has just completed the annual census survey and has come up with some very interesting in-

The 1961 total was 3339 with an increase of 114, bringing the 1963 year total to 3453.

In 1953 the total was 2346 which over the period of nine years has shown an increase of 47 per cent. According to statistics this is in line average increase for a Canadian town of similar size and points to continued growth and prosperity.

BILL WARWARUK BECOMES A NEW MEMBER of the Turtle Club, after a close call with death and to be saved by a hard hat. Jim Mewnam presents the new hat, pin and certificate on behalf of the Department of Highways in conjunction with the Work-

men's Compensation Board. While piling cutvert with a dragline, the balance weight swung loose striking Bill on the head. He suffered no ill effects.

Plan re-cap surfacing both sides of Edson

The Hon. Norman Willmore is pleased to announce government plans for new surfacing contracts on Highway 16 in the vicinity of Edson during 1953.

A plant-mix re-cap surface will be applied to Highway 16 on 12.53 miles of road from just west of Highway 33

for tenders will appear in the Alberta daily press on or about May 14, tenders will be opened May 24.

**Junior Auxiliary
festival planned**

for Saturday
The Edison JA's are holding a rally in Edison on Saturday May 3 when they will act as hostesses to three other district groups that include Jasper, Dryden Valley and On-

A big day will start with a church service at 11 a.m., followed by a banner parade with lunch being served in the Parish Hall for the girls and their leaders at noon.

A festive program is planned for the afternoon with Mrs. E. Moir, JA leader of Vimonten as guest.

PAST GOVERNOR OF DISTRICT, Thomas Steele was

The Edman leaders for this young group are Mrs. Dorothy Kendall and Mrs. Terry Brown.

Northwestern ball league set to go

A very active community was set up last Sunday, April 19, to get the 1982 Northwest Area Baseball League into action again. Representatives from the various ball centres in the district were in attendance.

The team schedule is being set up to include Jasper Post-

The schedule is planned to run from May 21 until Aug.

Any. Anyone who is interested in playing baseball in Edison this season is asked to contact Leo Dumspey or turn out for practice on Saturday, Sunday and Monday (weather permitting).

Elks sponsoring

Sunday show
Eden Lodge B.P.O. Elks are sponsoring a Sunday show in the Nova Theatre Sunday, May 6, at 9 p.m. in aid of the Cumberland County Board.

The well known picture "Miracle on the Hill" is the entertainment fare. A silver collection will be made.

Jasper-Edson Returning officer a busy man

Mr. Chris Nielsen of Peers, who is the Returned Officer for the Jasper-Edson Constituency has been a busy man in the past several months in preparation for an election.

With the Jasper-Edson area being one of the largest in Canada, the duties of the Returning Officer are not limited to only a short period prior to an election but continue between elections.

The Jasper-Edson area reaches from Spruce Grove to Jasper on the east and west boundaries and from Drayton Valley to Chisholm on the north and south, which have to be covered on several oc-

ed to attend to see the activities these busy young ladies take part in such as their fall bazaar and the adoption program they have set up.

The well known picture "Miracle on the Hill" is an entertainment fare. A collection will be made.

PAST GOVERNOR OF DISTRICT, Thomas Steele was the guest speaker at the Optimist Anniversary evening held in Edison on Friday, April 27.

EDITORIAL PAGE

Election policy

In the coming election campaign this newspaper, as it has in past elections, offers its new columns to all parties for legitimate news of all kinds. This editorial column is the only place that an opinion is attributed to what this editor thinks will appear.

News of election activities will be treated on their merits as news of interest to our readers. Invariably in every election some parties make more news than their competitors. Our news columns will reflect this activity but it will not mean that in the news news we are favouring one party or the other.

We have limited staff and we would ask all party organizations to appoint a press officer who will see that we get stories of interest pertaining to election activities in this area. We will not be able to attend in person more than the bigger rallies where important speakers are present.

It is essential, in our view, that the people of this district know the issues and the alternatives. We will do our best to present them in an unbiased manner as a good newspaper should. We also firmly believe that every citizen should have an opinion in a democracy such as ours. This editor has an opinion and as the weeks roll on we will be expressing it.

Our editorial opinion is our own. We have formed it through many years of watching the action of our political office holders. We don't believe that our political office holders are any better than the rest of us. It is one that has been honestly arrived at after careful consideration. This we promise — our opinion will stay right where it belongs — on the editorial page of this newspaper.

Satisfaction Guaranteed

A ten-year-old newbaby who until recently delivered morning papers in a big city has, to his customers' deep regret, given over his route to a much less efficient young man of eleven.

Number-one boy, hearing, told one of his erstwhile customers the other week that he had certainly enjoyed his job, but it was not a lot of nice people. Number-two boy, who actually heard the paper where it can be expected to blow away into the street, told us that he is not interested in the paper, is likely to be in his career as a purveyor of peddle, (all at sundry) that the people on his route were a pretty grumpy lot.

There may be a lesson here for the editors.

Letters to the Editor

Dear Sir,
In response to the advertisement in your issue of May 1, I feel this is the best way to express my views.

Until such a time as the editorial page becomes available, I feel that this is the best way to express my views.

Yours truly,
J. J. Smith

Garden Graph

There are many varieties of houseplants which can be grown in the home.

Some of the most popular are the peace lily, the spider plant, and the poinsettia.

These plants are easy to care for and can be grown in a variety of containers.

They are also very attractive and can add a touch of color to any room.

If you are interested in growing houseplants, there are many books and magazines available.

These can provide you with the information you need to get started.

They can also provide you with the names of the plants and the care they need.

So if you are interested in growing houseplants, get a book or magazine today.

They will be a great help to you.

And they will be a great addition to your collection.

So get a book or magazine today.

They will be a great help to you.

Celebrate charter with Oriental theme

With the anniversary of the United Church of Canada, which was formed on May 10, 1925, the church is celebrating its 37th birthday. The celebration is being observed by a series of services, including a special service on May 10, 1962, at 8:00 p.m. in the Edson Baptist Church. The service will be held in the church's new sanctuary, which was dedicated on May 10, 1962.

David Thomas buried Tuesday

Mr. David Thomas, 70, of Edson, died on April 28. He was buried on Tuesday, May 1, at 10:00 a.m. in the Edson Baptist Church. He was survived by his wife, Mrs. Thomas, and several children.

Burial Protestant

The burial of the late Mr. David Thomas will be held on Tuesday, May 1, at 10:00 a.m. in the Edson Baptist Church. The service will be held in the church's new sanctuary, which was dedicated on May 10, 1962.

Sundays show

The Sundays show will be held on Sunday, May 6, at 8:00 p.m. in the Edson Baptist Church. The show will feature a variety of musical numbers and a special service.

AS I SEE IT

As a Christian, which means you are a follower of Jesus Christ, you are a member of the church. The church is a community of people who share a common faith and a common purpose. The church is a place where we can find comfort, support, and guidance in our lives.

WC Women need clothing for overseas

The Women's Christian and Temperance Union (W.C.T.U.) is seeking donations of clothing for women in need overseas. The clothing is needed for women who are working in foreign countries and who do not have access to adequate clothing. The W.C.T.U. is a non-profit organization that is dedicated to the promotion of Christian values and the improvement of the lives of women.

JUDGMENT OF DISTANCE was a prime factor in the Car Roadside as it shows where the driver had to drive up to 70 mph and then stop with the car bumper over the marked line.

A total of 53 drivers took part in this driving competition that was supervised by the Safety Branch of the Department of Highways.

Grass alone at 10 lbs. per 1000 square feet.
(1) Study location, Cree, 1000 square feet.
(2) Study location, Cree, 1000 square feet.

From this close to lawn while others do their utmost to get out of their past where desire is desired and at the same time.

For this reason to establish a quick turf that addition of Red Top seed often serves a useful purpose. This species has the ability to germinate and establish a cover over. It is short lived when sown at lawn building, there is a mixture it is soon replaced by other species.

Kentucky Blue Grass is a widely adapted and valuable lawn species. It is a hardy aggressive grass that spreads by underground rhizomes and produces a fairly dense, well textured, long wearing turf. This grass takes three to five weeks from time of seeding to emergence and requires close attention during its establishment period.

While it grows slowly and may turn brown during hot dry periods, permanent damage is not met.

Marion Blue Grass is more aggressive, has a darker green color, a heavier growth habit and denser root system than common Kentucky Blue Grass. It is tolerant lower mowed and has more drought resistant than its weakness are coarse texture, high fertility requirements, close mowing and susceptibility to rot.

Crescent Blue Grass with a dense dark green very fine dense turf. This species does not spread as readily as Kentucky or Marion Blue. During hot dry periods it may become very hard to cut.

Grass seed grass develop on an extremely tight spongy spongy resistance to drought. This species is a turf that is useful where artificial watering is not practical.

A new grass called Broomrape Blue Grass is available for use where heavy watering is not practical in school yards and play grounds.

Ladies' Day on golf course every week

A very successful meeting was held Sunday afternoon when the ladies members of the Edson Golf Club met to discuss their interests in golf. It was decided to have Tuesday of each week on ladies' day, and in order to have as many as possible invited to the club, 150 p.m. was the time set for the ladies' day. Any one may golf at any time suitable to them. Ladies' day was held Sunday afternoon.

For this reason to establish a quick turf that addition of Red Top seed often serves a useful purpose. This species has the ability to germinate and establish a cover over. It is short lived when sown at lawn building, there is a mixture it is soon replaced by other species.

Kentucky Blue Grass is a widely adapted and valuable lawn species. It is a hardy aggressive grass that spreads by underground rhizomes and produces a fairly dense, well textured, long wearing turf. This grass takes three to five weeks from time of seeding to emergence and requires close attention during its establishment period.

While it grows slowly and may turn brown during hot dry periods, permanent damage is not met.

Marion Blue Grass is more aggressive, has a darker green color, a heavier growth habit and denser root system than common Kentucky Blue Grass. It is tolerant lower mowed and has more drought resistant than its weakness are coarse texture, high fertility requirements, close mowing and susceptibility to rot.

Crescent Blue Grass with a dense dark green very fine dense turf. This species does not spread as readily as Kentucky or Marion Blue. During hot dry periods it may become very hard to cut.

Grass seed grass develop on an extremely tight spongy spongy resistance to drought. This species is a turf that is useful where artificial watering is not practical.

A new grass called Broomrape Blue Grass is available for use where heavy watering is not practical in school yards and play grounds.

TOWN OF EDSON CLEAN-UP WEEK!

May 14 to 19

ALL RESIDENTS REQUESTED TO MAKE A UNITED EFFORT TO
CLEAN UP THEIR PREMISES
KINDLY CO-OPERATE WITH THE COUNCIL IN KEEPING THE
TOWN CLEAN

Observe These Health Regulations

Under By-Laws Nos. 712, 775 and 777

The above noted by-laws require that all premises within the developed area of the town be
provided with a sufficient number of water tight metal receptacles, with covers, of circular de-
sign, not greater than 18 inches in diameter and not higher than 28 inches, that will be required
to hold one week's accumulation of garbage and refuse.

Garbage shall be thoroughly drained and wrapped in paper and securely tied before being
placed in receptacles.

Receptacles shall be placed on the premises as near the lane as practicable for convenient ac-
cess to the garbage collection.

Rags, paper, and tree clippings shall be tied in bundles, and placed inside receptacles.

Ashes shall be kept separate from garbage and placed in another such receptacle or placed on
the premises as near the lane as practicable for convenient removal. (Not dumped on streets,
lawn or ditches.)

Owners or occupants of premises within Edson must keep their property, and the street in
front as well as the lane behind to the centre line of each, clean and free of garbage or such other
refuse as may be deemed a nuisance.

All premises used for occupancy that lie on lots that abut on sewer and water mains must
be connected to such mains and be equipped with necessary plumbing fixtures.

All such premises, other than lots not abutting on sewer lines shall be provided with an appro-
priate tank or shall be provided with a pit closet, on the same premises, and subject specific
regulations under By-Law No. 775.

Sewer Regulations

1. Basement drains not permitted unless basement has concrete floor equipped with standard
grating. No roof water, storm or snow to be allowed to enter sewers. Garage drains must be
constructed according to plan provided by Provincial Plumbing Department.

2. Our sewer system is strictly a sanitary system and is not designed to handle undigestible
material. It is forbidden to place cloth or cloth substitutes, vegetables and fruit peelings, saw
dust, grease, ice, leaves, paper towels, or any house refuse of such nature in the sewer line.

Peers 4-H Clothing Club Achievement Day

By Catherine Dees
The 4-H Achievement Day was held May 8 in the Peers 4-H Clothing Club. The event was held at the Peers 4-H Club, 1011 1st St. N., Peers. The club members and their families attended the event. The club members made and displayed their own clothing items. The event was a great success and the club members were very proud of their achievements.

Enthusiastic plans made for Surprise Lake Camp

Eight Edson representatives recently attended a meeting of the Surprise Lake Camp committee held in St. James Church Education. After the opening worship and the presence of the minutes of the previous meeting the following business was discussed.

Rev. J. Norbury reported a camp meeting at the Baptist Church of Pine, Ark. which he had attended. A number of other things he stressed that a special point should be made of our representatives from Surprise Lake to attend the forthcoming meeting in January. This will not only be a meeting on camping but will be the annual meeting of the Canadian Camping Council with representatives from all over Canada in attendance.

The A.C.A. is already at work and plans to make the first camping event (the Alberta has yet known) at Surprise Lake has been asked to contribute by sending a representative to this summer camp. It is hoped that Mrs. Laura Shaker will be able to attend.

Treasurer's report: Mrs. R. Petterson reported a balance of \$149.00 in the general fund and \$111.00 in the Surprise Lake Camp Committee fund. The latter fund has been asked to contribute by sending a representative to this summer camp. It is hoped that Mrs. Laura Shaker will be able to attend.

Mr. E. A. Norbury, chairman of this committee mentioned several important projects were in the offing this year. These include building a staff house, finishing cabin, completing another cabin, finishing the infirmary and new quarters and making a trailer in the new recreation building and grounds.

The lumber and material needed would cost \$340.00.

On her special day remember her with a Cash Bell's Card to show "you cared enough to send the very best." Right well... get yours now while the selection is complete.

Switzer's Rexall Drug Store
P.O. Box 1201 EDSON

might be met up to study the necessity of such facilities.

Mr. E. Norbury and Rev. J. Norbury agreed to handle the details of this discussion with the surprise camp committee. Registration forms for all the camps have been printed and are now available at all the churches from which campers generally go in the Surprise Lake area. A new venture has been decided on, on an experimental basis. This is to have high school wilderness camp on Pail Rock Hill last August. The outing will be open for experienced campers only and this year will be limited to eight campers. The fee for high school students and junior high students has been raised to \$10.00 and \$15.00 respectively.

These campers generally come from the Surprise Lake area and last time the following recommendations were approved: Fourteen leaders are to be appointed for the first year, fifteen for the second year, and fifteen for the third year. The first year leaders are to be appointed by the surprise camp committee. The second year leaders are to be appointed by the surprise camp committee. The third year leaders are to be appointed by the surprise camp committee.

After considerable discussion it was agreed that a letter be sent from the Surprise Lake Camp Committee to the surprise camp committee. The letter should be sent to the surprise camp committee. The letter should be sent to the surprise camp committee.

NDP candidate here Saturday

Mr. James E. Coffey, NDP candidate for the New Brunswick House of Assembly, will be visiting in Edson Saturday, May 19.

An invitation is extended to anyone wishing to meet Mr. Coffey to drop in at the home of Mrs. J. Coffey on Saturday morning.

The Coffey residence is located at 4117 8 Ave. East. Mr. Coffey also plans on attending the Little Britches Bunch in the afternoon.

Hats Off To Baby

All babies know they need plenty of milk to build good bones and teeth - they argue unless they DON'T get their milk.

It's the Oldsters
who too often forget that everyone needs at least

Three glasses of power milk every day

Did you remember today? - You never outgrow your need for milk.

ASSISTING IN THEIR USUAL SPONSORSHIP WAY we have the Ladies of the Hospital Auxiliary presenting a cast cutter to Sister Rembrandt for use in the hospital. Making the presentation is President Mrs. M. Morrison and Vice President Mrs. Redburn.

ON THE Police BLOTTER

A young boy of 18 months created some attention last Thursday at the police station when he couldn't find his pants. The boy was taken to the station where he was held for a short time.

The speed trap was set on 4th Avenue East. A car was caught speeding at 40 mph. The driver was fined \$10.00.

The National Employment Service was in the city to serve the public. The service is a place where you can find a job.

The work of a number of the service has been assigned until the end of the year. The service is a place where you can find a job.

Hospital Aux. meeting notes

At the May meeting of St. John's Hospital Auxiliary held at the home of Mrs. J. Coffey, it was reported that the auxiliary had a successful meeting.

The auxiliary is a place where you can find a job. The auxiliary is a place where you can find a job.

HADDOCK

The Variety Show held at the Edson High School on May 11 was a huge success. A large crowd of people attended the show.

The show was a success. The show was a success.

Council reduces mill rate to 55 for 1962

A budget meeting of Edson Council that lasted until midnight Tuesday night came up with a mill rate of 55 for a reduction of ten full mills on property taxes in Town over last year's levy of 65 mills.

One of the "equalized assessment" carried on through assessors from the government this year some properties have received a higher assessment. There should be an average reduction of will be lower while others will be higher to make the average.

Trimming here and there was necessary in strict-ly with projects that had been planned as this year's school regulation is up about 12 per cent to nearly 60 per cent of total revenue of the Town. This year's regulation, including "unapproved" expenditure under the foundation grant system amounts to \$120,843.00 against a requirement of \$88,700.00 for 1961, for a rise of \$32,143.00.

The town's business tax revenue of 17 mills against a slightly higher assessment and to \$177,000, become payable on a proportionately higher revenue.

Proportionate of the town's school regulation this year is that the Local Improvement District expended some-what of \$8,160.00 in reduced rates of \$1,177.000, become payable on a proportionately higher revenue.

Have, movement in the school division is down to 27, 1961-62 this year. A reduction of one million 700 thousand over last year. As far as not in expanding in population this year, an extra million on land taxes.

What taxes will actually be lower on the average, somewhat more than last year, but not too badly, although it will be necessary to increase enough money to fix up low-er Main Street rather than the the town current revenue is had been hoped.

It will be necessary to have the taxpayers pay this pro-portion as well as the revenue, water and sewer extension, which is scheduled for June. The more on the street extension will probably be made in early July.

THE EDSON CADET CORPS putting on a fine display for their inspection by Captain Roberts of Edmonton, who was on tour of the various Cadet Corps.

Edson Cadet Corps Command officer inspects

After a winter of drilling and polishing brass the Edson Cadet Corps held their annual inspection night for the last of the year on Tuesday evening. Captain E. O. Roberts, Command Officer of the Corps, inspected the troops on the parade ground at the High School. Captain Roberts, pointed out to parties on the line display the boys' feet and the way they stood. He then had given to the students.

Captain Roberts told the boys on the march that, must be in line, feet in line, arms in line, head in line, and so on. He then had given to the students.

To change a name for this year's contest has been set up with further particulars of the Department of Health and Welfare in the Provincial Building.

Superior Lake is located 12 miles east of Edson with its shore line running north of the town. It is a beautiful lake with a sandy beach and a small town on the shore.

and WESTERN WEEKLY SUPPLEMEN

First Section Edson, Alberta, Thursday, May 31, 1962 Vol. 10, No. 2

THIS LYNX WAS FOUND injured by Harry Wedley, three miles west of Town recently. The animal appeared to have been hit by a car and Mr. Wedley put it out of its misery. Lynx populations have increased greatly in the last two years resulting in the

Safety factor re water supply slight plebiscite meeting told

The half a handful of ratepayers who turned up Monday night for the public meeting in Legion Hall were told that a five hour power failure on electricity supplied to us from Wabumun could leave the town without water if it occurred during a period of high demand.

The meeting was to inform citizens about the money by-laws, which are scheduled for proprietary elector approval on Monday, involving the borrowing of \$166,500.00 for a large water reservoir, mains and deep well pump and a second by-law to provide storm sewers for the lower end of town costing \$14,607.00.

Council recommends the borrowing of the larger sum over a 25 year period at an annual cost of \$11,189.40. The \$14,600.00 for the storm sewer project would be for 20 years at an annual cost of \$1,247.18. Repayment can be handled with the increase in the mill rate it was suggested due to the higher assessment of the town.

Present well capacity is just above the maximum daily demand and the heavy flow in which was discovered last year. A second well in the same strata bearing formation will create an adequate margin of safety. It is proposed to carry out water treatment at the source of supply.

The proposed reservoir would have a half million gal-

to speak here

M. J. COLDWELL distinguished figures in Canadian political circles for 30 years will speak at the Legion Hall in Edson on Tuesday, June 5 at 8 p.m. Mr. Coldwell is appearing on behalf of New Democratic candidate James Cullifay.

A QUARTET OF WINNERS these four boys preparing supper at the Jasper racco grounds kitchen are all Queen Scouts. From left to right they are: Bill McInn and Wayne Mallot of Edson, Lawrence Hy-

Edson High School Graduands honored

On Thursday and Friday evenings of last week, various functions were held in honor of this year's graduating class. On Thursday evening parents and friends gathered for the annual graduation banquet, held this year in the new Edison Motor Hotel. Bruce Matheson, president of The Students' Union acted as Toastmaster.

The toast to the Queen was proposed by Mr. A. Jardine Superintendent of Schools. Principal M. I. Meade proposed the toast to the graduating class. S. van McCrae replied fittingly for the graduates.

Jim Greg proposed the toast to the staff. Mrs. Donnie Parnall replied for the teachers. The students and their guests then proceeded directly to the high school auditorium where they were joined by many other interested people for the Grand

AT HIGH SCHOOL

Following Mr. Mason's opening remarks, Mayor W. R. Brunelle brought congratulations to the graduates from the town and community. Others who congratulated the class were Mr. Jordin, Joe John Condin, Walter Daubert, Laurel Gauthier, James Gatzert, Clifford Hemmerling, Fred Johnson, Hans Klein, Bruce Mahon, William May, Frank Maurin, Susan McTear, Patricia O'Hara, Maria Vandenberg, Glad Warnekin, Shirley Woodring, Linda Yrvaldi and Michael Zenz.

The Department of Education Mr. A. W. Leonard, chairman of the Edison School Division Board, and Mr. J. F. Parsons of the local school board.

On behalf of the graduating class of '82, Linda Vaudtild and Fred Mazurka presented

The school was a beautiful painting for the new school library. The painting is by Mrs. H. Andrews.

Sole numbers were rendered by Kathy Kendall and Vaneta McCullough, accompanied by Miss F. Cisiarelli and Iris Pothel, respectively. Janet Baker

Mrs. Vivienne Jardine has asked us to express the thanks of herself and the cast of the Pageant for the considerable help extended by all in the community who helped in so many ways to get the group into the city this week.

A special word of thanks -

Finally, Mr. Bleeds introduced each member of the graduating group to the audience, giving a very brief biography of each with special reference to the number of places from which pupils have found their

way in present times in Ed-
burgh will now be en-
quiring where the town is

stad of Valemount and Doug Fleming of Hinton. The Valemount troop, although head District Council were invited to take part in the Victoria Day Commore.

EDITORIAL PAGE

Well worth hearing

Citizens of every political conviction have expressed interest in the forthcoming speaking engagement of M. J. Coldwell in Etobicoke on Tuesday next. This is as it should be. Whenever a leader of recognized ability and integrity visits a community to give his views on the current political situation, it behooves all who can do so to hear him in public assembly where he knows that he can be questioned and even heckled. He no longer has the protection of the TV screen.

We understand that liberal, conservative and social credit men of considerable stature will be coming in the following way as a later date. Their names will be known when their meetings are imminent. The names of M. J. Coldwell may not be too well known among those who are voting for the first time, but to us "old timers" he has been regularly in the news since his days on the Regina City Council in the C.P.P. and "over the counter" into existence of the C.P.P. party in Regina in 1933. Following the death of J. S. Woodsworth he became leader of the C.P.P. in the House of Commons in Ottawa.

When his party came in Ottawa, Mr. Coldwell founded it on all sides, even by those whose views he was not always in agreement with. He should be as at the time of his considering recent developments in the C.P.P. He is now the party's successor in the C.P.P. M. J. Coldwell believed to keep in the forefront of the news, doing his many years as his job.

Publisher's memo to a publisher

Our daily colleagues in Edmonton have come out and declared himself on behalf of the Liberal Party on the day the Prime Minister visited northern Alberta. While this paper is small potatoes in the huge world of publishing, what you do with "One of Canada's Great Newspapers" concerns us in the sticks very much.

Editors, and publishers, have their right to a "line" for decision and certainly it is their right to express their opinion in their own newspaper. We have in the past expressed our opinion on the suitability of candidates and their parties in our opinion, and in the past we have expressed our opinion on the suitability of candidates and their parties in our opinion, and in the past we have expressed our opinion on the suitability of candidates and their parties in our opinion.

However what concerns this small newspaper is that by openly picking a side this election you have in your own columns. Because of your size and your whole publication you are the show window for the monopoly position you are the show window for the monopoly position you are the show window for the monopoly position.

There is some difference of opinion about the line, but there is no doubt that there were about double the number of people present at the P.M.'s rally and TV station in the city.

We would say that the flame-throwing bit was adding to the news columns and this is a capital crime in any newspaper's eyes.

So don't forget that, that its integrity as a newspaper and our obligations as part of the free press in a democratic country are constantly under attack.

Colored or slanted reporting by Eastern Canadian dailies has made for a reader conference in reports of political news. We would not like to see the Western Canadian press tarred with this kind of brush.

Dear Sir:

Just a line saying that I am
in the hospital and am
unable to attend the
meeting on Tuesday next.

The other countries were
all very busy especially
last night. The weather is
not at all what it should
be.

Spending a week or so in
London would be a very
pleasant change from the
many places to see, then a
weekend leave on a week
from Devon and Cornwall.

There is nothing out of the
ordinary when we get back
from London but it is a
bit of a shock when we
find that there is no place
left.

Yours very sincerely,
John and Mary Hamilton

O CANADA!

by George Stone

See you after 18th says Premier

EDMONTON.—Premier Manning held a news conference last Wednesday, claiming statements on a variety of topics ranging from the economy to the health of the province's economy.

From now until after the federal election Mr. Manning has not only his heavy load of government business to conduct but will also have a key role in the campaign on behalf of the National Liberal Party.

The speaking engagements will take him as far east as Ontario and the last in his tour will be in the province of Alberta.

GOING OUT -for- BUSINESS

SALE

Marshall Wells
HINTON - ALBERTA

WE ARE PLEASED to announce the appointment of Marshall Wells to the post of Hinton - Alberta. Mr. Wells comes to us with 17 years experience in the hardware business, having gathered all his experience with Marshall Wells in Edmonton. We sincerely hope that with his experience we can help to bring you better service and prices to the people of Hinton and district. Mr. Wells, who is a father and two children will be moving to Hinton the end of June, to become a part of the community.

We extend an invitation to you to stop in and meet Mr. Wells. We are sure you are down town as he is happy to make the acquaintance of the people in his new "home town."

BOB ADAMS at right, son of Mr. and Mrs. Bob Adams of Edson, examines some types of bones with two classmates during a divided course of the Forestry School at Hinton. The first part of the course was held last winter with the final two weeks closed. Among the instructors at Hinton.

Harold Steves heads Home & School Assoc.

The last meeting of the year for the Home and School Association was held in the A. H. Hinton School on Wednesday. President Harold Steves presided over the meeting. After the reading of the minutes, a letter was read from Council giving permission for a part of the decorated burs to be held on Saturday. The treasurer's report showed a balance of \$11.42. The president reported that Home and School had had an active year. The major undertaking had been the investigation into the possibility of establishing a vocational school in this area. The president urged people to think twice when considering any extra expense involved in the providing of better school. Such an expense is no longer met more than an expense. Mr. G. H. Hinton thanked the Home and School for their help in the graduation banquet. Mr. H. Steves then read a letter from the Hinton school as a bridge between the family and the school and gave an outline of the recent legislation relating to the running of a kindergarten or other pre-school children's school.

At present there are three kindergartens in operation in the Hinton. However, as mentioned only one teacher is at present intended to report in the fall. Mr. Steves mentioned the possibility of some of the members setting together to form a sponsoring organization for a kindergarten. A question period followed in which two subjects were mainly discussed: 1. The benefits of kindergartens to the pre-schooler and the possibility of integrating a kindergarten into the public school system. Mr. L. Collins with a letter of appreciation from the Home and School Association for the hard work and cooperation of the members.

Final course was Mr. W. C. Kelly, Hinton, formerly head of the Fish and Game Branch in Hinton and now with the Department in Edmonton. Bob has been stationed at Brooks, Alberta, with the Forest Service, but is not for a move the 1st of July.

HATTONFORD

With the First Aiders

The First Aiders held their monthly meeting at the Hinton School on Monday. After considerable discussion it was decided to offer the group with 10 jobs. The group was divided into two teams. The first team was to be the Hinton School and the second team was to be the Hinton School.

Mr. and Mrs. Don Steves from Hinton were also present. Mr. Steves was the guest speaker and gave a talk on the importance of the Hinton School.

The meeting was held in the Hinton School on Monday. The group was divided into two teams. The first team was to be the Hinton School and the second team was to be the Hinton School.

Mr. Steves said that he had accepted the post of president of the Hinton School. He was the first person to be elected to this position in the Hinton School.

The meeting finished with refreshments. The attendance was very good. The group was very happy and enjoyed the meeting.

THE CREW OF HARD WORKING FEL which are now lighting up the 4th Avenue and various lights with the new mercury vapor lights around town.

Mr. R. Steves from Hinton, Alberta, spent a couple of days last week visiting his brother, Mr. R. Steves, and his family.

Mr. and Mrs. W. Steves and their family from Hinton were also present. Mr. Steves was the guest speaker and gave a talk on the importance of the Hinton School.

The meeting was held in the Hinton School on Monday. The group was divided into two teams. The first team was to be the Hinton School and the second team was to be the Hinton School.

Mr. Steves said that he had accepted the post of president of the Hinton School. He was the first person to be elected to this position in the Hinton School.

The meeting finished with refreshments. The attendance was very good. The group was very happy and enjoyed the meeting.

There were many more people present than at the last meeting. The group was very happy and enjoyed the meeting.

The group was very happy and enjoyed the meeting. The meeting was very successful and the group was very happy.

The group was very happy and enjoyed the meeting. The meeting was very successful and the group was very happy.

The group was very happy and enjoyed the meeting. The meeting was very successful and the group was very happy.

Is Volkswagen changing?

Have we decided to replace our familiar beetle?

Yes. And we are going to replace it with a new car.

It is 1961 around the world, Volkswagen is still being sold faster than we can make them.

Our new car features are being expanded to our production can be increased.

We are now changing our one-model policy. From now on we will have a choice of two models—our famous 1500 model and the new VW 1500.

THE NEW VW 1500 IS A BEETLE. The VW 1500 is the basic model. It has an all-around engine in the rear, of course. It has a solid platform chassis. It has overdrive wheels and box. And it is independently sprung front and rear by torsion bars. In other words, the VW 1500 has all the features which have made the VW 1200 a multi-million.

THE VW 1500 IS A BEETLE. The VW 1500 is the basic model. It has an all-around engine in the rear, of course. It has a solid platform chassis. It has overdrive wheels and box. comfort. Once you have driven the VW 1200 just once around the block, but over a longer distance you will discover that it offers a whole new standard of driving performance. It has the responsiveness and rapid handling qualities of a sports car, and yet it has the comfort and convenience of a full-size family sedan.

The Volkswagen, independent in all four gears is a pure delight to drive. It has a body recently redesigned by its many convertible manufacturers and delivered in its original state and one standard equipment and one is adjusted to 49 different positions.

THE BASIC PRICE. The VW 1500 is loaded with extra features, including heater, padded dashboard and mirrors, even for all four seats plus a comfortable extra room in the rear, and many other items for which you would expect to pay extra. But they are all standard equipment. And you can trust us to re-ly the body each year to make your VW 1500 unique.

You can also expect to find the high standard of

quality for which the VW 1200 is rightly known. After all, you don't build five million cars of one model without knowing how to do it the best way. It is this constant improvement, rather than change for its own sake, that has made Volkswagen the first largest automobile producer in the world.

HOW VOLKSWAGEN HELPS CANADA'S EXPORT TRADE. Volkswagen play a very important role in the trade relations between Canada and West Germany. Every Volkswagen sold in this country helps Canada to sell more goods to West Germany, and in this sense the additional Volkswagen would help make another contribution to the flourishing interchange between two good trading partners.

SEE THE VW 1500, AND DRIVE IT. Our 346 Volkswagen dealers, already service trained and supplied with parts for this new model long before the arrival of the first vehicle, are eager to show you the new VW 1500. If you would like to meet a car which combines sensible design, excellent roadholding and low operating cost, test-drive the VW 1500 soon.

Coldwell predicts medicare Canada-wide within 10 yrs

The medical care plan being pioneered in Saskatchewan will be in effect all across Canada within five to ten years, predicted M. J. Coldwell in the course of addressing a meeting supporting the New Democratic medicare candidate Jim Coffey, held in the Legion Hall, Edson, Tuesday, June 6.

Over a hundred turned out to hear the well known political figure from provincial politics there to come to Edson as part of his contribution to the promotion of the New Democratic Party in the current federal election campaign.

Mr. M. J. Coffey introduced the distinguished speaker and told his listeners how Mr. Coldwell had spoken on his behalf when he had been running for the provincial seat at Wainwright for the old CCF in 1947. Mr. Coffey noted from the speaker in the Encyclopedia Canadiana devoted to Mr. Coldwell.

Standard of living is the medical care plan of the province, Mr. Coldwell said. It is a standard of living which the government is trying to improve. There is no one else who has done as much for his people as Mr. Coldwell. He is the only man who has done this in Canada.

It is in this plan that the government is trying to improve the standard of living. It is a standard of living which the government is trying to improve. There is no one else who has done as much for his people as Mr. Coldwell. He is the only man who has done this in Canada.

Fashions N.E.S. — and YOU

The following article is contributed by Mr. M. H. Brown, Manager of the Hosiery Employment Office in Edson, and is presented to the public interest in the hosiery industry.

The hosiery industry is a large and important one in the West. It is a industry that is growing rapidly. It is a industry that is important to the economy. It is a industry that is important to the community. It is a industry that is important to the nation.

PUBLIC MEETING at the EDSON LEGION HALL

Monday June 11th 8 p.m.

Speakers: Honorable Douglas Harkness MINISTER OF NATIONAL DEFENCE and Dr. Hugh Horner

ALL CANADIANS WILL WIN AGAIN WITH DIFFENBAKER

Sponsored by Edson Legion and Progressive Conservative Association

Three candidates here for FUA Forum

Three candidates in the federal election June 11 appeared in Edson Monday night at the FUA open house candidate forum held at the Legion Hall. They were Jim Coffey, the New Democratic Party candidate, and Hugh Horner, the Conservative Party candidate, and a third candidate, who was not named.

Mr. Coffey, who is a well known figure in the community, spoke first. He talked about his record in the legislature and his plans for the future. He also talked about the importance of the FUA forum.

Mr. Horner, who is also a well known figure in the community, spoke next. He talked about his record in the legislature and his plans for the future. He also talked about the importance of the FUA forum.

The third candidate, who was not named, spoke last. He talked about his record in the legislature and his plans for the future. He also talked about the importance of the FUA forum.

The FUA forum was a success. It was a good opportunity for the candidates to meet with the voters and to answer their questions. It was also a good opportunity for the voters to learn more about the candidates and their plans.

The FUA forum was a success. It was a good opportunity for the candidates to meet with the voters and to answer their questions. It was also a good opportunity for the voters to learn more about the candidates and their plans.

Strong flavored words

There's a new word in the lexicon of strong flavored words. It's called "Citizenship." At least one child has been trapped for chewing a toothpick in class. There's a lot more to it than that.

**Citizenship
court here
Friday June 8**

The theme of the Citizenship Court today at 10 A.M. will be "Citizenship." The court will be presided over by a Citizen's Court member in the Edison Court room in the Edison Building, 1000 N. 1st St.

Applications for citizenship will be presented to the court at 10 A.M. and 2 P.M. Applications for Citizenship will also be received by Judge Edson at 10 A.M. and 2 P.M. on Wednesday 12 to 2 P.M.

Edison Story perfect

Continued from page 1
told you how they were greeted after the performance, how the members were from table to table shaking hands and showering congratulations, and show the infection of real friendship spread among the entire group. Few items on the Conference programme were recorded as well in establishing cordial understanding among people from 35 countries, of many races, of many tongues.

The Edison story was a perfect fit for the conference theme. The human consequences of the changing industrial environment. It left its mark and its message.

I am sure I speak for everyone in the Conference staff and members alike, in asking you to convey our heartfelt thanks and deep friendship to everyone who had a part in bringing us this memorable treat. We felt the whole town was on stage, in spirit if not in body, and that "Look Behind You, Neighbor" was an understatement in which everyone had a share. You have a grand theme song in "We're a Town" — and live it up to it.

Someone else will be sending thanks to the producer, the cost, the backstage crew, in a more formal fashion. I hope this letter will give added evidence of our appreciation.

Sincerely,
Gordon C. Garbutt
Public Relations Coordinator

Mr. and Mrs. Patten celebrate 54 years

CARROT CREEK — Mr. and Mrs. D. P. Patten of Carrot Creek, Alta., celebrated their 54th wedding anniversary on Sunday, June 10th.

Some fifteen adults and seven children were present for the celebration. The celebration was held at the home of Mr. and Mrs. Patten.

They were also entertained with some beautiful colored glass pictures shown by one of the visitors.

REMEMBER THE DATE - THURSDAY, JUNE 21 AT H & N STORES LTD.

NEW WAREHOUSE, NEXT DOOR, WEST OF KING KOIN LAUNDERETTE.

PLenty of PARKING SPACE ACROSS THE LANE FROM THE WAREHOUSE IN BUD'S PARKING LOT.

Three Great Selling Days - Thurs. June 21 till Sat. 23

ACTION! EXPORTS MEAN JOBS

World shipping has to queue up these days to load Canadian wheat, a result of the action policies of Prime Minister Diefenbaker's government. These are facts / Aggressive export sales have made Canada top wheat seller in world markets (of which Canada now holds 35%). / Wheat surplus has been reduced 42%. / Cash advances available for farm-stored grain. / Unharvested grain assistance . . . ought relief . . . crop insurance . . . all introduced. Proof of great strides forward by the ACTION GOVERNMENT of Prime Minister Diefenbaker.

Parkland Lodge

The family here tonight and happy over more and all, we had a very pleasant evening. The Ladies of the O.E.P. came over and a pleasant evening was spent in playing bridge. Mrs. J. J. played the piano and we had a very nice time. Mrs. J. J. played the piano and we had a very nice time.

Mr. and Mrs. John Givens attended a lawn concert on the memory of Mr. Frank B. Mason and it was really enjoyed by those who participated in the game and it goes there out in the open air.

We now have a lovely garden with including an unweeded lot and table with a few chairs and we still need a few more chairs and a couple of benches.

Mr. Sparks is back with us again after a journey to St. John's Hospital and getting stronger every day.

Mrs. J. Blackman is away for a holiday and we will miss her very much and hope that she has a good time.

Visitors are always welcome anytime, no matter how late.

HATTONFORD

The June meeting of the

W. I. was held at the home of Mrs. H. H. H. on June 10. Five members were present. Plans to hold a picnic on July 14 were discussed and a general meeting of the W. I. and Community Club to be held on June 18 at 8 p.m. in the hall to make final arrangements. There will be a bake sale at the time.

GOOD PROTECTION on any farm

The scarecrow may be more symbolic than effective, but there is never any doubt about the effectiveness of Esso Motor Oils.

(Whether you're using a regular or high compression gasoline engine or a diesel unit, Imperial has the right motor oil for you. Marvelube, Esolube, Marvelube, or Mobilube, each is designed to meet specific requirements. Your engine will run smoother and more efficiently and there's less wear and tear with Esso Motor Oils.

Why don't you see your Imperial Esso Agent, he'll be glad to help you select the motor oil that's just right for you.

Out-of-town guests at Auxiliary banquet

A potluck supper held June 10 in the basement of St. Mary's Church was a enjoyable affair in the FOR

Planning - serving After a delicious supper prepared by Mrs. Jack Kierstead, the ladies of the St. Mary's Church Auxiliary met in the gymnasium in the basement of the church.

Following the meal, Mrs. Kierstead gave a performance of the children's program in the gymnasium. The children, who were dressed in their best, sang and danced to the accompaniment of Mrs. Kierstead's piano.

After the meal, the women of the church gave a presentation of the children's program. The children, who were dressed in their best, sang and danced to the accompaniment of Mrs. Kierstead's piano.

Reports on activities and fund raising projects were submitted on by the four auxiliaries from which most of the guests came.

Who May Vote

Every person named on the voters' list may vote, unless he refuses to exercise his right at any ward party meeting.

The general rule subject to a few exceptions is that every person is entitled to be on the voters' list who satisfies these conditions:

1. He is ordinarily resident in the polling division on the date the election will be held.

2. He is 21 years of age or over before election day.

3. He is a Canadian citizen or a British subject. The latter term, however, has been restricted to residents in Canada for 12 months immediately before election day.

Anyone wishing transportation to and from the polls on Election Day may apply to the polling division on the date the election will be held.

HUMOR COLUMN

It was a hot afternoon at the ball park. An enormous fellow stood over the plate and an equally large catcher stood behind him. The crowd was one and one.

The umpire, smiling, watched the pitcher wind up. He had the pitch ready across the plate.

"Two what?" started the catcher, making his mark in the umpire's face.

"Yeah, two what?" growled the batter, raising his bat.

The umpire looked from one base to the other.

"Two close to better" he said.

"I shouldn't be offering you wine, should I?" the housewife said to a male guest. "They're all the same here."

"Oh, no, I'm here of the Anti-Vice League."

"Well, I have been wanting something I shouldn't offer you."

The Edson Leader

The Voice of Edson Community

First Section and WESTERN WEEKLY SUPPLEMENT
Edson, Alberta, Thursday June 21, 1945 Vol. 10, No. 25

PRODUCT OF THE COUNTRY would be the description of the striking new building being erected by volunteer workers headed by the Rev. L. Hall, on the Protestant Church corner on the Highway and 31st Street. The present legs manufactured by Erith The Co. at the Coal Branch have been at-

tracting much comment. The two cylindrical pillars at the front entrance are pieces of 32 inch pipe salvaged from the recent explosion north of Edson. The steel pipe will be sand blasted and painted a corresponding color to add to the beauty of the building.

Interest being shown in July First sports

Baseball prizes totalling \$200 plus the Edson Motor Hotel Trophy and men's football prizes to the tune of \$100 are drawing entries this week as plans for the big two day sports fall into shape. The sports to be held sponsored for the 25th year by the Edson Amateur Athletic Association initiated by the Klondike Club of Edson.

Ladies tennis will also be competing for prizes donated by the Commodore hotel in addition to the attraction of the tennis games. Entry for the ladies, men's, boys, girls and a relay will provide the carnival for those who hope to enjoy the sports season.

EARLY MORNING ACTIVITY at the Edson Swimming pool is quite evident as these young swimmers get into shape for the forthcoming swim meet. The swimming pool was a venture started by the Klondike Club of Edson with this year showing possibilities of having its greatest attendance record. If you have not been swimming in this town lately, you should plan a dip with the whole family.

Jasper-Edson votes with west Monday

Dr. H. Horner 5000 ahead nearest rival

The voters of Jasper-Edson marked their "X" against the name of Dr. Horner in almost the same numbers as they had in the 1938 election.

Dr. Horner pulled 12,186 votes — 5000 more than his nearest rival Chan Yull — with 733 polls out of 235 heard from at press time.

Known in Edson dies at 102

Mrs. Louise Falow, passed away in Victoria this week in her 102nd year after leading a long and active life with many friends.

Man injured in car mishap

While proceeding into Edson on the New Lake Road, the Department of Highways failed to make the corner as turned on to his private road, crashed into the ditch on Monday night.

Dr. Hugh Horner (Conservative) 12,186
Chan Yull (Social Credit) 6,824
Jack Shagelsh (Liberal) 4,811
James Coffey (NDP) 2,182

As the returns came into the temporary office set up by Returning Officer Chris Nielsen on Main Street Edson, it was clear that Dr. Horner was again going to be successful as each poll showed a 13 to 7 bias between Dr. Horner and Chan Yull who was running second. Only a few polls showed a slight edge for Mr. Yull. As will be seen from the figures below former Liberal stronghold at Monteville and Jasper were the only polls to show any strength greater than the typical percentage.

Last election figures from all the polls gave Dr. Horner 12,423 votes, while Chan Yull received 4,005, Dale Thomson, Liberal, 3,583, and John Linn, CCF, 1,664.

Doctor Horner a Barbed physician, is the member of a political family. His brother, Jack, was successful in retaining the Alberta seat in central Alberta, and his cousin Albert held his in the Battlefords in Saskatchewan. Dr. Horner's father holds a seat in the Senate.

\$500 scholarship given Craft Centre this year

Word has been received from the Honourable A. D. The part minister in charge of the Education and Cultural Services Branch of Alberta, that a \$500 scholarship has been awarded to the Edmonton Craft Centre. It is the first time that any Craft Centre in the province has received an award of this kind.

In its 10 years of operation, the local Craft Centre has been able to provide a wide range of instruction in the various crafts. Its members are recommended for the provincial Arts and Crafts Board on the basis of display entries in the annual Alberta Crafts Council Exhibition in Edmonton. The centre is also a member of the Canadian Crafts Council.

Edson's admitted 100 members of the 1962 provincial exhibition, which will be held in the Jubilee Auditorium in Edmonton on July 10 and 11. The exhibition is one of the largest of its kind in the province.

The scholarship was awarded to a student of the local Craft Centre who has shown exceptional talent in the field of pottery. The award is given to the student who has completed the most advanced course in pottery and has shown the greatest improvement in technique.

A speciality of Imperial Research Corporation is the development of new products and services for the oil industry. The Imperial Research Corporation is a leader in the oil industry.

90% of all oil company product research in Canada is done by Imperial

At Imperial Oil's laboratories in Sarnia, Ontario, more than 200 scientists and technicians are working to improve present petroleum products and to develop new ones. Their research covers many fields, from gasoline to household detergents.

Another 130 scientists and technicians are working at Imperial's Calgary laboratories to find and produce more Canadian crude oil and natural gas. Imperial does more research than all other oil companies in Canada combined.

The Best Values in Town Are Here

Vol. 10 No. 34

Final details for Edison's 26th annual sports day July 1st and 2nd have been completed and the success of the traditional celebration lies in the hands of the youth.

Sponsored this year, as it has been for 26 years, by the Edison Amateur Athletic Association under the chairmanship of President Lloyd Bostert, some of the old time enthusiasm seems to be coming up again. Assisting the EAA are members of the Kinsman Club of Edison and other service clubs.

The baseball starts at 2 p.m. Sunday afternoon with Hinton Hi-Brides meeting the MacKay Braves. At 4 p.m. Drayton Valley meet Jasper to complete the Sunday baseball play.

At 9 a.m. Monday morning St Joe's meet the Viking team for the first baseball game of the day, followed at 11 a.m. by the Edison Juniors taking on the winner of the Hinton-McKay game on Sunday. At one the winner of this game will go against the Drayton Valley-Jasper winner. Final game is scheduled for 5:30 p.m. at the school diamond while Henry Singers bring from Spruce Grove to kick horn with Jasper. Fire Clores at Memorial Park at 11 noon.

Opening Monday at the school grounds, Commodore Ave. will meet with the Delson Worthing winner at 9 a.m. Semi final games in the first

PASTBALL SUNDAY
Opening football action on Sunday will see Worthington transport against Deltona Trips from historic 12 noon at the school diamond while New West Aces and American Vikings tangle on the school diamond at 4 p.m.

Hinton Aces go against Deltona's Kuyk's Panthers at 2:30 p.m. The game will be played at school diamond at 11 and 1 The final game on Monday is 2 p.m. in Memorial Park

MONDAY'S BASEBALL
Monday's baseball action opens at 9 a.m. between our visiting teams St. Joe's and Viking to be followed by Sonday's first winner and Edison at 11 a.m. One p.m. will see

Final action commences at Memorial Park at 3 p.m. when some final football winners play for the \$300 first prize money which will be followed by the final baseball game for top money of \$250 and the New Edison Hotel Trophy.

In the ladies division, which is yet to be decided, there will at least be teams from Bear Lake, MacKay, Drayton

All this ball — hard, fast and soft — is woven around a big kiddies parade, rides on the grounds, games, refreshment booth and inside binges all day Monday to make Edison a smash on July 1 and 2.

The ladies parade for which prizes for various entries are being arranged will start from the Edison Theatre lot at 10 o'clock Monday morning.

Friday night preceding the big weekend, dancers will be able to enjoy the music of Cabby Haze and his orchestra at a big affair in the Legion.

MR. J. KEHLER SR. is mighty proud of this 46 inch jack fish which he caught in Pickle Lake at the weekend. Mr. Kehler says the fish put up a good fight, taking between 15 and 20 minutes to land. It was 20 inches in girth and weighed 21½ pounds. Mr. Pickle has been having trouble with people

borrowing his boat at Fiddle Lake. He says he doesn't mind other people using the boat if they put it back where they got it from. However, he isn't as young as he once was, and hates to get played out looking for his boat before he even has time to do any fishing.

Edum Leader Photo

**Post Office
hours July 2**

The Post Office will be open for regular business except for Savings Bank and Money Orders from 9 to 11 a.m. Monday, July 2.

**No Leader
Next Week**

As to our practice each summer we will be suspending operations while we take a one week holiday (whether we read it or not). This means that there will be no Leader in the first week of July.

Moreover, The Leader office will remain open with Mrs. Worton on hand to help with your stationary problems, etc. Don't forget to notify Mrs. Worton of any news items that you have and they will be in The Leader on July 12.

Our job printing department will also be staffed to take care of rush work.

Makes fast trip to Germany

Edison Volkswagen dealer left Sunday on a trip to Germany sponsored by the Volkswagen company.

Howard flew to Germany via Jet and will be touring the VW plant in Wolfsburg with other dealers from Alberta.

The tour is planned for one week.

HONORED AT LADIES NIGHT held last Friday by Edison Chamber of Commerce were Mrs. Joyce Maclean for her musical contribution to the community,

Mr. Harvey A. Switzer for his meritorious service over the years, and to Mrs. Vivienne Jardine for her successful direction of the Edison Pageant musical.

HEADTABLE OFFICIALS AND GUESTS at the 50th Anniversary banquet and social evening, to observe 50 years of existence in the Edson community by the Edson Lodge Independent Order of Oddfellows No. 75 held in the Edson Hotel two Saturday evenings ago. From left to right are D.D.G.M. Melvin Creamman and D.D. Pres. Mrs. Bertha Creamman, of Edson; Grand Wardens Mrs. V. Kahar and George Kahar of Jasper; Mrs. Hughes and Grand Master Charles Hughes of Wataskin; Past D.D.G.M. Percy Wells, who acted as MC, and Mrs. Wells; guest speaker Ernie Brown of Elroy; special guests Mrs. Brown and Mayor W. E. Brucette; and Edson Lodge's Noble Grand in its 50th year, Ray Stappard. The beautiful cake cut by Bill Davidge and Mrs. Wilson was specially made for the occasion.

Reg Gertitz captures Whitecourt golf open

Reg was accompanied by two other Edson golfers Bill Brown and Percy Wells. Bill Brown set a 9 hole tournament record with a one under par 36 and ended up with a total of 118 to edge out Percy Wells who had a 117.

The Edson golfers had nothing but praise for the Whitecourt course and especially the well cared for green.

Homemaker

The Edson Home Extension has many suggestions for the many women who are interested in the art of the homemaker.

Each District Home Extension works in a certain district — in our case, this includes St. Lawrence County.

Part of the D.H.E. time is spent in the office where they can be contacted by telephone or by calling in.

Any homemaker can request information or present problems pertaining to her home in the field of homemaker.

Nothing at all," she reported. "Good—now just don't touch the other way or you'll probably drop dead!"

It has been said that in one moment a single couple can be about 40,000 hours, and it is said that the most of this is spent in the kitchen.

Field work within her district is very important. In the kitchen, a homemaker can make a difference.

Jasper Officer Leads Fifty-two Jets in RCAF Formation

Portage to Prairie, Manitoba, 19 June, 1965. Squadron Leader Gibbs, DFC, AFC, CD, (pictured above) led fifty-two Silver Star F-33 Jets of RCAF Training Command in an outstanding display of faultless and precision formation at the Canadian National Air Show recently held in Ottawa. The formation was flown by jet instructors from RCAF Station Portage to Prairie, and Gimli, Manitoba. The formation spelled out the inspiring letters RCAF.

Pre-glacial river bed shows further promise

The pre-glacial river bed which Edson Council hope will yield all the water for the town's needs for many years to come promises to provide yet another good producing well. Council were told at their regular meeting Tuesday, July 3. This well has been drilled in the east extremity of town to complement the first producer drilled into the same formation.

To be called No. 9 the well is still only being tested but the first well, No. 8, drilled into the pre-glacial river bed which shows to follow the general course of the present Edson River with a substantial water bearing bed. It is expected No. 8 will be put into the town system shortly.

Work has started on the construction of the new half million gallon water reservoir which was approved by public vote last month. When this reservoir is completed in the town system, Edson will have a safe reserve of water for all foreseeable years. As far as the first line. The reservoir is being built on north west of town on the Grande Prairie Trail.

Present were Mayor W. H. before Council. Economic and Community. (The was advised by Council. Colin, W. P. Korman, P. to maintain a direct request. Brock, J. Smith and P. W. Ben. To derive better Association for a crop holder.

Mayor and Secretary were instructed to make transfer.

First Western Alberta Swimming League meet

The first in a series of these meets to decide the Western Alberta Swimming League Championships was held at Jasper on Saturday, July 7. The Edson swimming club (represented by Junior Swimmer 2) did very well although they trailed the other clubs on the final points. The final point total was: Jasper 34 points, Edson 22 points, and the other clubs. The fact that Edson did well was due to the lack of swimmers and not the ability of the swimmers.

- 1 Boys 11 and 12-20 m. Peter Duprey and Ted Green.
- 2 Girls 12 and 14-20 m. Peter Duprey and Ted Green.
- 3 Boys 13 and 14-20 m. Peter Duprey and Ted Green.
- 4 Boys 15 and 16-20 m. Peter Duprey and Ted Green.

for basketball. David Lethbridge. The Edson team of Wayne Stuper and Peter Duprey also did very well. They were the only team to win the 200 meter free style relay.

Next meet will be at Jasper on July 22. If you would like to take a vacation and swim, please leave your name with a contact in the pool.

Our thanks to Mrs. Green, Mrs. John McDonald, Mr. Walcott and Mr. Lethbridge for making this meet so enjoyable.

LOUIS STUPER TED GREEN PETER DUPREY WAYNE GARDING

Celebrate 50 years of marriage

Edsonians in Edson and with many and shining. A beautiful couple today was celebrated by the bride and groom of fifty years ago. Announcements of their home have with these forty and friends. A number of many of congratulations were received from outside places. A few close friends and relatives gathered at last four years prior to coming to home the previous evening to meet a very enjoyable time.

son in 1912 with her parents and family from Ontario and moved home to the Grande Prairie and from there to Edson via the old Edson and Grande Prairie Trail. They were married on July 1st 1912 at New Lake, about 12 miles west of Grande Prairie. After a short stay they spent their honeymoon trip traveling back over the old Grande Prairie Trail to Edson, where they have resided since. They have two daughters, Mrs. F. Brown of Edmononton and Mrs. R. Colquhoun of Edmonton. There are four grand children.

Flying Club Activity Keynotes District's Growth

By Bob McCulloch especially for The Leader. The days when all a pilot needed was a sword, a whip and a pair of spurs are gone for good. People who remember that they are now members of the Edson Flying Club, organized last year, in teaching flying pilots to fly. The instruction is being given by qualified men from a recognized city company — Gateway Aviation Ltd.

The club is only one of the things which show that Edson is one of the most progressive towns in western Canada. The other thing is the growth of industry. The first Edson was a stop on the line of the Canadian National Railway service to Jasper. It has progressed from a mere station to a thriving center, to a center which most visitors will remember.

The reason that visitors will remember Edson are two, the facilities which are offered and the fact that Edson has some of the finest direct routes in Western Canada. The first thing that will strike you as you enter the town is the great wide and very pleasant due to the careful preservation and planning of the town. The whole effect is to give the impression of a park — which is characteristic of the new exclusive neighborhoods in Edmononton or any other large city.

A visitor driving through the business and shopping districts (regardless of the time of the year) will be struck by the fact that Edson is a town in which it would be hard to find a more beautiful view.

The education of children is the responsibility of the Edson School Board. The first school in Edson was built in 1890. The school is now under Mr. A. A. Jordan, superintendent of schools.

The water and sewage system, built and maintained by the town, with the electric system, Calgary Power, and the gas system, Calgary Gas, are all modern and convenient.

Among the service clubs in Edson are the Kiwanis, the Optimists and the Lions.

Edson cannot be so much as be situated from Edmononton to a matter of hours. Anyone who is thinking of settling in Edson must take notice of the facilities of the town.

The education of children is the responsibility of the Edson School Board. The first school in Edson was built in 1890. The school is now under Mr. A. A. Jordan, superintendent of schools.

Sundance to Galloway to be straightened out

Gordon E. Taylor, Minister of Highways, announced this week that there would be a revision in Highway No. 16 west of Sundance Creek. The revision has been accepted for the following reasons:

1. It will reduce excavation quantities and thereby save public money.
2. It will provide improved alignment with greatly reduced curvature.
3. It will reduce the distance from Edson to Galloway by 1.04 miles.
4. It will result in a reduction of overall construction costs.
5. It is separated from the railway where construction will not be restricted.

The old alignment, besides being lengthier, had considerable curvature including a very large horizontal curve and was on a relatively unstable soil area where extensive cuts would have been involved in subgrade drainage work.

Shining Bank Rodeo dogged by bad luck

Misfortune dogged the Rodeo this year. The key man at the clinic, Mr. Art Berke was taken to Edson hospital on July 10th. There was trouble with the loud speaker which the electricians were unable to correct.

And two riders were hurt during the Rodeo — nevertheless it was a very creditable performance for such a small community.

The work is all done by community minded volunteers. All proceeds above actual expenses go to the riders as prize money.

They had 22 head of horses and 2nd Garvy Colner, 2nd Riders from Virden, Winnipeg, and Fort Assiniboine competed as well as local men.

Before the Rodeo commenced, an event which was observed in memory of Lawrence 1st Riding, 1st Grade Grand of whom passed away this past year. They were the winners of the Rodeo this year.

Winners in the event were as follows:
Saddle Bronch Riding: 1st Ben Taylor, 2nd E. Curtis of Virden, 3rd Ted Danks. Bare Back Riding: 1st Danny White, 2nd split between Keith Trevis and Lee Davis.
Steer Riding: 1st Jim Brown.

Back for some fishing

Mr. and Mrs. Jim Cole of Whitehorse were in the area this week trying to get some fishing in between rain squalls. Jim, the former manager of the Employment Office here before his transfer to the Indian Affairs Branch at Whitehorse, was looking up former fishing and hunting creeds before coming to complete his duties here.

Miss Judy Cole stayed home and Jim is now heading for Whitehorse but will be back here by the time the Cole family goes home.

Response light Edson personalities to for injured rider broadcast here July 31

A first in Radio broadcasting in Edson, will be broadcast on Tuesday, July 31, when CFBN RADIO 1040 will put into use for the broadcasting which will run from 5:30 a.m. to 7:00 p.m.

Direct interviews of Edson personalities will be made by each CFBN personality. The show, Mr. Robert, Tom, Monette and Bob, will be broadcast on Tuesday, July 31, from 5:30 a.m. to 7:00 p.m. The show will be broadcast on Tuesday, July 31, from 5:30 a.m. to 7:00 p.m. The show will be broadcast on Tuesday, July 31, from 5:30 a.m. to 7:00 p.m.

These officials are normally

CUTTING THE RIBBON TO OFFICIALLY open the newly named "Sunset Beach" developed this year by the Alberta Government on the north east shore of what has come to be known as "Seymour" lake in the Ham. Horner (left) cutting the ribbon, which is only a half mile south of Highway 16 and 11 miles east of Edson.

Week's Weather

As reported by the Edson weather office:

July 13	HI.	LO.
- 13	74	48
- 14	67	43
- 15	68	38
- 16	68	42
- 17	62	40
- 18	68	46
- 19	62	40
- 20	68	46

Highest temperature this week was 68 on June 26th. Low reading was 38 on June 13th.

EDITORIAL PAGE

Bureaucratic bullying

As a correspondent to this paper pointed out last week in the prosecution of a man for saving the life of a newly born deer "nursery" the game of fact could have used a little discretion" before laying charges.

The man in question, together with a companion noticed the newly born animal far enough onto the road one Sunday afternoon recently, that sooner or later it would be hit by a passing vehicle whose driver would not see it. The young man passed on and waited to see if the mother would reappear, and when it seemed unlikely, placed the little creature in his car.

According to what we know of the case there was no intent to break the strict law on poaching and trespassing wild animals. It was a case of natural humanitarian feelings for the helpless animal taking precedence over the letter of the law.

The interests of conservation were served by the animal being later delivered to the animal farm and there was no attempt to hide the action from the authorities. This newspaper too thinks that discretion in this case could well have been exercised.

The whole idea of conservation of our wildlife can come into a state of public ridicule if our game officers insist in always going "by the book."

WORD CHOICE

One of our correspondents has got us to thinking about word use this week. He reports that team is a bad "thesaurus" team. Our first impression was that it should be spelled "thruised" in the sense that a person gets a thrashing from another person more capable with his fists. But when a score of 20 to 1 or something in that neighborhood, then probably the team with the low score (20) lost as if it has been thrashed by a thrashing machine! So we have another descriptive word.

Is There Really Unemployment?

Any person who notices that chain store sales are quite good and that it is virtually impossible to live in odd-job man would be justified in asking the question: "Is there really any unemployment?"

There are some unemployed and there are others who are employable except that they won't take the jobs that are available. There doesn't appear to have been anyone forced by circumstances or rules of the Unemployment Insurance Commission to take a job that he or she does not like. Everyone is eating well if he has an appetite, and everyone is enjoying in his favorite pastime even if he is officially unemployed.

Exceptions to this generalization there must be. There may be a few people around who are genuinely seeking work and cannot find it. These they also feel greatly humiliated that others, maybe a wife or welfare agency, are providing them with the necessities of life. But those exceptions, in ten provinces, who may amount to thousands of people, do not alter the evident fact that the unemployment problem is not one of severe need. Perhaps it is no greater than it was before the days when government established unemployment insurance and took on the impossible task of keeping everyone satisfied, especially when there are people who like to exploit political sympathy by arising sympathy for persons who are claimed as unemployed but really aren't.

This does not alter the fact that some people are finding it difficult to make ends meet on pension or retirement allowances. These people would be people who should be helped in the usual trend in the cost of living.

HUMOR COLUMN

And because they couldn't find any more, they went on looking a very long time.

Mr. Smith said to his wife, "I'm going to the bank."

"What for?" she asked.

"To get some money," he replied.

"Why do you need money?" she asked.

"To pay the rent," he replied.

"But you have money," she said.

"Yes, but it's not mine," he replied.

"What do you mean?" she asked.

"I mean it's the bank's money," he replied.

"But you borrowed it," she said.

"Yes, but I haven't paid it back yet," he replied.

"So you owe the bank money?" she asked.

"Yes," he replied.

"Then why do you need more money?" she asked.

"To pay the rent," he replied.

"But you have money," she said.

"Yes, but it's not mine," he replied.

"What do you mean?" she asked.

"I mean it's the bank's money," he replied.

CAPTIVE REPORT

Little girl's slayer sought

By JOHN WARREN

EDMONTON — An intense search for the slayer of five-year-old Marilyn Louise Davis of Ponoka continued last week with the aid of a computer search of the principal suspect prepared by RCMP from witnesses' descriptions.

De M. M. Carter, chief provincial coroner, said the girl died from suffocation and was not sexually abused.

Her body was found July 8 about 12 miles from Ponoka where her abduction took place July 5. Police believed she was murdered by a female and were still interviewing a 20-year-old Edmonton woman last Friday in connection with the slaying.

An analysis of five abandoned through the slaying of the girl's body, indicated she had been held for three quarters of an hour after her abduction. "This was not a simple case," he said.

The following letter was obviously written by a hand working from a transcript. "The boy, I was told, was a very good boy. He was very smart. He was very kind. He was very honest. He was very brave. He was very strong. He was very fast. He was very agile. He was very intelligent. He was very curious. He was very inquisitive. He was very adventurous. He was very daring. He was very bold. He was very confident. He was very self-assured. He was very assertive. He was very dominant. He was very powerful. He was very influential. He was very respected. He was very admired. He was very loved. He was very cherished. He was very treasured. He was very valued. He was very appreciated. He was very respected. He was very admired. He was very loved. He was very cherished. He was very treasured. He was very valued. He was very appreciated."

The attorney general's department moved quickly last week in response to an appeal from the Edmonton public school board to investigate allegations of corruption and mismanagement among board members.

Deputy Minister William Stewart was named by Premier Manning to head the investigation. Mr. Manning is the province's attorney general. Earlier departmental investigations of members of the RCMP are expected to be called in to help with information and interview persons involved.

The whole corruption issue arose as a result of a special school board meeting called to discuss allegations by Mrs. Margaret Stewart that she had been paid \$100,000 for her services as a consultant.

The surprise of this press report is that the school board did not even state that every time he walked through the school doors, he was greeted by the principal. "And the reason is you."

"Well," he said, "I was in a private and I knew what they are thinking."

Two men survive crash of new plane

MONTREAL —

The crash of the Cessna 180 owned jointly by Bert Davenport and Dr. John A. Smart early last Sunday afternoon provided unwelcome excitement for a large crowd of spectators and others near the airstrip near the Fair Grounds.

The craft, the fastest of any owned by local flyers, was coming in for a landing when it struck a marker and flipped over. The two occupants, Mr. Davenport and Dr. Smart, clambered out alive and without serious injury was taken to the Fair Grounds.

Both men suffered cuts which required stitches and bruises and abrasions. The accident was attributed to the wet runway and the inadequate size of the landing area.

The plane had been put on local flyer as "the dream" of private pilots. Damage estimated at approximately \$10,000 to the plane valued at \$18,000.

The accident, the eighth plane to crash in landing since the start of the season, was the first to crash on the runway. The plane was owned by Mr. Davenport, a local pilot, and Dr. Smart, a local pilot. The plane was owned by Mr. Davenport, a local pilot, and Dr. Smart, a local pilot.

The Best Values in Town Are Here

Lamming museum getting wider recognition during Jasper exhibition

When their Lammin* decided to move his wildlife museum from Lamming Mills in Robson Valley, B.C., to Jasper this summer, there was regret among the residents of the area where he has lived for nearly twenty years. His fine collection of taxidermy skill had grown through the years and with each visit friends found more to admire.

Taxidermy has been Oscar's hobby for many years, even before he moved to Lismoring Malt from Rock Mountain House in 1943 and most of the animals he has have been obtained by him and are chiefly indigenous to the Valley and the mountains. In 1956 he was given a citation by the British Columbia government for his one-man centennial effort. It was in that year he built the fine peeling log museum building on the high banks of the Fraser River to house his collection which had outgrown the small building behind his house.

The collection has been visited each year by hundreds of people from every province and from most cities as well as from other countries. In Jasper the greater potential of visitors will make his hobby even better known and it was the urging of visitors that he should be located where more people could see the display which brought about the decision to move.

The mounted animals, heads and rugs include lynx, bear, cougar, bob cat, beaver, wolf, wolverine, sheep, goats, buffalo, deer, elk, moose, caribou, grizzly and even a rare whistling swan, a golden eagle and a rainbow trout.

One of the most admired items is a beautiful grizzly rug made from a 550 pound animal shot 14 miles east of McRae in November, 1957, by Ole Urlikhsen now of McRae Alberta. The grizzly had been a threat to the small camp where clearing was going on along the route of Highway 16 and the trophy is a fine one.

Visitors are always intrigued by the tables on which the rugs are spread. Made by Mr. Lanning, they have legs fashioned from moose and deer horns. Though space is limited, the display is made more attractive by the colorful paintings done by Glen Stanley of Lanning Mills.

As in his Lammie Mills guest register, remarks are being entered such as "Fascinating, natural, very good work very well done, worth seeing, amazing, most interesting and beautiful."

Admirers of Oscar Lamming's art will wish him every success in his move to the National Park and all hope that he and his wife will return to the Valley with all his artist friends, and that his remarkable collection will not be lost to R.C. permanently. This summer at least his hobby will give pleasure to countless visitors who will see the animals of the mountain.

OSCAR E. LAMMING whose wildlife museum is attracting considerable attention during its display in Jasper Park this season. Mr. Lanning, who has made his home in the McBride area for many years, has inspired very favorable comment from appreciative people through the years for his contribution to Canadian wild life knowledge.

STUFFED BEAR in Oscar Lamming wildlife collection looks over shoulder of two year old John Jordan of Prince Rupert.

Garden Graph

Majestic Hollyhocks

Beginning this month and continuing until frost, the hollyhocks will be displaying their colorful spikes of bloom. There are several tall and fringed blooms. Newport Pink, the Royal Horticultural Society prize winner, is a double of pure pink, six feet tall.

As shown in the accompanying Garden Graph, besides these tall growing perennials, there is a dwarf annual bellflower called *Campanula*. The plants are strongly branched, growing only four feet in height; thus they are more suitable for

Chater's regular strain is also good. Albany has semi double flowers with fringed petals. Clamer's fine hollyhocks are fully double with free to six-inch flowers.

Other good strains are Triumph Supreme, which blooms the first year. Double Begoine flowered is almost a novelty, with large, five-inch double flowers.

The flowers have various double centers surrounded by large, single petals. Hollyhocks may be made to bloom much longer than usual if their seed pods are cut off, as shown. Do this as soon as any of the flowers fade and seed pods form.

To prevent and control rust on hollyhocks spray with ferrous, sassa or captan.

THE

Thermo-engraving
(PAID LETTERING)
Lets and feels like the finest hand engraving. The letters have an elegant and individuality only the finest hand engraving can match.

Thermo-engraving PAID LETTERING
Costs about half as much as hand engraving, but does it eliminate the copper plate that makes hand engraving so expensive.

AND IT'S READY WITHIN 24 HOURS.

Of course, you can see the amazing results and the perfect economy that Thermo-engraving offers you. In fact, we have our own color catalog of examples and plates. It describes the styles of lettering. It also gives prices for 20 to 500 and 1,000 to 5,000. It also shows plate work double capital and lowercase.

Edson team improves Take Hinton meet

EDSON HEALTH UNIT

Edson's Health Unit Office
in the Civic Centre of Edson
and Hinton.

Every Friday
11 a.m. to 12 noon and 1
p.m. to 4 p.m.
Personal Chances every Wed-
nesday 2 to 4

HINTON - Health Unit Office
9:30 to 11:30 a.m. 1:30 to
2:30 p.m. First and Third
Thursday of each month.

HINTON - Athletes Valley
Hall 9:30 to 11:30 a.m.
1:30 to 3:30 p.m. Second and
Fourth Thursday of each
month.

HARLEBORO - School 3:00
to 4:00 p.m. Second Wednes-
day of each month.

EVANSGRO - School Hall
1:00 to 3:00 p.m. First and
Third Thursday.

WILLOWDALE - West End
School 1:00 to 3:00 p.m. First
and Third Thursday of each
month.

The Edson swim club show-
ed a complete reversal of form
Sunday at Hinton to take the
second Western Alberta
Bromley League Meet.
In the first meet at Jasper
the Edson Club was last be-
hind Hinton and Jasper. With
increased numbers and better
training, Edson came on in
Jasper to get points in 78
Hinton finished with 32 points.

Third and final meet on the
lake will be held at Edson
before August 12 at 1:00 p.m.
Following is a list of Edson
swimmers: Boys 11 and 12,
40 yard backstroke, Bruce
Chapman; Boys 13 and 14,
40 yard backstroke, Kevin
MacDonald; Girls 13 and 14,
40 yard backstroke, Kevin
MacDonald.

Edson swimmers finished
second in the 400 yard relay
and 16.40 yard backstroke.
Edson swimmers finished
second in the 400 yard relay
and 16.40 yard backstroke.

Greetings
Rodeo Fans
from
Burgin Bill

While attending the Edson Rodeo
on Aug. 3 and 4, why not just
stroll into our corral and rest
your dust filled eyes on some
Rodeo Range Specials.

Saunter into our patio and
relax in a Lawn Chair. Relax
and figure out the Savings in
each herd of Registered Appliances
and Pedigree Furniture.

All the bright Lamps will show
up the Genuine Rugs and
Hassocks and Pintos.
(HOW THEY GET IN - WHO
LEFT THE GATE OPEN?)

Drop into the Store with the
Stack.

LOOKING OVER THE STOCK OF HARRY VOLD'S that had been shipped to Edson from the Drayton Valley Rodeo, are find 1965 Rodeo Chairman Jim Griffiths and Mayor Brumby, past Rodeo Chairmen, sitting on the situation for Edson's big annual event being held this Friday and Saturday.

Friday. The long range forecast for the weather is favorable with isolated thunder showers and gusts of wind on the 4th. According to all aspects of the rodeo, it should be bigger and better than ever before.

The Edson Leader

The Voice of Edson Community
and WESTERN WEEKLY SUPPLEMENT

Three Sections
Edson, Alberta, Thursday, August 2, 1965

Vol. 10, No. 30

Para rescue threesome jumping here Thursday

By CHY MacCubbin
Citizens of Edson will have the opportunity of seeing the real "angle of entry" from the Royal Canadian Air Force Thursday afternoon at the Deltona Farm on Edson's North East corner about 3 p.m. weather permitting.

These "angels" are members of the Royal Canadian Air Force parachute team. Following their jump they will be escorted into town by the North Battleford Hussars. Veldt Band who are giving a

concert in the arena at 8 p.m. Although Edson may not look like the popular attraction of a "flying doctor" service, Dr. Ross is a member of the Edmonton Parachute Club. The other members of the team, first and last names, are all qualified, professional and expert in all types of jumps. They are: Flight Sgt. Dyck, Sgt. Trott and Sgt. Trott.

If the program that these jumpers do consist of the

local act of freetail jumping, the spectators will witness a show which cannot be equalled anywhere. Should conditions not be favorable for freetail jumping the "static line" jumping will be among the best in the world. The parachute drop to save volunteers in mountainous areas and take them from the mountains down to the valley because I've jumped.

Long range weather forecast promises the wonderful sunny weather we've enjoyed thus far this week. The more accurate short range forecast says scattered thunder storms. All fingers are crossed that the scattered bit will take place elsewhere as Edson's fifth annual Rodeo is ready to start.

Promising weather is forecast for Rodeo as interest snowballs

Long range weather forecast promises the wonderful sunny weather we've enjoyed thus far this week. The more accurate short range forecast says scattered thunder storms. All fingers are crossed that the scattered bit will take place elsewhere as Edson's fifth annual Rodeo is ready to start.

Interest in the big annual event has started to snowball with the big rodeo action in The Edson Leader last week starting the ball rolling, most of the day broadcast from Edson by CPBN radio on Tuesday.

First actual Rodeo event will be the big parade starting from the east end of 4th Avenue at 10:30 Friday morning. The route set map at bottom of this page. Pre-Rodeo events taking place as the edition is being printed include the para-rescue drop onto Deltona's farm on Edson's north east corner and the parade in the North Battleford Hussars. Band to a reception on First Avenue Thursday evening in a concert in the arena by this band will help get all into the festive spirit.

The Hon. E. C. Manning, Royal Canadian Air Force, will also ride at the head of the parade. He will be accompanied by the Hon. William, Edson's M.L.A. who is a member of his and provide concerts as well.

To go along with these two top-flight bands, the band of the North Battleford Hussars, a band in York Street, will be making its first appearance at the Edson Rodeo.

Following the opening at 10:30 by the Hon. E. C. Manning, the Rodeo will get under way at the Rodeo Grounds on the

Continued on page 18

Rodeo Parade Route now up Main

A hot minute announcement by the Rodeo Committee routes the big Rodeo Parade West along 4th Avenue (Highway 50) from its assembly point near the Rodeo Hotel, crosses to 6th Street, then south in 1st Avenue, West to Main and up Main Street to 4th Avenue where the Parade will disperse.

Public invited to luncheon

The Hon. E. C. Manning, Royal Canadian Air Force, will also ride at the head of the parade. He will be accompanied by the Hon. William, Edson's M.L.A. who is a member of his and provide concerts as well.

The tickets are \$1.75 per person and the luncheon will start promptly at 11:45. The committee point out as a table schedule has been arranged for the visitors.

The Hon. E. C. Manning, Royal Canadian Air Force, will also ride at the head of the parade. He will be accompanied by the Hon. William, Edson's M.L.A. who is a member of his and provide concerts as well.

The tickets are \$1.75 per person and the luncheon will start promptly at 11:45. The committee point out as a table schedule has been arranged for the visitors.

THIS IS A PICTURE OF THE FAMOUS Royal Canadian Air Force Tactical Air Command Band that will be performing for the two big days of the Edson Rodeo on Friday and Saturday. This will

be one of the highlights of the parades and also add greatly to the entertainment of the grounds during events.

LEAVING SHORTLY to make their home at Creston, B.C., Mr. and Mrs. Claude Shippy and son Vern have been guests of honor at various farewell get-togethers in the past week or so. Above, Art Ciesewski on the right, presents a gift to the Shippys on behalf of about 50 friends and neighbors who at a 'do' in the Ciesewski dance hall, the next afternoon members of the former senior group United Church W.A. have

ordered Mrs. Shippy with a tea at the home of Art Loward. Sunday afternoon four carloads of friends from Marlboro, where the Shippys lived for many years, arrived at the Shippy home loaded with some 30 delicious food to feed an army. They were enjoyed out-of-doors on the lawn, where tables were set up and where a gift was presented with best wishes for happiness in their new home.

Crowds gather to see Rodeo rain or no

The thousands who crowded Kins' streets for Kins' annual Rodeo were determined there was going to be one rain or shine. We're here, seemed to be the thought, "so let's have a time."

The decision for Jim Griffiths and his Tri-Service Committee wasn't so simple. The show had gone on Friday in intermittent rain. The crowds were willing and only shrugged when asked if they minded performing in the rain. But the committee with thousands of dollars of expenses staring them in the eye had more worries than that.

At seven-thirty Saturday morning the night's downpour had eased off a bit, but there was no sun and hot. The crowds were gathered and the Rodeo for ten thirty and even though they faced clay turned game if everyone else was. Even the traditional war-erlight between the committee members and the firemen was only an indication of what was in come.

But one of the greatest performances they were to hear from this group made up of boys and girls ranging in age from ten to sixteen.

Bandmaster Lohman chose selections to feature such of the young musicians who put on a tremendous show with a variety of novelty numbers, marches, popular selections, which included tap dancing, ballroom, modulation and more.

This is without a doubt the best value received for the price of admission ever offered in Edmonton. The Tri-Service put this show on at the low admission of 50 cents for adults and children under 12 was worth \$1.50.

It was a great inspiration for the young people of Edmonton who may have seen the wonderful, enlightening show (young musicians of North had in producing such a fine show).

The weather man on Friday morning held off the rain for the parade which was a lot of fun. The parade was held on the streets of the city and all of a high caliber, as pictures in this issue will show.

The parade took a new twist that turned out to be very favorable with its start at the end of 4th ave. and proceeding on 4th ave. and turning north for two blocks and on down Main Street. The marching down

Funeral for H. E. Selden set for Friday

Harold E. E. Selden, 67, a well known Edmonton resident and former accountant with S.A.A. Lumber Co. died here Tuesday, August 7, after a lengthy illness.

The late Mr. Selden was very active in sports and was for many years a staunch supporter of the Edmonton Athletic Association during that organization's more active years.

Selden's surviving wife, Mr. Selden is survived by two sons, serving in the RCAF, Peter, a Flying Officer at Toronto, P.E.I. and David, an LAC stationed at St. John's, N.F.S. and two daughters Mrs. J. W. (Patricia) Selden, of Edmonton, and Mrs. J. L. (Gladys) Clark of Calgary.

Funeral services will be held from Kins United Church on Friday, Aug. 10, at 2 p.m. The Rev. Mr. McMillan will officiate and interment will be made in Glenwood Cemetery.

Long time district resident passes away

Mr. Ralph (Bully) Field passed away after a lengthy illness at the age of 81 years Thursday, August 8.

Mr. Field was born in North Dakota and came to Canada in 1910. He was a resident of Edmonton for many years and had spent the past few years here at the wonderful home he built in the ownership of the Amana.

Mr. Field is survived by three brothers, Ode of Edmonton, and two sisters, Mrs. H. Lind, of Edmonton, and Mrs. H. Lind, of Edmonton. He is also survived by a daughter, Mrs. J. (Dorothy) Clark, of Edmonton, and a son, Mr. J. (Charles) Clark, of Edmonton.

Funeral services will be held at the Kins United Church, Edmonton, August 10, from 10 to 11 a.m.

PLANNING OUT THE ATTACK for the Edmonton All Star Little Leaguers who travelled to Edmonton to meet on Edmonton team in the Provincial Playoffs, we find Coach Billie Taylor and Assistant John Kirkpatrick. These men

along with a number of others worked with the boys in the four teams leagues to make the Edmonton Little League a real success for those 12 and under kids.

Doloras Bossert grand prize winner at bingo

Mrs. Doloras Bossert of 85 St. Mary's Ave. won the Grand Prize of \$1,000 at the 2nd annual Cash Bingo at the Glenwood Drive Theatre on Tuesday, August 7.

Other winners were: A. W. Dorell, \$500; Mrs. Dorell, \$250; Mrs. Dorell, \$100; Mrs. Dorell, \$50; Mrs. Dorell, \$25; Mrs. Dorell, \$10; Mrs. Dorell, \$5; Mrs. Dorell, \$2; Mrs. Dorell, \$1.

No Rodeo pic for this week

In sale of almost 1000 tickets for the 1962 Rodeo, the Edmonton Tri-Service Rodeo and Exhibition Association has set a whole bunch of Rodeo pictures in this to see our engineer-developed technical troubles up to the point where we have just had to put out a refund paper without them.

Berry took, but we'll do our damndest for next time.

Thanks Folks

We of the Tri-Service Rodeo and Exhibition Association give our heartfelt thanks to all the fine people for too numerous to list here, who aided us with cash donations and help prior to and during our 5th annual Rodeo.

A special thank you also is due the patrons of the rodeo, who braved the elements and attended the show, thus making the rodeo a partial success despite the very adverse conditions. We must apologize for the condition of the grounds, we have always been afraid of the rain to date have been unable to correct the situation. However, we promise that before another rodeo, action will be taken to make the grounds more usable rain or shine. Thanks again everyone for your splendid co-operation and help, and weather permitting we will see you again next year at a bigger and better show.

EDITORIAL PAGE

Enemy of the People

One useful by-product of the Saskatchewan doctors' strike is the fact that it has caused some Canadians to think about what is or should be meant by democracy. Those opposed to the doctors' stand have said that it is a negation of the democratic process, because the medical care plan was instituted by a government duly elected by democratic process. Examination of this argument seems to prove it un sound, for it implies that the only rights possessed by any class of people or any individual citizens are those that a government apportioned grants to them, or does not specifically forbid.

Where a government is avowedly communist or totalitarian by any other name, this theory of its rights in relation to its people is practically true, until a revolution overthrows it, but it is not democracy. It must be admitted that government of some kind is an unfortunate necessity, but the essence of democracy is the protection of the rights of minorities. The true democrat will defend the rights of minorities in their freedom, even when such freedom offends his good taste, as long as the freedom does not impair the equal rights of other minorities or majorities.

It is not only totalitarian governments that tend to encroach on the people's natural rights. There are plenty of examples of this in the history of man, with the least of modern, by governments of a non-communist or totalitarian type. For the believer in democracy, the safest attitude is to suspect all governments of being tyrants, and to support all their schemes, prove them otherwise.

Rose by any name

For the first time, the Saskatchewan farmer fell victim to things material, spending the day showing off his new hats to friends and relatives. She chose it the highway advertisement reminding motorists "Not to forget the little woman on Mother's Day."

Thus she counteracted the next line, "Delightful Father's Day arrangements."

CANADA'S WORST DISGRACE

During the last 150 years some three and one million Canadians have moved to the United States. Had this number of people remained in Canada, had children, grand children and great grand children our population would not be twenty million more than it is now. And a lot of our economic troubles would not exist.

FOR WHOM THE BELL

When you are heavily into the phone book maybe somebody you like is calling. When you are middle-aged you never to stop the damn thing ringing.

ANOTHER CHURCHILL JOKE

We Officer, a brass English comic, for a while happened to be Churchill, coincidentally. One day Oliver asked Churchill, "Why do you think we are the greatest statesmen in World War II?" "Mustn't," Churchill answered, "he had the guts to shoot his own children." — from Churchill Jokes.

THE OLD MERMAID STORY

The Toronto papers devote many pictures to tropical ocean gear. A pretty girl in a swim suit is not impressed by the latest tank strapped to her behind and other gear fastened to her before. It's all right as you can't get a girl from a submarine. This can have far-reaching biological consequences.

PIE IN THE SKY

The corker crumbles (last around in a pie) is the best one. We plan to take it to the "apple pie is a bit on the moist side."

RETIREE ASST. LOCOMOTIVE FOREMAN John Thomson stands on the front of the Edson CN roundhouse in a nostalgic inspection of the premises when word was put out that the Edson landmark was being put up for demolition today. Mr. Thomson came with the first CN men in 1910 as a machanic and has many memories of active days in Edson's big railway roundhouse.

Edson son wins drama award at Banff school

Sewer yields swim suit and other trivia

After Edsonites who attended the Town crew fishing derby the weekend of Sept. 22-23, the results will be interesting to those who take the time.

Largest items were a pair of swim trunks, what looked like a small dog, three fish bowls and a handful of steel wool.

There were no fish brought in by the derby, but they usually come from the fish of what those "fishermen" catch.

An elderly actor could only remember a few, a married actor was looking forward to returning to Banff next year when he will bring a more advanced course in drama.

School opens Tuesday, Sept 4

All grade five students will report to the same school scheduled last year. Kindergarten classes will be held in the elementary school from October to May. Parents who wish to send a child or desire more information should contact either Mrs. B. Robinson or Mrs. E. B. B. B.

SUCCESSFULLY COMPLETING THEIR PILOT training through the auspices of Edson Flying Club brings and prize from (back row l to r): Barry Schuman, Ralph Werthing, Al Werthing, Elmer Fendelman, Reinhold Engel, Alex Schuman, Ray Kishelbach, bottom row: Don Koger, Mrs. Alex George and instructor Frank Armon. Instructor Armon, who completed his instructional services through Gateway Aviation of Edmonton, was high on his praise of all students and remarked on the fact that all passed both their flying and ground examinations with "flying" colors. Missing from the class when the picture was taken were Mr. & Mrs. McEwan, Art Gierault and Alvin Giering. Photo by Grant

Jasper site of fish hatchery Park changes

Appointment of a biologist to supervise the large river fish hatchery in Jasper National Park is part of a fisheries management program being carried out by the Department of Fisheries and Wildlife. The biologist will be in charge of the hatchery, which is located in the Jasper National Park. The biologist will be in charge of the hatchery, which is located in the Jasper National Park. The biologist will be in charge of the hatchery, which is located in the Jasper National Park.

fishery technicians. Gerry Haines, in addition to his job as a fishery technician, also has to carry out fishery research in the mountain National Park. Mr. Weir's transfer and the appointment of a replacement are part of a reorganization that associates the fishery biologists with the mountain National Parks fish management program.

The new article in the Canadian Wildlife Service's journal is limited to biological aspects of fish management in the park. It is not intended to be a guide for Parks Service and will play a minor role in fish management activities.

Although the staff will be

smaller, the mountain National Parks will continue to be the centre of the fishery management program because the Parks fish hatchery and fishery laboratories are there.

FISHING ALL RIGHT

It is not a good sign that talk of poor fishing in the mountain National Park this year, says Parks Service's Mr. Donald and Mr. Weir, is full of interference with the fishery management program. It can be concluded that the fishery management is satisfactory and that the fishery management staff is not sending the unfavourable message.

A recent number of anglers in the mountain National Parks in 1990 and 1991 was the highest since the creation of the Malheur National

fish hatchery this number will increase in future years.

Although the expansion of the hatchery is not yet complete, almost one million loach are produced each summer, and the National Park Service hatchery still has a very healthy stock of young loach, as well as a waiting list for the next summer.

This year \$15,000 was spent on expansion and to date 80 percent of the fish hatchery's needs will have been met, thanks to the combined efforts of these hatcheries.

For more information, write to: Janel Waterson Lakes and Rivers National Park, 1000

The National Parks fish management program emphasizes the protection of fisheries resources and the maintenance of the parks as a source of stocking and small fishline—were placed in several lakes. The program is intended to make it possible to raise trout in certain areas.

These and remote lakes in the National Parks are still stocked with rainbow trout because of the difficulty of fish hatch to be transported to larger lakes at lower elevations. The fish are stocked with fin netting and are released in the small lakes along the

TRANS-CANADA STAMP TO BE ISSUED AUGUST 31 — The Hon. Ellen L. Fairclough, Postmaster General, today announced that the postage stamp marking the opening of the Trans-Canada Highway will be released for sale on August 31 at 10:00 a.m. on September 4th, as previously announced.

Mrs. Fairclough explained that the stamp of release has been advanced because of the change of date for the official opening of the Highway in September 2nd. The opening, in fact, will be at 10:00 a.m. on September 2nd in Glacier National Park, British Columbia, had originally been

the opening. Since post offices are closed on Labour Day, it may be the release for the stamp has been advanced.

The Postmaster General stated that in view of the short notice given for the change

[illegible]

She was never received of the death of her husband, district resident, Mrs. Eva Hertig Chapman Mrs. Chapman passed away at the age of 71 on August 22, at the home of her daughter, Mrs. Mary Alberta. She was a resident of Obed and Colesburg for many years, leaving the district in 1943.

She is survived by two daughters, Mrs. Beryl Mullen of Canmore, Alberta and Mrs. Ellen Erickson of Sunnyside, Alberta; one son, Gordon, of Edmonton, Alberta.

Funeral services were held at Obed, Alberta, on August 24, with Rev. W. H. Griffith officiating. Burial was in Maplewood Cemetery. Mrs. Alberta Price. During the past few years, Mrs. Price and Mrs. Trevor

of her husband, who was shot at the time of the shooting, signs of making herself at home.

A heart was also seen back of the Barclay sub-division the end of last week.

Everyone welcome to "official" Rogers opening

OTTAWA, The Honorable E. Bruce Fulton, Minister of Public Works and the Honorable John Edgar Healy, Minister of Northern Affairs and Northern Development, accompanied by a large group of guests, will be in Ottawa for the opening ceremony of the new Rogers Highway, which will be held at 1:30 p.m. on Thursday, September 6, 1962.

The Rogers Highway, which will be 111 miles long, will connect the Rogers River, near the town of Rogers, with the town of Rogers, near the town of Rogers. The highway will be a two-lane road, with a shoulder on each side. It will be built to a standard of 12 feet wide, with a 10-foot shoulder on each side. The highway will be built to a standard of 12 feet wide, with a 10-foot shoulder on each side. The highway will be built to a standard of 12 feet wide, with a 10-foot shoulder on each side.

FOR Planning, 10-11 a.m. Short Rural Work, 11-12 p.m. Electrical Contractors, 1-2 p.m. Appliances, 2-3 p.m.

PH. PA3-3096 — EDDON

Magistrate

Magistrate Rogers is back in court after his summer vacation. He is now sitting in the court at Rogers, near the town of Rogers.

Appearing on his first day in court, one man received a \$100.00 fine and the other a \$50.00 fine. The man who received the \$100.00 fine was under suspension, and the man who received the \$50.00 fine was under suspension.

One young lad who made himself quite well known at the court was the son of the man who received the \$100.00 fine. He was 11 years old and was charged with the same offence as his father.

One man received two months for giving liquor to minors, contributing to minors and a third charge. The first of his charges was for giving liquor to minors, and the second was for contributing to minors.

The first of his charges was for giving liquor to minors, and the second was for contributing to minors. The man who received the two months was charged with giving liquor to minors, and the man who received the two months was charged with contributing to minors.

The Highway Patrol had only one case with the limit of 100 miles per hour. The man who received the one month was charged with exceeding the limit of 100 miles per hour.

The Le Art violation was for exceeding the limit of 100 miles per hour. The man who received the one month was charged with exceeding the limit of 100 miles per hour.

Employment manager promoted to Moose Jaw

Mr. T. Y. Fraser, former manager of the Moose Jaw office of the Unemployment Insurance Commission, has been promoted to the position of regional manager of the Commission for the Moose Jaw area.

Former Edison men killed in air crash

Robert "Bob" McKee, a former member of the Edison men, was killed in an air crash near Tracy, P.E.I., on Monday, August 27, 1962. He was 35 years old and was a member of the Edison men.

Vol. 10, No. 25

TWO SISTERS WHO HADN'T SEEN each other for 30 years got together last week, and went out to their father's farm at McLeod Valley to make a tour. A moment of interest they found in their father's name plate from the top of his cash register which was Edson's first baby in 1910. Ernest Schwens ran his bakery on Fifth Avenue East where the Ken

McBryns now live. He died in 1921 at the age of 43. Sister on the left is Mrs. D. King of Las Vegas, Nevada, who is visiting her sister Mrs. M. Loring of Edson after a period of 30 years. Mrs. King was an interested visitor to the Leader office as she and her husband run a commercial printing establishment in Las Vegas.

Mackay takes own Labor Day Ball tournament

How Generous ever beat the Edson team Sunday because something of a victory when the first game of the Mackay baseball tournament over the Labor Day weekend saw the home team take the Generous boys for a cricket score of 24-1 in the final game Monday afternoon.

While the weather was not exactly ideal for baseball it was bright and clear and the games starting Sunday morning saw Edson take Generous 4-3, followed by Mackay victory in the time of 1-4 for ten innings to break a tie. Generous took Edson 4-3 and then Jasper beat the Key 4-2. Monday's opener saw Mackay take Edson 10-0. The following day Generous overcame the Mackay team 4-3 in the final game of the tournament.

Tickets on sale for ball program

Tickets are now on sale with most members at \$1.50. The program will be held at the Edson Auditorium, September 10, 11 and 12. The program is unique in its history and is a must for all members wishing to see the best of the city.

Pageant directed to now in

Attention is directed to those who entered the pageant of Edson's pageant. The records have now been received by the Art Council who will be in charge of the pageant. The records should be placed up at the Art Council as soon as possible.

Edson Band offers opportunity for fun

The Edson Band have announced their terms weekly services throughout the summer and are now planning further expansion to the "summer band."

The school music program on Wednesday and Friday evenings in the Edson school is a most interesting one. In the absence of teachers for Jack Christie, who will be absent for a couple of weeks, the band is being run by the assistant bandmaster. It is a most interesting one and the band is being run by the assistant bandmaster.

Golf Club invites local interest

The executive of the Edson Golf Club is pleased to announce that the club is now open for the season. The club is now open for the season and is a most interesting one. The club is now open for the season and is a most interesting one.

Mail change

Local residents may play the summer after registration and paying their dues. It is hoped that interested residents will take advantage of the special offer to try their hand at the game. Please advise the Editor of Edson's pageant.

League semi

Northern Saskatchewan League is scheduled for Monday, September 10, at 8:00 p.m. at the Edson school. The game will be between the Edson team and the team from the town of Jasper.

10c PER COPY

Wave of future shows with seven grade ones

After the confusion of opening day had cleared a tiny little school auditorium found that Edson schools have a wave of pupil population approaching from grade one of seven classes strong. The grade ones are split between the A. H. Dicks on the east side of town and Evergreen school on the west side.

Part of the explanation for the seven classes is that some of the children were held over from last year, probably as much as half a class full. However, there are six grade ones, five grade two classes, 4 1/2 grade fours and 5 1/2 grade fives.

Going up the grades there are four grade six classes, five grade eights and four grade nines. Enrollment is up in the high school grades proportionately.

In all Edson town schools, there are 422 teachers and 12 classes. (The half hour is a part time teacher.) All the classrooms are filled and in operation.

The first school is in operation. There are quite a number of new teachers and all parents will be looking forward to the new school year. The new school year is a most interesting one.

It is hoped to be able to move into the new classrooms in the Edson Junior high school in about a month. All the time taught in the last year in previous years.

Hospital Auxiliary leaves scholarship date open

St. John's Hospital Auxiliary will be given away the first of their fall bursaries Tuesday evening, September 11, in the Health Unit.

The application for St. John's Hospital Auxiliary scholarship was received which has been referred to the scholarship committee to be acted on.

Any student who is a member of the auxiliary and who is a resident of the town of Edson is eligible for the scholarship. The scholarship is a most interesting one.

Golf Club invites local interest

The executive of the Edson Golf Club is pleased to announce that the club is now open for the season. The club is now open for the season and is a most interesting one.

Two grade twelve lads win Hotel scholarships

Two lads, David Antoneo and Rodney Anderson, from last year's grade twelve class have been informed they qualified for a \$500.00 scholarship each for their marks in the June examination.

The awards will be presented along with other scholarships for students in Edson High School in the latter part of the week of September 19.

David's present intentions are to go to university and work toward a medical degree. Rodney's present plan is aimed toward a career in engineering.

THE HAPPY FACES OF THE MACKAY BALL TEAM
Have a good reason as they had just won the Labor Day Tournament sponsored by Mackay. From left to right: Fred Durie, Charlie Gallagher, Eddie Leitch, Ray Goffin, Andy Shand, Ben Hootney, Gerry

Trumper, Sid Delane, Robert McKay, Bob Seelbach, Wayne Mullins, Ted Dye. The team also took the trophy donated by the Majestic Hotel. This tournament has become an annual event and attracting many good teams and fans.

NDP holding Hinton nominating convention

HINTON.
A nominating convention for the provincial constituency of Hinton has been called by the New Democratic Party through former President of Jasper-Edmonton L. MacVicar and Provincial Secretary of the Party Grant Notley in a statement this week.

Renowned for Hinton on October 20 the nominating convention is part of the policy of the NDP of having candidates in every provincial riding before an election is called.

According to Mr. Notley the NDP sympathize with the proposed plan of the Alberta Rights and Justice League in giving a better deal for the people of Alberta in developing oil and natural gas in the district.

"We, members of the NDP in the province of Alberta, are proud to stand behind the oil companies on this question. . . we have made our position on this question clear. We challenge the Liberals and Conservatives to clarify their position as well."

"Another key issue," continued Mr. Notley, "is the oil. It will be a comprehensive measure plan for Alberta based upon the plan agreed on by the Saskatchewan College of Physicians and the Saskatchewan government."

GRANT NOTLEY

"The time has come," said, "to lift the face of Hinton and the accompanying financial insecurity from the people of the province."

"Saskatchewan has passed a new step forward in social legislation. We believe that Alberta should follow."

Chas Wright passes after lengthy life

Dozens of ordinary people who have brought their problems to Chas Wright, 78, fell a loss on Tuesday, September 11, when word spread that he had died following a lengthy illness and a number of operations.

Born at Port Carling on the Georgian Bay in Ontario, Mr. Wright came to his life showed an ability with figures that eventually saw him bring things straight for lumbering concerns both in Ontario and, in later years, here in Edmonton.

He came west to Edmonton, Sask., in 1911, moving to Oyen, Alberta, in 1920, and came to Edmonton in 1924. He was a well-known man in Oyen, Edmonton, a life-long member of the United Brotherhood of Carpenters and Joiners of America.

Funeral services will be held from 10:30 a.m. to 12:30 p.m. Saturday, September 12, at the Central United Church at 10th and 10th Avenue. Burial will be conducted by Edna Lodge No. 80, B. of E. of the 15th ward, there will be no flowers.

Mr. Wright was predeceased by his wife in December 1927. He is survived by his daughter, Alexander of Calgary, and another, Mrs. G. Hendry of the same city. Mrs. Jean Fleming of Oyen, Ontario, and his grandchildren.

MEMBERS OF THE EDSON HOSPITAL AUXILIARY came to the D. M. Cotton home last week to present Miss Patricia Cotton with a \$100.00 birthday from the Auxiliary in recognition of her entering the nursing profession. President Mrs. J. Morrison (centre) presents the cheque while Executive Member Mrs. W. Leggett (left) and Miss Patricia Cotton (right) stand with the group. Miss Cotton is a student at the hospital in Edmonton on Monday of this week.

Curfew can not toll Edson council told

A routine review of the Town's curfew by law for young people under sixteen given as an excuse for the weak point in our heading but it did get some serious discussion at the Council meeting on Tuesday last.

A decision was deferred to the next meeting but several angles to getting a law that would be realistic and at the same time have enough "teeth" in it to allow the police to send under 16s home, who were obviously loitering, is needed, it was felt.

In the "old days" when the round house was in full swing there was a noise of clock while that told the young people to get out the streets. There is no such noise now. As probably, there is no need for it. But the old by-law stated all children under 16 in a public place had to be home before nine o'clock. Ten o'clock is suggested as a more realistic time. Any of the details about the subject should get in with a member of the Council or the Town administration.

Present for the meeting to view a 14 unit model, glass living quarters, and that town for of the same lots. Option was granted on lots 7 to 14, Block 178, to the Kuryls in August 1932.

Other business included Mr. P. B. Hemmingsway, as stated Council on town of Mr. and Mrs. N. J. Kuryls, submitting plans of proposed hotel to be constructed on lots 1 to 6, Block 178, the North side of 4th Ave. West. Council approved of the plans as submitted with the exception of 10 feet on each lot 1 to 6 (the above), Block 178, and to Nicholas Harold and Barbara Kuryls on the basis of land sold for \$1000 per front foot, less an allowance of 80% of \$1000.00. Being the estimated cost of constructing and filling the lot for a net of \$1800.00, plus cost of service water \$1000.00, on undertaking of the Kuryls.

Plans submitted by Fairway Builders for proposed duplex were approved. Transfer of lots 14 and 15, Block 40, to Mr. Gordon Weston. Decision was submitted from 1927 most of sum of \$1000.00, 12 land and 8000.00 to cost continued on page 3

Lions District Governor making visit to Edson

The Lions Club of Edson will welcome District Governor Virgil P. Moschinsky on his official visit to their club September 12-13, 1932.

As the leader representative of Lions International in the 27th District, he is responsible for the 27 clubs in the United States which cover northern Utah's and part of northern British Columbia.

He is a member and past president of the Veverville Lions Club and has held many other positions in the club and was many outstanding appointments awarded; and now he has been named as District Governor.

He has served for District as a Zone Chairman and as Governor Council of District 27 which covers all of Alberta, Montana and a section of northern British Columbia.

In business he is a lawyer and partner in a Veverville law firm and is very active in community affairs.

The purpose of his official visit is to meet President Murray Grier and Secretary

EDSON DISTRICT IS PROVING TO BE one of the better stock raising areas in Alberta, possibly through the type of soil for growing good feed and the moderate winters. Here we see a portion of the lovely herd belonging to Mr. Henry Wasmuth of the Mountain View Farms near Edson. Mr. Wasmuth has spent many hard years of work to build his farm and stock.

One of the best examples of what can be done in the Edson district. Mr. Wasmuth has always been a great believer of what can be done in the district and looks ahead to the day when an agricultural experimental farm will be in this area. Mr. Wasmuth has, through the years, been a constant advocate of using the latest thinking in scientific land use.

The Voice of Edson Constituency
and WESTERN WEEKLY SUPPLEMENT

Two Sections Edson, Alberta, Thursday, September 20, 1962 Vol. 10, No. 37

Cow moose stops for red light then heads up Main

What may have been a delegation of one from the moose of the district in the form of a full grown cow moose came into Edson, stopped — a bit confusedly — for the red light at the corner of 4th and Main then headed up Main to about 5th Avenue before heading back into the bush.

It has been suggested that the cow moose was a delegation of one to see the Minister of Lands and Forests who was in front of the Edson Herald and Forests at the time—about 4:30 Saturday afternoon. The cow moose was seen by the hardware store, but then seemed to change its mind, and without speaking to the Hon. Norman Wilmore, headed on up Main. With the opening of the hunting season it is felt that the cow moose could easily have been a delegation from district bull moose protesting the opening of hunting.

Edbert Sparks Buried Wed

Edbert C. Sparks, 84, of Edson, died on Sunday, September 16, 1962. He is survived by three sons and one daughter, and was predeceased by his wife in 1948.

The sons are Edmond C. Sparks, Charles and Cecil of Edson and one daughter, Mrs. Jack (Mrs.) Collins of Edmonton. He is survived by two granddaughters.

Funeral services were held on Wednesday, September 19, from the Edson Funeral Home with Rev. Donald MacPherson officiating. Burial was made at the Glenwood Cemetery.

Floral tributes were made from the Edson Baptist and Family, Cecil, Mary and Gertie, Ed, Anna and Fanny, Herma and Alice Bennett and Family, Edna and Gertie of Parkland, London, Mr. and Mrs. Hans Anderson, Mrs. Helen Anderson, Mr. and Mrs. Andrew, Charles and Gertie, Mrs. Margaret and staff of Edson. Many friends were in charge of arrangements.

Overture Concerts explained at meeting

A supper meeting planned to give executive members, canvassers and interested people an opportunity to learn more about the Overture Concert Association was held in the Union United Church on Sunday evening. It was attended by 25 people from Edson and those who were able to discuss ideas and problems with Mrs. W. J. Wainman, Overture organizer from the headquarters in Vancouver.

An air of optimism pervaded the meeting and it was felt there would be no difficulty in obtaining the 200 memberships necessary to start a local organization. Mrs. Wainman said that the Association is now organized in 47 towns and cities in Canada and one in the States. This, in only one year.

The members of these local organizations now enjoy a number of concerts every year ranging from vocal and instrumental soloists, duets and trios to dance groups, instrumental groups, musical comedy, such as the Roger Wagner Chorale and the Mormon Tabernacle Choir, folk singers, drama groups and even the Circus.

TO STAND FOR RE-ELECTION

Mayor W. R. Brunelle Councillor Jim Scott

Nomination papers have been signed on behalf of Mayor W. R. Brunelle and Councillor Jim Scott who have decided to again stand for their present positions on Edson Town Council. Councillor W. F. Kortman is not standing this year after several terms of Town service as his position with the railway demands his absence from town more and more frequently.

Nomination day is until noon Wednesday, Sept. 26. The last date for which a member of the present council could resign to contest the mayoralty passed on Monday. As far as we know there is no indication that the mayor's chair will be contested.

Several prospective council candidates are being talked to, but no one has made a decision to run for office.

David Keyes locks up junior golfing title

Sunny skies and a stiff breeze — perfect golfing weather — prevailed at the Edson Junior Golf Tournament when nine junior golfers tied off for their annual Junior Tournament.

Playing cool golf and with the help of the Edson Golf Club for a low medal score of 84 was David Keyes in his first year as a member of the club.

Opening with a par 4 on the first hole David scored bogey, making the first one hole in 48. After a break for lunch David really warmed up to the task on the second hole putting together four more three of them on 7, 8 and 9. For a very smart 48 he put on the last three last prize completed for the day.

ing the day. Low score on the Edson hole was a tie between Keith Bennett and David Keyes. This was decided by the longest ball drive on off the first tee.

Each boy drove their drive off the tee on the first 11 holes. On the second hole each boy had a beautiful drive, tracking out in the 200 yard marker with David's ball in.

THE WINNER OF THE TOP FLIGHT of Edson. David is seventeen years of age and certainly plays a fine game of golf.

Juvenile Drinking Parties

Before from the Lacombe.

Front page publicity given to local juveniles indulging in liquor at drinking parties in a recent issue of The Echo raised the eyebrows of many Lacombe residents.

Perhaps they were aware of the situation, but preferred to close their eyes to it in the hope that it would go away. Perhaps adults will not acquiesce with the "do nothing" liquor problem among the younger set in this town.

Whether category the matter falls into, it is better to bring the matter into the open.

Parents are primarily responsible for the upbringing of their children. They should know what is going on. And they should take prompt, rational action themselves (such as important questions concerning the conduct of young girls and boys should not be left to the police to solve).

It is well to remember that the "covering over" technique by juveniles is only a mask. It is a mask of a few bad apples spoiling the barrel, but the condition is sufficiently serious in the eyes of the police department to merit a more serious approach. One further point. Since one out of every four adults are now in the juvenile court, they are acting outside the law. They are making a bad situation worse. In view of the possible consequences of these in the context of the juvenile system, and the risk of traffic accidents. The town should also survey its giving maximum possible to those convicted of supplying liquor to minors.

David Keyes locks up title

Continued from page 1
 With every one of the station title was captured by the youngest player in the Tournament, David Keyes.

BEFORE THE Magistrate

With the hunting season well along it is expected there will be some violations and one man was picked up for not properly closing the hunting bag on the animal he had shot. This cost the man his and more and it is hoped it may serve as a warning to others.

Under the Juvenile Delinquency Act two minors appeared and paid fines of \$75.00 each for "giving liquor" to two girls aged 13 and 15.

Spammers and other traffic violators violated traffic laws with five persons being charged under the Liquor Act.

Mayor Brunelle back for 2 years

With no one else coming forth to contest the mayoralty seat on the Edson Town Council, the present Mayor, Mr. W. H. Brunelle was returned by acclamation for another two year term. This was made known by Returning Officer Peter Berndak after nominations closed at noon on Wednesday.

Four nominations were received for the two positions on the Council. Following his decision to not contest the seat, Mr. Walter P. Kortman, veteran member of Council, was persuaded that he should reconsider and let his name stand for re-election. Mr. Kortman is a C.N.R. Roadster for Mr. Jim Scott is also standing for re-election following a two year term. Mr. Scott is an accountant.

James Edward Goshorn, 64, has been elected to the seat of alderman. Mr. Goshorn has been in the town since 1911 and has been a resident of the town since 1911.

The fourth nomination for alderman was filed by Mr. Gordon Mahon. Mr. Mahon has been in the town since 1911 and has been a resident of the town since 1911.

Mr. John Patterson, 44, was elected to the office of alderman of the town of Edson. Mr. Patterson has been in the town since 1911 and has been a resident of the town since 1911.

Local traffic lanes being improved

Local Department of Highways men are really making hay while the sun shines these bright autumn days, as they round out a busy season of district road work.

Street shaping and cutting in Glenwood is in full swing this week, which should alleviate the dust and mud problem for residents. The street program was decided upon at a meeting in Glenwood Hall recently when town residents discussed their problem with the Hon. Norman Williams. They felt that rather than use the area's sidewalk at

Edson High School Awards Presented

Edson high school students were the recipients of over \$1,000 in scholarships, prizes and bursaries at an assembly held in the auditorium on Wednesday, September 26. Winners were congratulated by the donors and by Principal M. D. Massey who acted as chairman for the function.

Mr. Lloyd Mahon presented the Edson Motor \$50.00 scholarship in grade nine to Rosalie Pimber who won out over five other students who achieved honors standing on the departmental examinations. Fred Klein received the Edson Motor Hotel \$50.00 scholarship in grade ten from Mr. Walter Fowler.

Mr. Massey informed the audience that the first scholarships established in Edson were those provided by Mr. Thomas Fowler and Sons shortly after his taking over of the Edson principality in the middle 1940's.

Mr. B. Kuehler presented grade twelve departmental. Carol Swenberg with a \$50.00. Winner of the P.U.A. \$100.00 scholarship for the highest average in grade eleven, and a similar award to Susan McCrae who had the second highest average on the

80% response to Vocational school survey

Response to the Vocational School survey conducted by the Edson School Division Board has been termed "impressive" by Superintendent A. D. Smith. Of a questionnaire sent out, 200 replies were received, an 80% response.

A full report on the survey results will be given at the next meeting of the Edson Home and School Association, Wednesday evening, October 2nd in the A. H. Deike School.

Members of the general public interested in the survey are also invited to attend.

Bingo Winner

Edna A. Chipman, 44, was the winner of the \$100.00 prize in the weekly bingo game.

GO CHEVROLET '63-IT'S EXCITING!

Front view of the '63

From the trim new front end to the stylish new rear deck, Chevrolet for '68 has the looks of the leader. Lines are crisp and clean — interiors are lovely and luxurious — the ride is jet-smooth and silent. Bold, brilliant engineering of the '63 Chevrolet brings you such under-the-skin improvements as self-adjusting brakes, impact-retarding safety door latches, battery-saving Delcotron generator, extended-life exhaust system, 6 months or 6,000 mile lubrication interval and

Cherry II made a name for itself in just one year. And this year it's even better, for the '68 Chevy II combines the may-care features of the big Chevrolet plus its own advantages — parking ease, full-family room, pep and economy and a full complement of optional power extras. See the new Chevy II — it's exciting!

Air-Washed rocker panels and front fender liners to reduce corrosion. But hold on, there's more. There's a brand new smooth-as-silk standard six, and livelier-than-ever V8 engines in a choice of 13 models, plus a list of options and convenience equipment as long as your arm. It's going to be a great year for Chevrolet — your year to go Chevrolet '68 — it's exciting!

Bright new accents, colors and interiors highlight Chevrolet's distinctive-as-ever styling for '68. Self-adjusting brakes, improved front suspension and extended-life exhaust system add to Chevrolet's already impressive list of automotive achievements. For the sheer fun of it, test drive a '68 Chevrolet. It's exciting!

Building permits include 22 homes to date

For a year that started out relatively slowly as far as building activity is concerned Edson permits to date this year amount to \$429,150.00. The total is down from the million odd dollars taken out in permits last year but the way it is made up makes an interesting profile of how our town is growing.

While the larger amount last year included several large construction projects such as the Edson Motor Hotel and the new Jubilee Junior High School, only this year's additions to the building school amounting to \$98,000.00 is included in the nearly half million total for 1962.

The significant thing is as is that permits for the construction of 22 modern homes have been applied for so far this year. Five commercial permits all under \$8,500.00 each made up the rest of the total to date.

A few years ago some people said that Edson was going to fold up and become a ghost town. Some thought. Some don't!

Help needed for local family

The mothers of Edson, Edson and Jasper residents thoroughly enjoyed the evening of ball presented by the Edmonton Ballet Company on Saturday, September 29 in the Edson High School and forum.

This was a new experience for many of the people, who have watched ballet in shows or on TV but a live appearance proved to be far more enjoyable and satisfactory. It was a two hour show including intermissions. That was fast moving with a good variety of numbers and no dull moments by the experts tried.

Mrs. T. Bossert wins Edson Bingo

Single winner of the \$1,000 cash prize for the Edson Local Club Newspaper Bingo was Mrs. T. Bossert of Edson.

The bingo had been running since the middle of March with prizes being given to the lucky winners taking a chance in the last night.

Mrs. Bossert was the only person to turn in a full card new game of bingo.

KINSMAN NINO CHIESIA shakes hands with Nino Spota Accountant D. M. Chiesia as they set fire to the note which the Edson Kinsman Club have been paying off at the bank to complete the swimming pool. \$100 to be paid for

CPAC tour group sample Edson hospitality

Sixty delegates from the National Planning Commission held at the MacDonald Hotel September 22-28. An address of welcome on behalf of The Town of Edson was given by Mayor Brundage pointing out the value and advantages of living in a progressive town that had here night and evening stretch to incorporate Town Planning to the guide in the variety of development of their town. Edson with all its beautiful geographical location and ever expanding economic opportunities is a wonderful place to settle down.

Mrs. C. B. Wood, M.L.A. for River Plain constituency and the chairman of the Alberta Division of Community Planning Association of Canada brought greetings and best wishes and a vote of thanks to the people of Edson for the hospitality shown to the delegates.

MRS. C. B. WOOD at the banquet honoring the Canadian Community Planning Association members who were in Edson Wednesday evening are part in a jovial mood by the Mayor, Mrs. Wood takes an active part in the discussion of groups such as this planning association.

Moore in Glenwood too

Glenwood residents will not be surprised by Edson town if they are a member of this larger community.

Mrs. Dorothy Daniels and Mr. Doug Mackay both moved into The Leader office on Monday to say there was a mouse running around their offices too. Only it wasn't a mouse but a magnificent bull with large rack of horns.

Mrs. Daniels said she almost got her eye out by the King of the Forest.

Could be it thought it was better in a residential area than in the forest with suspicious hunters taking a shot at it.

2280-2281-2282-2283-2284-2285-2286-2287-2288-2289-2290-2291-2292-2293-2294-2295-2296-2297-2298-2299-2300-2301-2302-2303-2304-2305-2306-2307-2308-2309-2310-2311-2312-2313-2314-2315-2316-2317-2318-2319-2320-2321-2322-2323-2324-2325-2326-2327-2328-2329-2330-2331-2332-2333-2334-2335-2336-2337-2338-2339-2340-2341-2342-2343-2344-2345-2346-2347-2348-2349-2350-2351-2352-2353-2354-2355-2356-2357-2358-2359-2360-2361-2362-2363-2364-2365-2366-2367-2368-2369-2370-2371-2372-2373-2374-2375-2376-2377-2378-2379-2380-2381-2382-2383-2384-2385-2386-2387-2388-2389-2390-2391-2392-2393-2394-2395-2396-2397-2398-2399-2400-2401-2402-2403-2404-2405-2406-2407-2408-2409-2410-2411-2412-2413-2414-2415-2416-2417-2418-2419-2420-2421-2422-2423-2424-2425-2426-2427-2428-2429-2430-2431-2432-2433-2434-2435-2436-2437-2438-2439-2440-2441-2442-2443-2444-2445-2446-2447-2448-2449-2450-2451-2452-2453-2454-2455-2456-2457-2458-2459-2460-2461-2462-2463-2464-2465-2466-2467-2468-2469-2470-2471-2472-2473-2474-2475-2476-2477-2478-2479-2480-2481-2482-2483-2484-2485-2486-2487-2488-2489-2490-2491-2492-2493-2494-2495-2496-2497-2498

JIM OLIVER displays a skin from a cougar he shot while hunting in the area north of Oland. Stretched out like this on a savanah the hide looks like a good prospect for a rug in the family den.

A guide, giving his usual spiel about the Senate chamber, included the fact that stuff hasn't set on the Vice President's desk was a routine dating back to the earliest days of the legislative body.

Buntam age boys meeting

All boys of buntam age interested in playing hockey this winter are asked to come out to the Boys' Centre in Edson, Thursday, October 11 at 7:00 p.m.

From the interest shown at this evening planning for this winter's hockey team and activity will show how boys wish to play.

It is not necessary that a boy have played hockey in a team before. President Fred Strickland of the Edson Club says he hopes that many boys will get some hockey experience this year.

A Minotopolis River steam boat was stopped in the middle of a Wednesday evening by a buntam age boy, who was waiting for a passenger to get on board. The boy, who was waiting for a passenger to get on board, was waiting for a passenger to get on board.

PIANO TUNING

R. C. Pepin and C. O. Morin

will be in Edson OCTOBER 8th
Requests for tuning please will be taken at the Edson Motor Hotel.

Best Ever!

Canada Savings Bonds
easy to buy
simple to cash
good to keep

The new Canada Savings Bonds pay 4.5% interest for each of the first three years, 5% for each of the next three years and 5.5% for each of the final eight years — an average interest rate of 5.1% per year. In dollars and cents every \$100.00 you invest will grow with accumulated interest to \$173.50 at maturity.

You can buy a \$100.00 bond for as little as \$20.00 a day, through the convenient Payroll Savings Plan where you work. Canada Savings Bonds can also be bought for cash, or on instalments at any bank, investment dealer, stock broker, trust or loan company.

They are available in amounts as low as \$50.00 to any Canadian resident — adult or child — up to a limit of \$10,000.00 per person.

AS PART OF THE KINSMEN Club members having night with reference to the last payment on the swimming Pool Fund later Mr. Lloyd Nelson on behalf of the Edson Motor Co. Staff Fund

Edson Locals

Additional tribute to the late Mr. Andrew Smith have been received from Mrs. A. E. Lebow, Mrs. E. H. Himmelsch and John, Mary Smith, Mrs. Mary Smith, Mrs. Mary Smith and family, Mr. and Mrs. Harold Magowan.

Miss Irene Makreweck will leave on Friday for Salt Lake City, Utah, where she will make her home. Irene is the daughter of Mr. and Mrs. T. J. Makreweck. She has been with the Hudson's Bay Store in Edmonton for the past two years and before that employed by Edson's Drug Store.

'63 METEOR is the Mercury with all new room & zoom

For '63 Meteor is a most generous car. Costs little more than a compact. But look what you get! More passenger room and trunk room. A better ride with its longer wheelbase. A wide range of new models including sedans, hardtops and a trio of new wagons. And this all Mercury. Meteor is engineered for long life. Major chassis lubrication intervals are 10,000 miles apart — 12,000 miles between body lubrications. Oil changes are twice a year or every 5,000 miles. Engine coolant lasts two years or 50,000 miles. This is value. This is the Meteor for '63. Enjoy its generosity. See your Mercury dealer now.

THE 1962 PONTIAC has been certified to in-
clude vertically-ventilated front headlight,
reversible seat grill and forward sliding
windshields with this package. The Pontiac
New Yorker hardtop shown here is one of 13
Canadian Pontiac models being built in Oak-
ville by General Motors of Canada. Pontiac
features a 229 cu. in. six-cylinder that is 140
pounds lighter, has a 7 made bearing main-
shaft and develops 140 horsepower. A Del-
cotron alternating current generator is stan-
dard on all 1962 Pontiacs.

The young minister was a
bit upset over his wife's pur-
chase of a new dress.
"Thinking," he said, "what
made you do it—yes, you
said you wouldn't buy a
new dress."
"I guess it was the devil
tempted me," she said.
"Then why didn't you say,
'Get lost behind me, Satan?'"
"I did," she replied. "But
then he whispered over my
shoulder, 'Go like you just
beautified in here, too!'"

HOLDING A HOSE

is only part of his job

Firemen's fire fighting is a complex business, with no
end to what the fire fighter needs to know. Water only
controls an oil fire, and fires involving new plastic mate-
rials require specialized skill and training. One
thing the fire fighter knows above all else: the fire
that doesn't start is the best fire he fights.

New Jewellery Store opens in Edson

This week will mark the opening of one more new business in the Town of Edson as the latest opening, that of Maurice J. Walsh, Jeweller, took place on Thursday, Friday and Saturday, October 11, 12 and 13, at the new location at 101-103 Main Street, Edson, Alberta.

Mr. J. Walsh, who has been in the jewelry business for over 20 years, has been working at Amherst, Ontario, and has been in the jewelry business for over 20 years.

The famous Maple Leaf pattern, which is the mark of the House of Commons, is the most open line on the map.

In the meantime he has been working at Amherst, Ontario, and has been in the jewelry business for over 20 years.

Mr. Walsh is married to Mrs. Walsh, and they have three children. He is a member of the Edson Branch of the United Brotherhood of Carpenters and Joiners of America.

Having worked at Amherst, Ontario, and has been in the jewelry business for over 20 years.

Congratulations From
MAURICE J. WALSH
Toronto, Canada

The Voice of Edson Constituency
and WESTERN WEEKLY SUPPLEMENT
Two Sections
Edson, Alberta, Thursday, October 18, 1962 Vol. 10, No. 41

Sitting Councillors top poll in Wednesday vote

The two sitting Councillors up for re-election, Councillor Walter F. Kortzman and Councillor John Scott, topped the municipal vote Wednesday which saw four candidates contesting the two seats which come vacant annually.

Mr. Kortzman received 381 of the 430 votes cast while Mr. Scott received 239. Candidate James K. Griffiths received 177 and candidate Raymond K. Mahon received 95.

Included in Returning Officer Peter Serdick's announcement of the result was the election by acclamation of Mayor Wallace E. Brunsell for a second term and Trustee John Pattinson to another term with the Edson School District Board. The Mayor's term is for two years while the School Trustee position is for three years as are those of the Councillors.

In the Council voting the 430 votes cast represents a low percentage of those eligible to vote. Technically there are about 1700 people entitled to vote in civic elections for Council. However at times for Council. However at least 200 of this figure are non-residents, leaving approximately 1500 citizens who could easily have voted. Compared with Hinton where for example 800 citizens voted out of 1000 eligible.

Other members of the Edson Council are Councillors F. W. Wells, M. D. Maple, F. H. Hark and W. F. Latta. The Mayor is the first Edson Mayor to have served on the Board for over ten years. The Board is the first Edson School District Board and is a carry over from the days when Edson Town and its immediate district were responsible for its own schools and is part of the larger Edson School District No. 12.

WALTER KORTZMAN

JOHN SCOTT

Makes musical instruments as hobby

MAKES GUITARS
Dick Hunsell, well known as a Mr. Fix-it has come up with a different hobby, that of making musical instruments.

We had the pleasure of seeing and trying out two beautiful guitars Sunday evening. One a thin model electric Spanish guitar complete with pickup and an eight string tremolo guitar.

Dick makes the electrical pickups, pickups, etc. and turns out a professional type instrument.

DICK HUNSSELL

CHECKING ON US

For two days last week and Monday of this week Mr. David Selwyn of the Audit Bureau of Circulation of Chicago has been going through our circulation records to check as to whether we are what is known as paid circulation.

Paid circulation is when it can be proved by independent audit by the registered group composed of both advertisers and print media in North America — is much valued by advertisers.

When our subscribers pay two cents a week or \$2.00 a year for their newspaper they must like what they read in it. They may not agree with everything we say, but recognize that their home news newspaper provides a community service.

Conversely, any claims about readership in "free" copy or direct delivery advertising is subject to suspicion when claims of any kind are made.

Calling all skiers

In preparation for the coming winter there will be a ski party and at the Edson Club Hall this Sunday afternoon, October 21.

Work is going ahead on the ski lift on the hill which is located in Williams Park in the Tullerton area. At the same time the hall must be cleared of mud, brush and debris before snow flies.

MISS MILLIE WORTON of the Leader front office staff got to know her skis in the left Tully farm five miles north and of Edson.

GENERAL JOE LOBALLO (left) looks as if he wasn't expecting us to take his picture, but Town Secretary-Manager, R. C. Gregg and Mayor W. A. Switzer saw us coming. The occasion was the sticking of the newly designed and approved town crest on the doors of the Civic Building. When a contest

Hinton voters return Bill Switzer third time

Edmonites who have been following the political fortunes of former townsmen W. A. Bill Switzer were pleased to learn that he had been elected to a third term as Mayor of Hinton by a wide margin.

A total of 865 including the advance poll, turned out Wednesday, to elect Mayor W. A. Switzer with 616 votes, with a commanding 363 vote lead over his closest opponent, Peter Sloan.

Sloan polled 233 votes, 187 ahead of Alan Clark, who had 80 supporters. There were two spoiled ballots.

This is the first time Mayor Switzer's popularity in a municipal poll has been tested, as

MAYOR W. A. SWITZER

the former Mayor by continuing with Hinton's first elected Council in 1959 and was again returned by acclamation in 1960.

Hinton voters elected two new Councillors, defeating outgoing Councillor William Newby by only one vote. Elected were Edward Gidd with 565 votes and Owen Braden with 560. Re-elected Councillor Newby polled 653 votes. There were no spoils.

A total of 855 out of 1000 turned out to vote in this year's election. Last year with 1725 eligible there were 855 out of the polls. A creditable record, compared to the town before now.

59% favor fluoridation plebiscite last

HINTON

Although a larger number of persons turned out to vote on the Fluoridation Plebiscite, it was defeated for the second time in Hinton.

Following the count of ballots Wednesday night results were 375, for, 416, against.

The Alberta government has decided that plebiscites for fluoridation must have order to pass, rather than majority vote, which was the case with the 1957 plebiscite.

Last time the fluoridation plebiscite was voted in 1957 for and 60% against fluoridation. At that time 22 votes were cast in favor and 313 against.

WHEN MOST OF GRADES 7, 8 and 9 at Jubilee Junior High decided to go on a mile and a half cross country it made quite an impressive picture as

the young runners started off. John Biel came in first we hear followed by a young lady, Bert Beale. Other absentees can be found on page 2.

The Edson Leader

The Voice of Edson Community

Two Sections Edson, Alberta, Thursday, October 25, 1962 Vol. 10, No. 42

Survival for Edson

By coincidence planning for Edson district's role in National Survival has reached a stage in this week of international tensions where Director D. Hodge has prepared a detailed analysis of the role we might be called upon to play. On page five of this week's Leader we reproduce the survey in full and recommend its reading by all intelligent citizens.

Some of Mr. Hodge's phrases bear repeating: "It is a very fine thing to die for one's country if necessary, but it is just stupidity to die unnecessarily if one has the chance of living and helping to create one's country."

If you haven't time right now to read the whole article put your Leader to one side and make time later.

Rosealie Pinske wins Governor-General's Medal

A recent announcement from the office of the Minister of Education listed Rosealie Pinske of Edson as the winner of the Governor-General's medal for this area.

Each year medals are awarded to those grade nine pupils who receive the highest standing on the grade nine departmental examinations in their respective departments. The Edson's representative comprises the Edson School Division.

beginning Grade IV. She took her Grade IX work last year in the new Jubilee Junior High School.

While the Department of Education does not give out exact marks in Grade IX, the summary released to Province, A. D. Hodge shows that Rosealie scored 82 out of a possible 94 marks on the nine departmental subjects. She had honors in all subjects.

Presentations of the medals will be made at a later date by Superintendent A. D. Hodge.

R.D.S.

WHEN THE EDSON LIONS DO SOMETHING they're not kidding at Mrs. Jim Marlow discovered when she opened her front door last Tuesday evening. Her husband Jim had been tied up at the dining table and missed the regular meeting. By arrangement all missing Lions' names were put in a hat and Jim's was drawn. His job is to keep this cage with bantam each and hen until the next meeting. At this time some other couple of pairs. Left to right at the bar are Lion Bert Marlow, Lion President Murray Grier, Lion Lion Erickson and Mrs. Marlow.

Wasn't lost says coming Edson benedict

Contrary to rumors says Bob Jay, he won't last this weekend. Just because he had not come in on night last while hunting for Edson. He says he had stopped a mile off where he and Bill Lethick were hunting near the Marlowe hill off miles north of Edson.

The animal went down with his first shot. Then we up again and Bob tried to keep up to finish his kill. Being preoccupied with the shot he didn't notice night coming.

Realizing he couldn't make his way back, he stayed where he was. Putting his back to the wall he built a fire and waited out the night.

In the morning Bill Lethick contacted Ben Tibby at the Marlowe forestry house and they built a fire hoping it would guide Bob.

Before a search was mounted in current Sunday morning Bob showed up at his dining table.

He says he's grateful to all for their concern.

(The use of the word benedict in the heading is to remind him that he will have a very busy day tomorrow as he has to be in the bar for the work train now.)

New employment office manager for Edson area

"Importance of the National Employment Office in a community is clearly illustrated by the 1,000 placements made through the Edson office this year, up to the end of September."

This was the statement of A. Hodge, senior clerk and a W. C. Stewart of Winnipeg, who had visits in the Edson area last week. Mr. Stewart is a student regional director of the National Employment Office in the Prairie Region.

He visited the National Employment office in Edson to meet with Mr. Hodge and Mr. W. C. Stewart.

Mr. Stewart expressed confidence that the new manager would receive full support of returns in the Edson area, and noted that such support could be the N.E.O. office full.

He said the purpose for which it was established, he said that it was necessary to note that about 74 per cent of all employees are now making use of the National Employment Office.

Mr. Stewart pointed out the importance of the National Employment Office in the Edson area.

WHERE TRACTOR IS KING. This Sound, Ont. More than \$15,000 worth of tractors was the scene of the 47th International Plowing Match which opened Oct. 10 near Owen Sound, Ont.

Council asks for extra winter works approval

Additional winter work projects were approved by the council of the City of Owen Sound on Tuesday night. The council also approved the following projects: clearing of the street in front of the Owen Sound Hospital, clearing of the street in front of the Owen Sound Police Station, and clearing of the street in front of the Owen Sound City Hall.

Projects listed in the second application this week include: clearing 5th Avenue and 4th Avenue, clearing and landscaping above lower level of street and along the Grand River, and clearing and landscaping above lower level of street and along the Grand River.

It is noted that a survey in the neighborhood of 27,000 will be required in the construction contract for \$72,000 to be in effect in the City of Owen Sound. It is also noted that the sewerage department will participate under the winter works program on this as well.

Another decision was that on the basis of a report from the Superintendent, the board of directors of the Owen Sound Hospital should be asked to pay for the cost of the hospital's winter works program.

Present at the meeting were Mayor W. E. Kelly and Councillors V. E. Collins, M. D. Meade, P. W. Smith, and P. W. Smith. Mr. Don Kuper for the City of Owen Sound was also present.

The Edson Leader

Edson citizens owe less than third debt average

The Voice of Edson Community

Vol. 10, No. 43
Edson, Alberta, Thursday, November 1, 1962

Two Sections

ALL SET FOR TRICKS OR TREATS, CEP last night (Wednesday) as they dressed in costumes and made the rounds of neighborhood houses. (In some cases) UNL

'Burg-Entwistle bridge opening for traffic soon

Gordon E. Taylor, Minister of Highways, announced that the official opening of the new high level bridge across the Pembina River in the vicinity of Edson and Entwistle, would not be officially opened until 1963.

Weather stabilized has caused the application of the bridge to be delayed. The date for the official opening of the bridge will be set as early as possible in 1963, and will probably be during the month of June.

The new bridge however, will be opened to traffic about the middle of November this year, even though the base course work will not be complete, and part of the road will be a gravelled surface.

Materials along Highway 18 this combined with the work on the bridge will be a driving pleasure. Only one complete curve in the approach just west of the Entwistle overpass — for the which we cleared some trees — has now been completed.

The saving in mileage to the Entwistle overpass will be a driving pleasure. Only one complete curve in the approach just west of the Entwistle overpass — for the which we cleared some trees — has now been completed.

Remembrance service Sunday

It has been decided that the Royal Canadian Legion sponsored Remembrance service will be held at the Legion Hall, Edson, on Sunday, November 11.

Rink schedule drawn up

A schedule meeting all rink in town is to be drawn up for the coming season by the Recreation Board. It was decided at the Board's October meeting.

Edson citizens owe less than third debt average

A recent survey of debt owed by the municipalities in "debt-free" Alberta claimed that the provincial \$4.25 million in debt high for the province. Accepting the average figure of \$230 per man, woman and child in Alberta as the average figure, Edson's per capita debt is less than a third of this.

More building while old school districts dissolved

Changes in Edson School District when it ceases to exist all the time were reflected in the decision to build at Edson and Entwistle while building three districts on the Coal Branch at the regular meeting of the Board Tuesday, Oct. 27.

Mutual telephone line nears construction stage

The Free, Mutual Telephone Co., engaged under contract the Mutual Phone Line Servicing Co., Ltd., a subsidiary of the Burrage Construction Co. of Edmonton for the construction of 56 miles of rural telephone line in the Peace, Beaver, Melard Valley, Pathum and Shining River districts.

This marks the culmination of a year's preliminary work by numerous representatives from three areas. At the end of August, 1961, a general meeting was arranged by the representatives of the Peace F.T.A. Local No. 387, the Beaver F.T.A. Local No. 388, and the Melard Valley F.T.A. Local No. 389.

The meeting was held at the residence of directors of the Peace F.T.A. Local No. 387, and was attended by representatives of the other two areas. The meeting was held at the residence of directors of the Peace F.T.A. Local No. 387, and was attended by representatives of the other two areas.

Over hundred turn out for congregation supper

130 members of the United Church congregation and their families turned out for a delicious supper served buffet style at the large hall. It was the version of the annual congregational supper.

After the supper Mrs. MacPherson directed the program for the evening. Some of the late church members turned there and others started to clear away dishes the guests along several rows of tables as well as to dance.

will be raised for this purpose and that at the earliest opportunity a financial and planning committee will be appointed to work on this large project. Mrs. B. Foster took up the work further.

A scheduled short musical program was rendered by Mrs. B. Foster, Mrs. A. Lamb and Mr. A. Foster who sang songs and duets. Mrs. MacPherson read a scripture passage and then turned to the business of the evening which was the presentation and adoption of the proposed program for the church for 1963.

Mr. J. Oliver, chairman, of the program committee, outlined several speakers who each briefly dealt with a particular aspect of the church's present and future work. Mrs. L. Martin talked on the Christian and World Church as served by the Ministry and Maintenance Fund.

Mr. G. Macdonald gave a very sufficient account of the church's present financial standing and her financial requirements for the coming year. Mr. J. Finkelson dealt with the church's service and Mr. J. Oliver chairman of the Christian Education Committee spoke on Christian Education in the Church. He spoke about the primary necessity for the creation of a Christian Education building in Edson in order to provide adequate service to the youth and old of the congregation.

It has been proposed to make a start on such a building in 1962 and it is hoped that an initial sum of \$1000 will be raised for this purpose.

Conference at Evansburg hears survey report

The Evansburg Improvement Council of Home & School Division of the Evansburg School District met on Saturday, October 27, to hear a report on the survey of the Evansburg School District conducted by the Evansburg School District.

The survey was conducted by the Evansburg School District and the report was presented by the Evansburg School District. The survey was conducted by the Evansburg School District and the report was presented by the Evansburg School District.

more time for this community

The Evansburg School District is very poor but we have a better informed Home and School Association as a result of this survey. Home and School has a definite job to do in interpreting the school to the parent public — through communication of information and community substance.

Remembrance Service Sunday morning

A public service of Remembrance is to be conducted in the Royal Canadian Legion Hall from 10:30 Sunday morning, November 11, through the cooperative efforts of the clergy from the Edson churches. As in previous years, a mixed choir will also aid in the service.

All war veterans are urged to come on parade at 10:00. The parade this year will include the Edson Band, members of the RCMP, the Ladies Auxiliary and veterans and Legion members. Parade will be over.

At November 11th falls on a Sunday, a social evening is being planned for Monday evening in the Legion Club in which members and friends are invited from 7:00 p.m. on.

Councillor Frank Resek moving to Hinton store

Frank Resek, who has been a member of the Edson Town Council for the past two years, handed in his resignation at Tuesday's Council meeting.

A switch of two Edson men, Frank Resek and Frank Lewis, brought about the move, at Resek's request, to Hinton.

Resek and Lewis had been partners in the Hinton store, and Lewis is moving on to his old store in Peace River.

Frank Resek has been with Hinton Food in Edson for many years and later in our article of all. He and his wife have been in the store since 1940.

In Hinton Food at Edson, Resek will succeed Mr. Frank Lewis, who is moving to his old store in Peace River.

Mr. Resek will be succeeded by Mr. Lewis, who has been working at the Hinton store in Peace River.

Mr. Resek will be succeeded by Mr. Lewis, who has been working at the Hinton store in Peace River.

Edson price still holding

Checking the local price of bread our reporter finds that there is no indication of a price increase for locally produced bread.

Bread from the city is now selling at 32 and 34 cents, while the price of Edson Bakery bread is still at its 31 cent price.

Hinton mill manager to address C of C

The annual general meeting of the Edson Chapter of C of C will be held in the Commodore Hotel tonight, Wednesday, Nov. 7, at 8:00 p.m.

Director of officers for the year 1962 will take place.

Mr. Henry B. Collins, vice president and resident manager of the Hinton Western Pulp and Paper Ltd., at Hinton, is to address the meeting.

He is becoming well known as a public speaker in different parts of the country.

Also in attendance will be Mr. Jack Danks of the Hinton Journal who will be reporting on activities in the Town of Hinton.

Those who may be obtaining new membership.

The Dutch remember, do you?

Petroleum boom rumours spark nice thoughts

"Edson's hot," "Biggest new field in Alberta," says a news broadcast from CFRN-TV. "Tight" holes and other furtive activities have added up to the word being spread that either oil or gas, or both, are about to be developed in a big way in the immediate Edson area.

As usual where the petroleum industry is concerned in the highly competitive exploratory stages, no company will confirm or deny any of the scuttlebutts.

Hand-in-hand with the oil and gas talk there are rumors of shopping centres, hotels and whatnot on the West side of town. Again nothing we can put our finger on.

At the very least it should all add up to at least as good a winter of activity in this area as one thing and another has given us every year since the war. Nice to dream about too.

ROSEALIE ELAIN FISKE, who is this year's winner of the Governor General's Medal for grade nine pupils in the Edson Intermediate school, is shown here. To her right is Miss Jeanie Thompson, and on the right is Miss Edna Thompson.

ANOTHER 'CHATTY CATHY' DOLL is being raffied by the Edson Kinross Club this year. On the left is Kinross Mrs. Dorothy Simpson and on the right is Kinross Mrs. Joan Semmelink. When dressed in the beautiful clothes the Kinrosses make, the doll is a wonderful Christmas present for some little girl. The dress will be made at some stage early in December.

They live on in our memory.

Alberta Junior Citizen Award Winner

JACK PLECKAMIS
 9849-162nd St. Jasper Place, Alberta

It was a warm summer day, twelve-year-old Jack Pleckamis and some friends were having a day's outing at Lakeside Resort on Cowling Lake, east of Edmonton.

The boys were having a wonderful time. The game of basketball had been fast and furious. They decided to end off and go walking on the lake.

The lake was very shallow and the cool water made it a shade a lot with delight. One of the children, Margaret Barrow, started swimming. It was the first time for the award winner.

Margaret had fallen into a hole which had been treacherous for boats to come into dock. The wind had been blowing down by a high wind.

Our alert young Jack suddenly realized Margaret's predicament and dove into the water to rescue her. His quick action was worthy of special notice because Jack had just learned to swim himself a few months before and was anything but sure of himself in the water.

The editors of Alberta's weekly newspapers join with us in congratulating Jack and his parents, Mr. and Mrs. J. Pleckamis, and remind best wishes to them.

SALES TAX AGAIN

One cautious minister says no sales tax while another points out the pros and cons of one. If Alberta needs more money then some means must be found. We have always maintained that the more disadvantage of a sales tax is that it hits people who can least afford it. This is the strongest argument against it.

One other point against it that most people in retail selling dread is that they become unpaid tax collectors. What's more we would like to suggest that if a cost accountant were to cost the labor, materials and lost time that literally thousands of people in the province would have to contribute it would far outweigh the money received. This fact the cost auditor. There would grow up a small army of government inspectors who would go around the province checking up to see that every sale had kicked in its bounty.

It is as easy way for governments to raise money. This seems to be the fact. But we do need property taxes can be cut in half with a three per cent tax. They can perhaps, but will they? Also more the tax is levied it can be assessed up to ten per cent so easily that we'd never remember when it happened.

Another side of the government to cut down on expenditures to equal anticipated revenue as the province grows. But this isn't too popular with people who think government funds come from their pockets.

If you feel about sales tax like we do why not mention it in your next letter to the Hon. Norman Macdonald. We are sure if enough people express themselves as opposed through their party organizations we may yet be spared this nuisance.

WOULD RATHER LIGHT CANDLES

Among the tributes paid the late Eleanor Roosevelt following her death this week, one stands out in its simplicity and its ability to stir the emotions and the imagination.

Adlai Stevenson said, "She would rather light candles than curse the darkness."

It is not given to many the opportunity to serve in a way which affects the lives of men and women, boys and girls in one's own country and in lands around the world. But for everyone in this land there is an area of service, a stand for all that is good and honest and right.

Every community, large or small, has many people of whom the same wonderful words could be said. But there are not too many who would be worthy of such a tribute. Mrs. Roosevelt did not just talk and criticize; she acted and her humanitarian principles earned a place in history.

What a gift she has to the world.

She left the world a better place than she found it.

She left the world a better place than she found it.

She left the world a better place than she found it.

She left the world a better place than she found it.

She left the world a better place than she found it.

CANTON REPORT

MILT HARRADENCE — ALBERTA'S TORY LEADER

EDMONTON — For years it was said that what Progressive Conservative back in the Alberta political scene is Grandville leadership. They now have it in the form of energetic and colorful Colonel Richard Milne Harradence. Mr. Harradence was chosen leader of the Alberta Tories in Calgary over two other contenders, Dr. Norman Macdonald and Mr. T. J. Ryan.

The new man of the most interest in this province has been for several years. Mr. Harradence and Mr. T. J. Ryan (now in the "Socialist" and "Proletarian" back and forth during the leadership fight and the 300 delegates voted almost as though they were reporting two covered parties.

Mr. Harradence, the party's only member of the Legislature, a self-confessed party veteran, had withdrawn from the contest over apparent differences at the provincial and federal level about Social Credit support. As the struggle between the other two candidates began over how Mr. Ryan was to be named from the floor and became a leader for both Mr. Harradence and Mr. T. J. Ryan.

The new leader is a 47-year-old BCAR veteran who lives a reformed life of a member of the province and of all others. He has had real political experience that is to be learned for the province's past education. He has been in the province for 10 years in party work and had been in the province for 10 years in party work.

Mr. Harradence has been setting party strategy in addition to his other party work in the Legislature.

Mr. Harradence has been setting party strategy in addition to his other party work in the Legislature.

Alberta Junior Citizen Award Winner

BEVERLY THIRSK

Kelowna, Alberta

A muffled cry for help interrupted the quiet of the hot summer's day. Six-year-old Beverly Thirsk had been playing with her dolls. She had not seen her two-year-old brother for a few minutes.

Now, the cry for help sent her rushing in the direction of the pump house. When she went in the door she saw her little brother lying unconscious on a mat beside the pump.

With great presence of mind, Beverly ran to the motor... turned off the switch and ran into the house for help.

Later, after the doctor had arrived the story was pieced together. When the little boy had gone into the pump house for a drink of water, he had climbed up to turn the motor on. He slipped and fell - twisted the motor and received an electrical shock due to faulty wiring.

The little boy has fully recovered and all is well. But Mr. and Mrs. James Thirsk are truly thankful for their small daughter's quick action.

To such a little girl, with such a big share of presence, we and Alberta's weekly newspapers say: "Congratulations, Beverly!"

This is one of the announcements about the 1968-1969 Junior Citizen Award winners. Beverly Thirsk of Kelowna, B.C. is proudly acknowledged the active participation of Alberta's weekly newspapers' editors, who the Alberta Junior Citizen program.

AROUND TOWN

Dr. and Mrs. Whitaker were in Vancouver last week where Dr. Whitaker took his usual season for cardiovascular therapy, but for the past two months they have been in the city. The Whitakers have two sons, Philip and John, who are now married in Victoria who play football with the Calgary Stampede, and the wife is attending Brigham Young University in Salt Lake City.

George Douglas of Edmonton has been visiting with the H. Parsons of Idaho, and the Mrs. M. J. C. of Calgary.

Mrs. Wm. (Pauline) Labadie has gone to Vancouver to be with her sister, who is married in 18.

Mr. Albin Mah and young Mrs. David and Corrie left by train for Vancouver on Thursday, November 28th, where they will visit relatives and Al will take in the wedding of a friend.

Conspicuous in the crowd at the dance at the Danes at Dronten on Saturday evening.

On Saturday, November 17, a number of friends gathered at the home of Mrs. Gerald Mah to wish Elizabeth the best in her forthcoming marriage. Mrs. Gerald Mah assisted her mother in arranging the games and serving the lunch.

Fourteen members of the newly Reformation Club met at 10:30 on Sunday, November 28th, to participate in their first game. The club is a new one, and the members are all new. The game was a very close one, with the Reformation Club winning by a score of 10 to 9.

On Thursday, November 28th, a shower was held in Edmonton for Elizabeth. Mrs. Parsons, mother of Elizabeth, motored from Edmonton for the occasion.

Mrs. Conger's marriage to Mr. J. H. Conger, who is now in the United States, was celebrated on Saturday, November 28th.

Mr. Gordon Haffey of Winnipeg.

The gift was presented on a decorated box for which Elizabeth graciously thanked the guests.

The United Church bazaar was the setting for a second shower for Mrs. Conger on Friday, November 28th. Approximately fifteen friends gathered to present their gifts to Elizabeth in a wishing well. Following the serving of games, Mrs. J. H. Conger, Mrs. Parsons, and Mrs. L. H. Conger served a delicious lunch.

On Thursday, November 28th, a shower was held in Edmonton for Elizabeth. Mrs. Parsons, mother of Elizabeth, motored from Edmonton for the occasion.

Mrs. Conger's marriage to Mr. J. H. Conger, who is now in the United States, was celebrated on Saturday, November 28th.

Mr. Gordon Haffey of Winnipeg.

Mr. and Mrs. Hahm (Katie) and Mr. and Mrs. Sam Kline were the weekend.

Mr. and Mrs. Elmer Tuck were in Edmonton on Saturday to attend the wedding of their son, Elmer Tuck, who is now in the United States, to Miss E. H. Kline and Mr. and Mrs. Dick Mink.

We were all sorry to hear that Mr. Fred Frier, an old time in this district, is in hospital in Edmonton. All your friends wish you a speedy recovery.

There will be a whist drive and crib tournament at the Pavilion about on Friday, December 1. Come on out folks and enjoy yourselves.

Don't forget the dance at the Danes on December 8. It is a wonderful place to do your Christmas shopping!

AMONG THE STORES CONTRIBUTING to the brightening up associated with Christmas in the commercial area of town are Edson's new home furnishings store — Harkness and Harkness — other stores have been blossoming

out as well. Christmas lights around the residential part of town are contributing their bit to the general festive spirit of Christmas as well.

The Voice of Edson Constituency
and WESTERN WEEKLY SUPPLEMENT

Two Sections
Edson, Alberta, Thursday, December 13, 1962
Vol. 10, No. 49

Recreational survey shows mainly leadership needed

Edson's recreational facilities are to be expanded and existing facilities improved as a result of the wide recreation survey held earlier this year by the Recreational and Cultural Activities Board.

A report on the survey, presented by Mrs. Laura Mahon at the Board's December meeting, showed that with the exception of bowling and tennis, adequate recreation and craft facilities now existed in the town although there appeared to be a need for leadership and facilities for a golf club in the area as 110 people had indicated interest in shooting.

Nigel Aspinet was appointed as chairman of the Board for the coming year, with Nino Chisone as vice chairman. T. D. McInerney was re-elected secretary. Mr. Aspinet and Mrs. George Bergman are the newly appointed members of the board, replacing J. R. Wortman and Roy E. Hurd, who retired.

In her report, Mrs. Mahon said that of the nine crafts represented in the survey, seven are already supplied at the Craft Centre in addition to photography and wood working. Survey results showed a need for

more male leaders in some, particularly p.i.e.s. There were 170 persons in the survey interested in shooting and while leadership had been offered in the area as 110 people had indicated interest in shooting.

Octogenarian rides Volks into icy water

Mr. D. Osborne Sr. tells us that Volkswagens do not suit (part way at least). Mr. Osborne and his grandson Leslie Hopkins went hunting in behind Medicine Lodge and got trapped in a hole in the ice on which looked like it would hold the car.

The Volkswagens went in to its deer handling. Mr. Osborne says that they didn't get their feet wet though. Both men walked back to the highway, getting there at 10 o'clock and got home after flagging down a car at around midnight.

Pretty hard for an old timer who has just celebrated his 87th birthday.

Festive giving co-ordinated by local committee

A committee of the Edson Chamber of Commerce headed by Bert Herring is again co-ordinating the giving of festive gifts and clothing for those who can use it.

Mrs. T. Hendricks at P.A.S. has volunteered to take rolls free donors and arrangements will be made to have these packed up where it is not convenient to have them sent. The committee was formed as a couple of seasons ago to avoid sending families and have from donations of off-price to enable the town to get which had been the case in previous years.

Secretary, school children are being asked to bring their contributions of foodstuffs and clothing to their schools where they will be gathered up by committee members.

Late shopping

Edson shoppers in Edson can be seen until nine p.m. from tomorrow, Dec. 17, through to Saturday, Dec. 22. It was decided by Council at their last meeting.

Wednesday, Jan. 2, the stores can remain open until six p.m. on Jan. 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31.

Christmas and New Year's shopping, making the week-end shopping a week.

Council takes look at street works planning

The last meeting of Edson Council saw considerable discussion on public works that would, if it were all financially possible in the next few years, complete the transformation of the town to a modern city atmosphere. The pattern of thought was that the mill rate on taxes should be held, but that the most use possible should be made of funds available towards long-term planning.

Under consideration with preliminary estimates were such things as paving, curbs and sidewalks for the east and west streets and Main up to 4th Avenue. If all this work were done at once it would amount to \$182,000. It was estimated.

Other projects considered were curb and gutter for 4th Avenue in conjunction with sewer work by the Provincial Government on the Highway. New walk construction where it doesn't exist or has deteriorated practically all over the residential area was estimated.

A storm drainage system for the town east and west of Main and First Avenue were also looked at. Water and sewer extensions where they do not presently exist were also considered. Equipment for fire trucks to enable the town to expand the works performed by their staff was also considered.

The big hit, as it is known, was Mayor W. E. Brantley, Councillors H. J. Smith, A. Goldbach, W. J. Bertman, M. D. Maude, J. Hunt and P. W. Wells.

Councillor Goldbach (right) his statutory declaration of no interest in any of the proposals for street works.

Cat hits power pole guy wire blacking area

The stress and north of Edson were plunged into darkness Monday evening shortly after six when a cat, climbing high, hit a Calgary Power guy wire at Fairdale, 18 miles east of Edson, snapping the pole and bringing the power line down.

Preparations for the evening meal had to be halted as householders searched for candles or other means of light. Poles of business still open closed their doors for the night and diners in public eating houses found themselves dining by candlelight.

History was probably without power for the shortest period of time in the Calgary Power area had there been a fault in the North Western Pulp & Paper mill plant in Edson, but for a kind-by or for just such an emergency when Calgary Power had bought the local power plant a few years ago.

This was put in operation then and parts of town were with lights in approximately one hour. Parts of Edson didn't get ready power until nine o'clock in the morning because it was impossible to give the power the full load at one time. Rather the load had to be stepped up gradually.

Other points between Edson and Hinton and west as far as the power lines are concerned were not as lucky as Edson and Hinton and had to be stepped up gradually.

Other points between Edson and Hinton and west as far as the power lines are concerned were not as lucky as Edson and Hinton and had to be stepped up gradually.

Thursday, December 12, 1962—EDISON LEADER—13

A request for provisions of the new law was made by the chairman of the New York State Education Board, John J. Brennan, who has been forwarding the bill to the state legislature since the School Division board in 1967. The bill would require that the state board of education be given the authority to set standards for the state's public schools and to set the standards for the state's public schools. The bill would also require that the state board of education be given the authority to set the standards for the state's public schools and to set the standards for the state's public schools. The bill would also require that the state board of education be given the authority to set the standards for the state's public schools and to set the standards for the state's public schools.

Christmas Eve Prayer

Dear God: We have been so busy in the days of our busy life, that we have not had time to think of you. We have been so busy in the days of our busy life, that we have not had time to think of you. We have been so busy in the days of our busy life, that we have not had time to think of you.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

And the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young, and the old Christmas Eve, when we were so young.

Whitecourt C of C join Alaska paving request

Whitecourt representation will be made on the desirability of having the whole of the Alaska Highway paved as soon as possible. It was decided at the meeting of the Whitecourt Chamber of Commerce held in the River Hotel on Wednesday night. This effort will be in conjunction with the Alberta Chamber of Commerce for the much used arterial road.

Members of the Chamber will also look into the feasibility of interesting gas companies in bringing this utility to our town. It was mentioned that Whitecourt is especially considered a hard case.

The town of Lac La Piche it was pointed out has natural gas supplied by the town. Information and a letter to the author will be arranged for it possible. Locally the Chamber are to Chamber in the future.

When are proposals to be reported, for the photo graphic of the Chamber. There is much work to be done, but it is hoped to have things done under the winter months program.

New businessmen, Druggist Jerry Lindgren, and his wife, Mrs. Lindgren, will be in the meeting. Mr. Lindgren is involved in the active part in the activities of the Chamber.

Performance of the Chamber is the duty of the Chamber and you'll see what we mean. All this didn't just happen. Whitecourt

If you think to change the mind of the Chamber, it is to be in the Whitecourt. Just add things up. Remember! This begins when you buy a VW and continue on your own visit to the gas station. Consider! The battle is to be lost—our 12's are still running around. Subsidized they are day out you start at the loss of a year. Performance! Put yourself in the driver's seat and you'll see what we mean. All this didn't just happen. Whitecourt

MR. AND MRS. BUCK AND STAFF
SUNSET MOTEL

Can you beat it?

Because the latest car for Canada because of the way it is built, and we are making new friends in Canada. For instance, every VW sold in this country now makes Canadian parts and money now makes Canadian parts and money. Things like steel, tires, headlights, bumpers, and engine parts. This also represents a million dollar investment in Canadian manufacturing goods. We believe in doing business with our countrymen.

After 10 years Volkswagen has a double stake in Canada, because our 346 dealers and company are here located.

(In the Brown Blower House Building)

F.U.A. News

The annual F.U.A. Santa Claus party was held in the Fruit Community Hall on Dec. 18. Approximately fifty boys and their parents attended.

Mrs. Irene Barabek, Mr. Calan, Mr. Bergeon, Mr. Fowler and several others supplied music for the singing of carols. Refreshments were served with the meal and dancing and treats. Ladies of the F.U.A. served a nice lunch during the evening.

Since the regular meeting of the Edna Jeani club on New Year's Day, arrangements have been made to hold the meeting on March 1st, same place as usual. December 20, 8, 1935.
Mrs. Ed Hill was the win-

ner of the all painting which was drawn for at the Christmas party, ticket number 128. Mrs. Hill said this was her first win on a draw.

Customers should be prepared to stand in the line of any membership they may have.

Happy New Year to all!

Story of the Christmas Tree

There have been used as a symbol of religious hope from the earliest times. The Christmas tree is a symbol of the birth of Jesus Christ, and it is a reminder of the love and peace that he brought to the world.

Attends mother's 100th birthday

Mrs. Blanche Judge, an old time of Edson, made a trip to visit her mother, Mrs. Sarah Toland, a 70 year resident of the West. Mrs. Toland celebrated her 100th birthday while Mrs. Judge was there.

Now residing in a nursing home, Mrs. Toland has an amazing physical ability for her age. She comes from a long line of pioneers, her grandfather being in 1800 and her father living in 1800 and her mother in 1800. She was born in Havensack, N.Y., on November 4, 1831, coming to this country in 1860.

Mrs. Judge, the second oldest of her six children, was among the 40 relatives who held a birthday reunion.

Harvey Fregren of Edson, son of Mrs. L. J. Fregren of Edson, the late afternoon ceremony.

Wedding music was played by Mrs. B. Hoffman, Mrs. Polina Shandy was soloist. Given in marriage by her father, Margaret looked stunning in a flower length gown, beaded with pearls and a train. A flower girl in green dress and a ring bearer in a green dress.

The bride was escorted by a large party of bridesmaids and groomsmen. The bride wore a white gown with a long train and a large veil. The groom wore a white suit and a white tie.

The ceremony was held in the Edson church. The bride and groom were surrounded by a large party of relatives and friends. The ceremony was officiated by Rev. O. J. Oskari.

Pageant recalled in greeting card

"Season's greetings and warmest remembrance of your part in the study conference" was a card from Gordon Macdonald.

A note also adds "We still remember very well your wonderful presence."

The receipt of the greeting card was being through the hands of the many connected with Edson's Pageant.
